2019 Field Permit Request Info

Cuyahoga Falls Parks and Recreation continues in our goal of providing quality maintained playing fields for baseball, softball and soccer programs. Due to the overall rising costs of field maintenance and related equipment, we have found it necessary to charge a nominal field permit maintenance fee. The Cuyahoga Falls Parks and Recreation Board has instituted a fee schedule for any individuals or groups desiring use of Parks and Recreation playing fields. All permit fees collected will be solely used for such items as fence and fencing repair, backstops, normal maintenance and upkeep, and future improvements. The fees will consist of the following:

1. Field permit maintenance fee of $10 per field
2. Per single use (All day permits on Saturday will be $20)

Fields will be allocated based on the required written requests from each league/team. We will only consider requests in writing and returned by the deadline. As always, we will do our best to accommodate your requests and ask for your patience throughout this process.

Please complete the ONLINE Field Permit Request Form
and submit it no later than Monday, January 28th by 5:00 p.m.

By the middle of February, after submitting your Field Permit Request Form, you will receive an email from Parks and Recreation indicating the availability of the fields you requested along with an invoice. At that time, you will be responsible for payment (check, cash or credit cards accepted). The amount due must be paid no later than your first date of usage. Payments not received by this date will result in the reassignment of fields.

Weather permitting; we will maintain all fields beginning April 1st, but please understand that each and every field may not be able to be maintained every day due to staffing or weather circumstances.

Thank you for your cooperation and for making a difference in the lives of so many youth. If you have any questions or concerns, please feel free to contact me at 330-971-8225 or email me at bartektr@cityofcf.com.

Good luck this season!
