Agenda Items

Temp. Ord. B-44

An ordinance amending the Traffic Control File by providing for installation of various traffic

control devices, and declaring an emergency.

Proponent testimony was offered by Chief of Police Jack Davis. Chief Davis stated that there is one item to be reviewed from the Traffic Committee: Prohibiting parking on the even side of the 600 block of Broadway East. This was brought to the Traffic Committee by Mr. Rubino. This request is consistent with the narrow street ordinance, and parking is already prohibited on the even side of every

other block of Broadway East.

The Chair asked if the City had received complaints from residents about not being able to see traffic when exiting their driveways. Chief Davis stated that this is one of the complaints brought to the Traffic Committee by

Mr. Rubino.

There was no opponent testimony. There was

no public comment.

Motion by Mr. Weinhardt to release Temp Ord. B-44 with a favorable recommendation. Seconded by Mr. DeRemer. Motion adopted

by acclamation.

Without objection, the Chair adjourned the

meeting at 6:48 p.m.
