Mr. Walters called the meeting to order at 6:35 p.m. All members were present.

Discussion

Due to the filling of the Ward 5 vacancy, Mr. Walters was proposing small changes to the assignments for Standing Committees, as well as appointments to the various Boards and Commissions. The proposed Committee assignments are as follows:

Public Affairs:	Mr. James, Chair Mr. Colavecchio, Vice-Chair Mr. Barnhart
Community Development:	Mr. Colavecchio, Chair Mrs. Snyder, Vice-Chair Mr. Iula
Planning & Zoning:	Mr. Rubino, Chair Mr. James, Vice-Chair Mr. Mader
Public Improvements:	Mrs. Snyder, Chair Mr. Ihasz, Vice-Chair Mrs. Pyke
Finance:	Mrs. Klinger, Chair Mr. James, Vice-Chair Mr. Rubino

The only changes to the Boards and Commissions were that Paul Colavecchio is being assigned to the Tree Board, the EMS Board of Review and as the Traffic Committee Alternate. Mr. James added that he would be moving from Moral Claims to the Traffic Committee, and that Mrs. Klinger would be taking his place on Moral Claims. Mr. Walters pointed out that those appointments usually follow the committee assignments.

Mr. James moved to bring out the Standing Committee assignments and Boards and Commissions appointments with a favorable recommendation, second by Mr. Ihasz. Motion passed, voice vote (5-0).

The Committee meeting adjourned at 6:40 p.m.
