Discussion

Temp. Ord. B-17

An ordinance to approve current replacement pages to the Cuyahoga Falls Codified Ordinances, and declaring an emergency.

Mr. Janis stated the City publishes its ordinances in book form. Annually, they issue replacement pages of the changes made over the year. This amends all of the City's regular ordinances that are on the books. The State Constitution requires this. Adopting replacement pages will comply with State law changes in 2010. Mr. Ihasz asked if there was a CD available for Council members. Mr. Janis stated there were not enough CDs to go around but he can get more. Mr. Ihasz recommended anyone wanting a CD to contact Mr. Janis.

Mrs. Hummel moved to bring out B-17 with a favorable recommendation, second by Mr. Iula. Motion passed (3-0).

Meeting adjourned at 10:55 p.m.
