Applicant's Information and Instructions (Keep for your records.)

It is strongly recommended that applicants have a pre-application conference with Planning Division staff prior to submittal. Please call 330-971-8135 to make an appointment with a Planner.

Submittal Procedure

Please refer to the Planning Commission Application Deadline and Hearing Schedule for submittal deadlines and other relevant dates. This document is available online at <http://www.cityofcf.com> or by contacting the Planning Division.

Staff will review submitted applications to ensure all required material and information are provided. Within 30 days of a submittal deadline, the applicant will be notified whether application materials are acceptable. If acceptable, the applicant (contact person) will be notified by phone or mail when the application has been scheduled on the Planning Commission agenda. If the application is not acceptable, a letter outlining the deficiencies will be sent to the applicant, providing a deadline for the submission of information and materials to address the deficiencies. (Note: The Planning Commission agenda is limited to 5 items per meeting; completed applications in excess of 5 will be scheduled for the next meeting.)

Notice & Posting for Preliminary and Final Plat Applications

1. A Notice shall be posted, on the property, at least seven (7) days prior to the Planning Commission Public Meeting.
2. A Notice will be mailed to abutting property owners at least seven (7) days prior to the Planning Commission Public Meeting.

Withdrawal of Preliminary and Final Plat Applications

Any application may be withdrawn by written request of the applicant. If withdrawn prior to the posting, the applicant may be reimbursed. If the application is withdrawn after this time, fees cannot be reimbursed.

Deferral of Preliminary and Final Plat Applications

Applicants may request an indefinite deferral of the application if more time is needed to prepare for the Public Meeting. However, deferrals are not granted automatically, and the applicant's representative must be present at the public meeting even if a deferral has been requested. The Planning Commission may also defer an application for failure of the applicant to follow procedural steps. If the application is deferred at the request of

the applicant or for failure to follow all procedural steps, a new public notice shall be issued at the expense of the applicant.

Planning Commission Public Meeting for Preliminary and Final Plat Applications

The first public meeting is before the Planning Commission. Planning Commission meetings are held on the first and third Tuesday of every month at 5:30 PM in City Council Chambers at the Cuyahoga Falls Natatorium Building, or such time or places as may be designated by the Planning Division. The applicant or a representative of the applicant **must be present** at the public meeting. The applicant or applicant's representative is asked to make a presentation of the proposal and answer any questions the Planning Commission may have. Large visual presentation aides are also recommended. Other interested members of the public are given the opportunity to speak. If there is opposition, the applicant is also given time for a rebuttal.

The Planning Commission functions as an advisory body to the City Council, and the Planning Commission's recommendation are transmitted to the City Council within 7 days after the public meeting, unless the application is tabled. An application can be tabled up to 30 days.

City Council Public Meeting for Preliminary and Final Plat Applications

The Cuyahoga Falls City Charter requires that all decisions made by the Planning Commission be submitted to City Council for approval. After Planning Commission action, legislation is prepared for submission to City Council. City Council meets on the second and fourth Monday of every month at 6:30 p.m. in City Council Chambers. From the time a matter has received Planning Commission approval, an additional 2 - 4 weeks may be needed to obtain Council approval. The Planning Division will notify the applicant in writing of the City Council meeting dates following the Planning Commission meeting.

Prior to the City Council public meeting, Council members are provided with the staff report summary and the Planning Commission recommendation. City Council members are, therefore, familiar with the request and issues involved. At the Council meeting, applicants should give a **brief presentation with visual aides and state whether or not the applicant agrees with the Planning Commission recommendation.** Applicants should avoid restating information already presented to the Planning Commission. A representative of the applicant **must be present** at the City Council public meeting.

The City Council makes the final decision on all application by voting on the submitted legislation. If the application is denied by City Council, substantially the same application cannot be considered within one year of denial.

For detailed information on Division of Land Applications see Sections 1113.01, 1113.02, 1113.03, 1113.04 of the Cuyahoga Falls General Development Code.
