Temp. Ord. A-30

Discussion

Temp. Ord. A-30

An ordinance amending various sections of the Codified Ordinances to conform to state law, approving the 2011 replacement pages to the Codified Ordinances of the City of Cuyahoga Falls, and declaring an emergency.

Mr. Janis stated the City annually publishes its updated Codified Ordinances and also puts out any replacement pages to the Codified Ordinances. This year the replacement pages number about 3/4" thick. There are two categories of ordinances that get changed: (1) those that relate to general offenses and traffic offenses, which are required to comply with what the state legislature has in the Revised Code--the City revises its ordinances to match the state; and (2) those referred to as the powers of local self government. The ordinance before Council tonight is to adopt the Codified Ordinances complying with the state law as well as republishing the Codified Ordinances for this year. Mr. Walters stated that Walter Drain does the update. He asked if there is an annual update each time this is done on the CDs. Mr. Janis stated they have CDs for everyone who wants one. If they run out, they will order more. Mr. Walters stated he would like one. Mrs. Klinger asked if the most updated Codified Ordinances were available online. Mr. Janis stated there were and that they are the same as what is on the CDs.

Mrs. Snyder moved to bring out A-30 with a favorable recommendation, second by Mrs. Klinger. Motion passed (3-0).

The meeting adjourned at 8:05 p.m.
