### Reasons You Received This Invoice

- You declared an estimate on your previous annual return for the current tax year.
- You paid more than \$200.00 for the previous tax year with or without declaring an estimate for the current tax year. If you believe that this estimate is incorrect or you need further clarification, please contact our office.

### Estimated Tax Payments

- The City of Cuyahoga Falls requires persons who may reasonably expect to owe more than \$200.00 in tax for the current filing year to make estimated quarterly payments.
- A declaration of an estimated tax was filed simultaneously with the previous Income Tax Return to indicate the estimate of tax that will not be withheld by an employer or employers.
- For “calendar year” taxpayers, quarterly installments are April 15, June 15, September 15, and December 15.
- For “fiscal year” taxpayers, primarily any business whose year-end is other than December 31, quarterly estimates are due on or before the 15th of the fourth, sixth, ninth and twelfth, month after the beginning of the taxpayer’s taxable year.
- To avoid penalty and interest charges 22 1/2% of your current actual tax liability is due April 15th, 45% is due June 15th, 67 1/2% due September 15th and 90% is due December 15th.
- To amend your declaration of estimated taxes for the current year, please notify us in writing of your change.
- Please feel free to contact your City Tax Department if any questions should arise. Our phone number is **(330) 971-8220**.
