Temp. Ord. B-30

**Discussion**

**Temp. Ord. B-30**

An ordinance authorizing the Director of Public Safety to enter into a contract or contracts, according to law, for the purchase of self-contained breathing apparatus sets and a rescue intervention pack, and declaring an emergency.

Mrs. Klinger stated this is the last of the purchase of this equipment. It was in the budget for this year and next year but because of the cost savings, we are purchasing it now. There has been a request to expedite this in order to get last year's model and the order must be placed before the end of the month. Chief Moledor stated it is important for all of the equipment to be the same model. This purchase will complete the number of units required. He expects to get 15+ years out of the equipment before needing to replace it.

Mr. Rubino moved to bring out Temp. Ord. B-30 with a favorable recommendation, second by Mr. James. Motion passed (3-0).

The meeting adjourned at 7:03 p.m.
