Mr. Brillhart called the meeting to order at 8:49 p.m. All members were present.

Discussion:

Mr. Brillhart stated that, at this time, they have looked at desks with the thought to perhaps replacing the tables. There may be an option to build them in-house. Once they know what the desks will be like, it would better help them decide if they should have a wired system or a wireless system.

The meeting adjourned at 8:52 p.m.
