Discussion

Temp. Ord. A-53

An ordinance amending the traffic control file by providing for installation of various traffic control devices, and declaring an emergency.

Capt. Davis stated there was one item, which is to prohibit parking on the even-numbered side of Julian Street. Mr. Rubino stated he was contacted by a resident on Julian who requested that parking be limited to one side of the street. The street has only 11 houses on it. Currently, parking is allowed on both sides, and the resident felt that could cause an obstruction for people navigating down the street. He requested that parking be limited to one side and got his neighbors to sign a petition. He then took the petition to the Traffic Committee who considered the issue.

Committee recommended bring out Temp. Ord. A-53.

Meeting adjourned at 6:58 p.m.
