761.01 DEFINITIONS.

Unless otherwise expressly stated, when used in this chapter, the following terms shall have the following meanings:

(a) "Taxicab company" means every corporation, company, association, joint stock association, person, firm or copartnership, their lessees, trustees, receivers or trustees appointed by any court whatsoever, owning, controlling, operating or managing any taxicab.

(b) "Taxicab" means all motor-driven vehicles engaged in the business of carrying passengers for hire on the streets of the City, except motorbuses operated on regular schedules and over regularly established routes and motor vehicles operating under a contract with a metropolitan transit authority provided the operator of such vehicles has filed a copy of said contract with the Director of Public Safety.

(Ord. 108-1998. Passed 7-27-98.)

761.02 CONFORMANCE REQUIRED.

No taxicab company shall operate any taxicab for the transportation of persons for hire on any street within the City except in accordance with this chapter.

(Ord. 108-1998. Passed 7-27-98.)

761.03 LICENSE.

No taxicab company shall begin to operate or operate any taxicab for the transportation of persons over any of the streets of the City without first obtaining a license as hereinafter provided. Operators of taxicabs operating without such license but which are licensed by other municipalities may bring passengers into the City but may not pick up any passengers within the City for any destination.

(Ord. 108-1998. Passed 7-27-98.)

761.04 AUTHORITY OF DIRECTOR OF PUBLIC SAFETY.

Subject to the approval of Council, the Director of Safety is vested with the power and authority:

- (a) To supervise and regulate the operation of all taxicabs within the City.
- (b) To prescribe rules and regulations and to issue orders in conformity with the provisions of this chapter applicable to any and all such taxicab companies.

(Ord. 108-1998. Passed 7-27-98.)

761.05 APPLICATION FOR LICENSE.

Applications for licenses under the provisions of this chapter shall be filed with the Director of Public Safety on such forms as the Director shall prescribe. The application shall contain a statement of the name and address of the applicant, the character of the business to be transacted, the kind of equipment, the number of taxicabs to be used, the conditions of the equipment and such other facts as may be required.

(Ord. 108-1998. Passed 7-27-98.)

761.06 RESERVED FOR FUTURE LEGISLATION.

761.07 ISSUANCE OF LICENSE.

The Director of Public Safety may grant a license if satisfied as to the safety of vehicles, the equipment provided, the character of the applicant, and compliance with the provisions of this chapter.

(Ord. 108-1998. Passed 7-27-98.)

761.08 SERVICE OBLIGATION.

(a) Each taxicab company shall provide adequate taxicab service throughout the City upon demand during all hours of each day. All taxicabs shall be equipped with an operating radio capable of two-way voice communications with the taxicab company dispatcher.

761.08 SERVICE OBLIGATION (cont.).

Discourteous treatment of the public, misrepresentation of fare, failure to transport passengers to requested destination without just cause, operation of unsafe or unsanitary vehicles, failure to operate in accordance with this chapter, and other similar activities inimical to a public transportation service shall be grounds for the Director of Public Safety to suspend or revoke the license issued to such company under his enforcement powers as provided in Section 761.2.
(Ord. 108-1998. Passed 7-27-98.)

761.09 IDENTIFICATION OF TAXICABS.

Every taxicab granted a license under the provisions of this chapter shall have the name of the owner thereof and shall have the words "taxicab, taxi or cab", printed in letters at least two inches in height in the center of the main panel of both rear doors of the vehicle.
(Ord. 108-1998. Passed 7-27-98.)

761.10 FEES.

At the time of the issuance of the license, and annually thereafter on or before December 31st, every taxicab company operating in the City shall pay to the Director of Public Safety a fee of one hundred dollars (\$100.00).

(Ord. 108-1998. Passed 7-27-98.)

761.11 LIABILITY INSURANCE REQUIRED.

It shall be unlawful to operate a public hack, taxicab or other vehicle kept for hire as defined in this chapter, or permit the same to be operated, nor shall any license be issued hereunder until and unless the applicant deposits with the Director of Public Safety a liability insurance policy for each taxicab and/or a self-insurers' certificate issued by the State. Such policies shall be written by an insurance or liability company authorized to carry on business and to write such policies in the State. Such policy and/or insurers' certificate shall indemnify the taxicab company in the sum of at least one hundred thousand dollars (\$100,000) for injury or death to one person, five hundred thousand dollars (\$500,000) for injury or death to more than one person, and fifty thousand dollars (\$50,000) for property damage in any one accident, through the operation of the taxicab or the taxicab company. Such policy shall further contain a clause obligating the surety company to give fifteen days' written notice before cancellation of such policy or policies to the Director of Public Safety.
(Ord. 108-1998. Passed 7-27-98.)

761.12 RULES AND REGULATIONS.

No person shall:

- (a) Drive any taxicab while under the influence of intoxicating liquor, or drink any intoxicating liquor whatsoever while transporting passengers.
- (b) Procure or transport, or aid or abet in procuring or transporting, any liquor in violation of any laws of Ohio or the Liquor Control Act.

- (g) Use any portion of the public streets as a taxicab stand or permit a taxicab in his charge to stand upon any portion of the public streets except for such time as is necessary to load or unload passengers, excepting in such portions of the public streets as shall have been set apart by Council as taxicab stands and allotted to the particular taxicab in question.
- (h) Fail to notify the Chief of Police within twenty-four hours after any accident, giving the time and the location of the accident, the name of any person injured, condition of the injured, character of injuries so far as known, and in case of property damage, the estimated amount of such damages.
- (i) Travel up and down any part of Front Street seeking passengers, commonly known as "cruising", except between the hours of 10:00 p.m. and 4:00 a.m.
(Ord. 108-1998. Passed 7-27-98.)

761.13 FARES.

The rates of fare to be charged by taxicabs operating in the City shall be on file with the Director of Public Safety. No taxicab company shall either increase or decrease its rate of fare without first providing a new fare schedule at least 14 days prior to implementation, and in no event shall the rates charged exceed the schedule on file with the Director of Public Safety.

No extra charge shall be made for additional passengers carried from the same point of origination to the same destination. No extra charge shall be made for carrying the hand luggage of any passenger. No zone or flat rates shall be charged.

Waiting time shall be charged for such time as the taxicab or automobile for hire is kept standing at the direction of the passenger or traveling at a speed of less than ten miles per hour.

(Ord. 108-1998. Passed 7-27-98.)

761.14 METERS REQUIRED.

No taxicab company shall do business after June 15, 1960, without first equipping the cabs with taximeters.

761.14 METERS REQUIRED (cont.).

The term "taximeter" means a mechanical instrument or device by which the charge for hire of a taxicab is mechanically calculated either for distance traveled or for waiting time or for both, and upon which such charge is indicated by means of figures.
(Ord. 108-1998. Passed 7-27-98.)

761.15 EXCEPTIONS.

The provisions of this chapter shall not include or apply to motor vehicles used exclusively as hearses or ambulances, or exclusively for service at weddings, christenings and funerals, or motor vehicles leased or rented for private use without the service of a chauffeur or driver.
(Ord. 108-1998. Passed 7-27-98.)

761.16 TAXICAB STANDS.

The Director of Public Safety shall designate and allot to each taxicab company, for a temporary period not to exceed ninety days, such taxicab stands as he deems the company is entitled to, taking into consideration the number of taxicabs in operation by each company and the relative value for taxicab purposes of the various taxicab stands.

No such taxicab stand shall be permanently allocated to any taxicab company until Council shall have first amended the Traffic Control File to allow such allocation. The Traffic Control File shall not be amended relative to the permanent establishment of taxicab stands until a public hearing is held by Council, notice of which shall appear in a newspaper of general circulation in the community for two consecutive weeks prior to such hearing.
(Ord. 108-1998. Passed 7-27-98.)

761.17 REQUIREMENTS FOR DRIVERS.

All taxicab companies licensed by this chapter shall file with the Records Clerk, within five days after a license is issued and every six months thereafter, a list of all regularly employed drivers, showing name, address, age, experience and other qualifications as drivers of taxicabs.

A picture, one and one-half inches times one and one-half inches, must be presented to the Records Clerk. When issued, a taxicab driver permit with this picture must be posted in the taxicab in full view of passengers. This permit will be approved by the Director of Public Safety and Chief of Police. The fee for this permit shall be one dollar (\$1.00).

Within thirty days thereafter, the Director of Public Safety may require that such drivers acquaint themselves with any and all parts of this chapter. The Public Safety Director thereupon, if satisfied as to their fitness and ability to drive, shall issue a certificate to them in such form as he may deem necessary.
(Ord. 108-1998. Passed 7-27-98.)

761.18 PASSENGERS.

No more than four adult persons shall occupy any taxicab licensed under this chapter at any time while any taxicab is in motion. (Ord. 108-1998. Passed 7-27-98.)

(Ord. 108-1998. Passed 7-27-98.)

761.99 PENALTY.
