Instructions for keeping the "LIFE" sticker on your front door at home

- Place the "LIFE" sticker on your front door, above the door knob or handle.

- Complete the Medical Information Sheet, and place it inside the red magnetic pouch.
- Place magnetic pouch on the front of your refrigerator.
- Periodically update the Medical Information Sheet as needed. *[For example: After you are released from the hospital, update the sheet with that information (i.e., Last hospitalization, dates of hospitalization, attending doctor information and any changes to medication)]*
