Temp. Ord. B-65

Discussion

Temp. Ord. B-65

An ordinance amending the Traffic Control File by providing for installation of various traffic control devices, and declaring an emergency.

Mr. Demasi stated the Traffic Committee met and is recommending four changes. The first would prohibit parking on the north side of Woodridge Drive and will also continue the current parking prohibition on the south side from 8:00 a.m. to 4:00 p.m. school days. The second would prohibit parking on the even side of 15th Street between the addresses of 2546 and 2528 from 7:00 a.m. to 4:00 p.m. Monday through Friday so City sanitation and emergency vehicles can negotiate the street easier. The third would prohibit parking on Hudson Drive from 2884 Hudson Drive to Grove Avenue. This area is across from the dance studio, and the overflow parking makes it difficult for someone on Grove to see when attempting to turn onto Hudson. The fourth would prohibit parking on the east side of 20th Street from Chestnut Blvd. to Sackett Ave. between 7:00 p.m. to 7:00 a.m. This will help prevent patrons of businesses on that section of State Road from parking in this area. Mr. Ihasz added that petitions were sent out and the majority of residents were in approval.

Mrs. Hummel moved to bring out B-65 with a favorable recommendation, second by Mr. Iula. Motion passed (3-0).

Meeting adjourned at 6:48 p.m.
