CITY OF CUYAHOGA FALLS 2024 CALENDAR

CITY OF Cuyahoga Falls
MAYOR DON WALTERS

LIFE IS
BETTER
HERE

A MESSAGE FROM MAYOR DON WALTERS

Happy New Year! What better way to ring in 2024 than to celebrate being named Best Hometown by Ohio Magazine? I could not be prouder to receive this designation that celebrates all that Cuyahoga Falls has to offer to residents and visitors alike. Magazine editors selected Cuyahoga Falls for our downtown revitalization efforts, support of small businesses, and strong sense of community. Please join me in continuing to celebrate and promote our great city to those near and far. As I have said before, my goal is to have two groups of people: those who live in Cuyahoga Falls; and those who wish they did!

We are a city on the move and constantly seeking new opportunities for growth and development. Our transformation efforts will continue in 2024 with the South Front Street Streetscape Project and our new reimagined boardwalk, adding many fun improvements to the existing structure. We also have master plans in the works for South State Road and the Bailey Road and Northmoreland Boulevard corridor to revitalize these important business districts.

After numerous requests, we have relaunched an updated version of the city newsletter, Current, to inform residents about projects, programs, and services. Watch for the next edition in your mailbox. I also encourage you to bookmark CityofCF.com on your digital devices and follow us on social media, Facebook at City of Cuyahoga Falls City Hall, and Instagram at CityofCF, to keep up-to-date on city news.

I look forward to what is to come for Cuyahoga Falls and hope you do, too. Life truly is better here!

I wish you and your family a safe, healthy, happy, and prosperous 2024!

Mayor Don Walters

THANK YOU TO OUR 2024 CALENDAR PARTNERS

CITYOFCF.COM/DEPARTMENTS/FIRE

The mission of the **Cuyahoga Falls Fire Department** is to provide the highest-quality professional emergency service, fire prevention, and life safety education to our community. We resolve to do this within a framework of empathy, compassion, and dedication to the citizens we serve, as well as to each other.

Recently, members of the Cuyahoga Falls Fire Department created the Cuyahoga Falls Firefighter Memorial Foundation. Fundraising efforts are currently underway to design and construct a memorial to honor the men and women of the department, specifically those who died in the line of duty. For more information, please visit fallsfirememorial.org or Cuyahoga Falls Memorial Foundation on Facebook.

POLICE DEPARTMENT

FOR MORE INFORMATION:
330-971-8333
CITYOFCF.COM/DEPARTMENTS/POLICE

With over 100 years of service to the City of Cuyahoga Falls, the mission of the **Cuyahoga Falls Police Department** continues to be:

- To provide the highest level of service to the public.
- To instill a sense of security and confidence in the public we serve.
- To protect the rights of the individual, as well as the rights of the public at large.
- To be fair and just in the enforcement of the law.
- To not just serve the community, but be a part of the community.

These acts are accomplished while maintaining a professional attitude and by treating all stakeholders of the community with the respect and dignity they deserve.

Members of the Cuyahoga Falls Police Department are true community servants. Beyond the day-to-day police work, officers raise money for the Falls Cancer Club, do annual toy drives instead of traffic warnings, participate in Shop with a Cop, provide Senior Watch services, partner with other local law enforcement agencies to offer Citizen's Police Academies, hold Drug Take Back Days, and host annual National Night Out community events.

BUILDINGS-GROUNDS](http://CITYOFCF.COM/DEPARTMENTS/BUILDINGS-GROUNDS)

The **Buildings and Grounds Maintenance Department** oversees cemetery operations for the city's active cemeteries, Oakwood and Northampton, as well as Harrington and Botzum cemeteries. New software was purchased that allows anyone to look up a deceased loved one's location. An interactive map will pinpoint the grave and can even be used on a smartphone while in the cemetery, guiding the user to the grave.

To access burial records, please go to
cityofcf.discovereverafter.com

Signs are installed to help identify sections in Oakwood Cemetery.

Buildings & Grounds Maintenance is also responsible for tree lawn trees (evaluating for trimming or removal as well as planting new trees), the Adopt-A-Spot program, the City Arboretum, as well as landscaping and maintaining city-owned grounds.

COMMUNITY DEVELOPMENT

FOR MORE INFORMATION:
330-971-8135

CITYOFFCF.COM/DEPARTMENTS/COMMUNITY-DEVELOPMENT

Community Development staff work with local businesses to expand their operations and with businesses from outside the City to relocate to Cuyahoga Falls by offering relocation site analysis, permitting, zoning certificates, and grant and loan funding. In 2022, the Community Development Dept. was able to secure more than \$21,666,000.00 in completed new investment that resulted in the creation of over 198 new jobs.

Housing Department staff enforces code-specific ordinances to maintain the City's housing stock, thereby keeping housing values consistent and steady throughout the City.

Cuyahoga Falls is fortunate to be an entitlement city. As such our City receives HUD funds each year that are used to rehabilitate older homes, acquire and demolish blighted structures, and provide senior snow plow services.

The City installed three new public art pieces throughout the historic Downtown district in 2022. "River Trade" and "Topo Swale" were created and installed by two nationally recognized artists utilizing a grant through the National Endowment for the Arts, "Peace and Joy", by local artist Don Drumm, was also installed in High Bridge Glens Park.

BUILDING A CONCEPT OF COMMUNITY FOR ALL

ENGINEERING

FOR MORE INFORMATION:
330-971-8180
CITYOFCF.COM/DEPARTMENTS/ENGINEERING

The **Engineering Department** is responsible for the design and construction of all public improvement projects, including street paving, sewers, and water lines. The department serves as the repository for all allotment plot plans, and underground utility maps and has Summit County tax maps and federal government flood plain maps on file.

The Engineering Department assigns house numbers and issues permits for construction in the street or road right-of-way, such as street excavation, sidewalk and drive approach construction, curb cutting, downspout openings, and sanitary sewer lateral and water service connections.

The Engineering Department is proud to research and apply for grant dollars that help fund innovative infrastructure projects, and they utilize public goods funding to replace missing sidewalks to improve connectivity and accessibility for all people.

QUALITY WATER IS OUR TOP PRIORITY

WATER UTILITIES DIVISION

Addressing Stormwater

Slow it Down
The more speed water has, the more pollutants it picks up, greater erosion occurs, and fewer pollutants get filtered

Spread it Out
With more surface area, the water can infiltrate the ground more which will help filter pollutants and ensure less standing water on your property

Soak it In
It is through the water being soaked into the ground that most pollutants are dealt with which reduces the amount entering our water sources

To learn more about stormwater, please visit our partner Summit Soil and Water Conservation District at: www.summitsoil.com

Stormwater FAQ

What is it?
Stormwater is runoff that flows over the ground and into our stormwater systems that empty into nearby creeks, streams, and rivers such as the Cuyahoga River. Stormwater is **not** treated which is why it is important to reduce pollutants when possible

Why is it important?
Since stormwater is not treated, the pollutants it carries end up in our water sources. This is why it is vital to *slow it down, spread it out, and soak it in*. When this is not done, it can negatively affect the health and biodiversity of our environment.

What can I do?
There are many different measures you can do that reduce the pollutants entering our water sources. Even taking a small step is helpful so don't be discouraged! Some ways to get started are:

- Install a rain garden
- Use a rain barrel
- Reduce lawn space
 - Increase garden space
- Wash car in the grass or go to a car wash
- Pick up pet waste regularly
- Use less fertilizers and herbicides
- Maintain vehicles to ensure no oil/gas leaks
- Reduce impervious surfaces (i.e- roof, patio, and driveway)
- Redirect downspouts to vegetated areas
- Increase permeable spaces (i.e- bricks vs. cement)

FOR MORE INFORMATION:
330-971-8005
CITYOFCF.COM/DEPARTMENTS/WATER

The City of **Cuyahoga Falls Water System** serves approximately 55,000 people across Cuyahoga Falls, Munroe Falls, and Silver Lake.

The city's water supply comes from 18 drilled wells located in Water Works Park on the south bank of the Cuyahoga River. The Cuyahoga River contributes flow to the aquifer and the wellfield is recharged utilizing channels and lagoons. From the wellfield, water is aerated to remove objectionable gases. Chlorine is added for disinfection, fluoride is added for the prevention of tooth decay, and caustic soda for corrosion control.

The Cuyahoga Falls sanitary and storm sewers are laid out in separate systems. The storm sewer system conducts storm runoff to the nearest natural watercourse, 152 miles of sanitary sewers ranging in size from 6" to 30" in diameter collect industrial, commercial, and residential waste, which is transported to the Akron Water Pollution Control Facility for treatment.

Annual water quality reports can be found on the City of Cuyahoga Falls website.

Proudly
supporting
our community.

In 1888, City Council passed a resolution authorizing the Falls Edison Electric Light & Power Co. the right to erect pole lines to supply electric street lighting, which marked the formation of the Cuyahoga Falls Light Department.

Today, the **Cuyahoga Falls Electric System** collaborates its power production with American Municipal Power (AMP) and utilizes hydroelectric, wind, and combustion sources to create enough energy to meet the city's residential and commercial amperage needs.

Additionally, the award-winning electric system and its various partnerships provide scholarships, free home energy audits, free home energy kits, and appliance rebate programs.

Keeping utility rates affordable for over

20

years.

HELPING TO MAKE RECYCLING EASY FOR ALL

SANITATION DIVISION

Cuyahoga Falls Recycles Smart

TIPS TO HELP RECYCLE PROPERLY

CITY OF
Cuyahoga Falls
MAYOR DON WALTERS

Plastics

Recycle based on **shape** not number

- Bottles
- Jugs
- Jars
- Tubs

Food & beverage cans

Tin, aluminum, and steel cans only

Paper

Paper, newspaper, and magazines
Clean and flattened cardboard and paperboard

Glass

Jars and bottles only

Only recycle the items listed above.
Everything else should be placed in the trash bin

What about bags?

NO plastic bags or bagged recycles in any circumstance. Place bags into the trash after emptying recyclable material into curbside recycling bin

CUYAHOGA FALLS:
RECYCLE RESPONSIBLY.

YARD WASTE

PROHIBITED MATERIALS IN YARD WASTE CARTS DRIVE UP COSTS, DAMAGE MACHINERY, AND SLOW PRODUCTION.

DID YOU KNOW?

- Proper disposal of yard waste drastically reduces the amount of waste that is dumped in our landfills
- Proper disposal of yard waste also drastically reduces the production of the harmful greenhouse gas methane
- It is illegal to put yard waste into our landfills in the State of Ohio

WHAT YARD WASTE CAN BE RECYCLED IN YARD CARTS IN CUYAHOGA FALLS?

Accepted:

- Leaves
- Grass Clippings
- Weeds and Brush
- Shrubbery
- Twigs and small branches (less than four inches in diameter)

Not Accepted:

- No Trash
- No Food/Pet Waste
- No Dirt or Rocks
- No Plastic Bags or Bottles
- No Sod, Soil or Root Ball
- No Plastic Plant Pots
- Used Mulch
- Paper Compost Bags

Please do not use plastic bags to collect yard waste. Keep it loose in yard carts. Yard carts can be obtained by contacting the Utility Billing Department at 330-971-8250 or ubdept@cityofcf.com

Thank you for doing your part to **RECYCLE RESPONSIBLY!**

CITYOFCF.COM/DEPARTMENTS/SANITATION

The Cuyahoga Falls **Sanitation Department** handles all residential trash and recycling pick-up for the city and provides a multitude of services to meet the customer's every need. The Sanitation Department features three varieties of carts to help residents properly dispose of waste, recyclable items, and yard waste.

The Sanitation Department has been at the forefront of effective recycling programs. The continued success is dependent on all citizens continuing to properly recycle as best they can. Please refer to the recycling guide on this page and on the City of Cuyahoga Falls website for details on how to recycle responsibly.

Year-round, the city offers oversized or bulky item pick-up for our residents.

Please use the QR code to request bulk or specialty pickups.

Serving Cuyahoga Falls and other public power communities for more than 50 years.

PAVING BETTER ROADS FORWARD

STREET DIVISION

FOR MORE INFORMATION:
330-971-8030
CITYOFCF.COM/DEPARTMENTS/STREET

The Cuyahoga Falls **Street Department** is responsible for clearing snow, capturing leaves, filling pot-holes, and resurfacing roads. Each fall, the city coordinates the removal of leaves from its many miles of streets and municipal properties, including 26 neighborhood parks.

Once the leaves have fallen, the city sends leaf crews armed with vacuum machines and rakes to condense the debris and keep our streets clean.

CLEAR STREETS FOR CLEAN STREETS WINTER TIPS

- In times of heavy snowfall, remove parked cars from city streets so they can be properly plowed.
- Avoid putting snow from driveways or sidewalks into already cleared streets.
- Keep sidewalks free of snow and ice for children, mail carriers, and neighbors.
