Temp. Ord. A-162

Discussion

Temp. Ord. A-162

An ordinance amending the traffic control file by providing for installation of various traffic control devices, and declaring an emergency.

Capt. Davis stated this was a request to prohibit parking on the even side of Front Street within 112 feet of Oakwood Drive. The Street Dept. has a problem making that turn when plowing. Mr. Ihasz asked if people could still park right before Front Street by the Pub. Capt. Davis stated there is room for one car. This was requested to keep a safe area because of the new building.

Richard Opsincs II, 737 Center Avenue, Ste. 15, asked where this was. Mr. Ihasz stated it was on Oakwood where you turn left at Front Street by the MRDD.

Mrs. Hummel moved to approve bringing A-163 out of Committee with a favorable recommendation, second by Mr. Iula. Motion passed, voice vote (3-0).

Meeting adjourned at 6:48 p.m.
