In the event that a candidate's ward number changes as a result of redistricting pursuant to this section, if the candidate would have met the qualifications required pursuant to Article IV, Section 3 for his previous ward, the candidate will be deemed qualified as a candidate for the new ward. Such resolution shall specify the additional rate which it is necessary to levy, the purpose or purposes thereof, the number of years during which such rate shall be in effect and the date of the proposed election thereon. Such resolution shall be effective upon its adoption and shall be certified within five (5) days thereafter to the election authorities, who shall place such question upon the ballot at the next succeeding November election. If a majority of those voting thereon vote for the approval of such additional levy, the Council shall, for a period not in excess of that prescribed in such resolution, make such levy, or such part thereof as it finds necessary, pursuant to such approval and certify the same to the county auditor, to be placed on the tax list and collected as other taxes.

Section 17. Other Taxes

The limitation of this Article upon the power of Council to levy taxes shall not operate as a limitation upon the power of Council to levy taxes upon such oth-

Section 1. Initiative

The electors of the City shall have power to propose any ordinance or resolution, except an ordinance for the appropriation of money or an ordinance making a tax levy, and to adopt or reject the same at the polls, such power being known as the initiative. Only electors of the City may circulate initiative petitions. An initiated ordinance or resolution may be submitted to the Clerk of the Council by petition signed by at least ten percent (10%) of the electors of the City in which petition the petitioners shall designate a committee of the petitioners to act in their behalf. When so submitted, the Clerk shall forthwith determine the sufficiency of the petition and if found sufficient, the Council shall at once have the proposed ordinance or resolution read and referred to an appropriate committee which may be a committee of the whole. A public hearing, to be conducted in such manner and preceded by such notice, as the Council shall prescribe, shall be held on the proposed ordinance or resolution not later than thirty (30) days after the date on which such ordinance or resolution was submitted to the Clerk. The Council shall, within forty (40) days after such ordinance or resolution is submitted take final action thereon by enacting the proposed ordinance or resolution in the form submitted or in an amended form or by failing or refusing to pass the same. If the Council fails or refuses to pass such proposed ordinance or resolution or passes it in an amended form, the committee of the petitioners may, at their option, require that it be submitted to a vote of the electors either in the form submitted or in the amended form adopted by Council, provided that there is filed with the Clerk a supplemental petition signed by that number of additional electors which, when taken together with those who signed the original petition, will total at least twenty percent (20%) of the electors of the City. Such supplemental petition shall be filed within thirty (30) days after the passage by the Council of such ordinance or resolution or its repassage over the Mayor's veto, whichever is later. The date of such election may be fixed in the supplemental petition but not less than sixty (60) days from the time of filing such supplemental petition and the Council shall provide for submitting such ordinance or resolution to the vote of the electors at the date so fixed, or, if not so fixed, at the next general election in any year occurring more than sixty (60) days from the filing of

such supplemental petition. An initiated ordinance or resolution, receiving an affirmative majority of the votes cast thereon, shall become effective on the fifth day after the day on which the Board of Elections certifies the official vote thereon. (Amended 11-4-80; 11-2-10)

Section 2. Referendum

The electors shall have the power to approve or reject at the polls any ordinance or resolution passed by the Council, except as hereinafter provided. Only electors of the City may circulate referendum petitions. Within thirty (30) days after the passage by the Council of such ordinance or resolution or its re-passage over the Mayor's veto, whichever is later, a petition signed by at least ten percent (10%) of the electors of the City may be filed with the Clerk of the Council, requesting that such ordinance or resolution be either repealed or submitted to a vote of the electors. If said petition is signed by twenty percent (20%) or more of such electors, the date of the election may be fixed therein, not less than ninety (90) days from the time of filing thereof. When such petition is filed, the Clerk shall first ascertain the sufficiency of the petition, and if found sufficient, the Council shall thereupon, within thirty (30) days of the filing of such petition, reconsider such ordinance or resolution. If upon such reconsideration the ordinance or resolution is not repealed, the Council shall provide for submitting it to a vote of the electors on the date so fixed, or, if not so fixed, at the first general election in any year occurring more than ninety (90) days from the filing of such petition. No such ordinance or resolution shall go into effect until approved by a majority of those voting thereon, in which event such ordinance or resolution shall go into effect on the fifth day after the day on which the Board of Elections certifies the official vote thereon. When the Council by general law or under provisions of general ordinance is required to pass more than one ordinance or resolution necessary to make and pay for any public improvement, the referendum provision shall apply only to the first ordinance or resolution required to be passed and not to any subsequent ordinances or resolution relating thereto.

In addition, ordinances providing for an annual tax levy or for improvements petitioned for by the owners of a majority of the foot front of the property benefited and to be specially assessed therefor, and appropriation ordinances limited to the subject of appropriations shall not be subject to referendum, but, except as herein provided, all other ordinances and resolutions necessary for the immediate preservation of the public peace, health or safety, including emergency ordinances and resolutions necessary for the immediate preservation of the public peace, health or safety, shall be subject to referendum, except that such emergency ordinances and resolutions shall go into effect at the time indicated therein. If, when submitted to a vote of the electors, an emergency

measure be not approved by a majority of those voting thereon, it shall be considered repealed as regards any further action thereunder; but such measure shall be deemed sufficient authority for payment, in accordance therewith, of any expense incurred previous to the referendum vote thereon.

Ordinances or resolutions submitted to the Council by initiative petition and passed by the Council either with or without change, but not submitted to a vote of the electors shall be subject to referendum in the same manner as other ordinances or resolutions. (Amended 11-4-80)

Section 3. Recall

The electors shall have the power to remove from office by a recall election, any elected officer of the City. If an elected officer shall have served six (6) months of his term, a petition demanding his removal may be filed with the Clerk of Council, who shall note thereon the name and address of the person filing the petition and the date of such filing, and deliver to such person a receipt therefor and attach a copy thereof to said petition. Only electors of the City may circulate recall petitions. Such petition may be circulated in separate parts, but the separate parts shall be bound together and filed as one instrument. Each part shall contain the name and office of the person whose removal is sought and a statement in not more than two hundred (200) words of the grounds for the removal. Such petition shall be signed by at least that number of electors which equals twenty percent (20%) of the electors voting at the last preceding November election. Within ten (10) days after the day on which such petition shall have been filed, the Clerk shall determine whether or not it meets the requirements hereof. If the Clerk shall find the petition insufficient, he shall promptly certify the particulars in which the petition is defective, deliver a copy of his certificate to the person who filed the petition, and make a record of such delivery. Such person shall be allowed a period of twenty (20) days after the day on which such delivery was made in which to make the petition sufficient. If the Clerk shall find the petition sufficient, he shall promptly so certify to the Council, shall deliver a copy of such certificate to the officer whose removal is sought, and shall make a record of such delivery. If such officer shall not resign within five (5) days after the day on which such delivery shall have been made, the Council shall thereupon fix a day for holding a recall election, not less than sixty (60) days nor more than seventy-five (75) days after the date of such delivery.

At such recall election, this question shall be placed upon the ballot: "Shall (naming the officer) be allowed to continue as (naming the office)?", with the provision on the ballot for voting affirmatively or negatively, and in the event a majority of the vote is negative such officer shall be considered as removed, his office shall be deemed vacant, and such vacancy shall be filled as provided

in this Charter. The officer removed by such recall election shall not be eligible for appointment to the vacancy created thereby. (Amended 11-4-80)

If any such proposed amendment or amendments shall be approved by a majority of the electors voting thereon, it or they shall become a part of this Charter; except that if two or more inconsistent proposed amendments on the same subject shall be submitted to the same election, only the one of such amendments receiving the largest affirmative vote not less than a majority, shall become a part of the Charter.
