**Discussion**

**Temp. Ord. A-35**

An ordinance approving a map amendment for Parcel Number 35-01919 (645-649 Bath Road) from an R-2 low density residential zoning classification to an R-5 mixed density residential zoning classification, as more fully described and depicted herein and declaring an emergency.

Mr. Guerra stated he did not have any further comments to add since the public hearing that was held the previous week. Mr. Mader stated he was in support of this legislation. This was due to an oversight when the zoning was changed and these people were caught in the middle.

***Committee recommended bringing out Temp. Ord. A-35.***

Meeting adjourned at 6:40 p.m.
