**Discussion**

**Temp. Ord. A-86**

An ordinance authorizing payment of the moral claim of Larry D. Thompson as approved by the Claims Commission, and declaring an emergency.

Mr. Brodzinski stated that this moral claim was heard last week. They had approximately \$10,000 worth of damage. Mr. Christopher was present at the Claims Commission meeting to discuss the claim. He had indicated that from time to time, back-ups occur. They jetted the line and it was fine. The Commission agreed to pay one-half of the claim contingent on the homeowner going through Project Partner. Mrs. Hummel asked whether the City had any other issues in the area of this one. Mr. Brodzinski stated unless there are future claims to come in, this is the only one in the area. It is on Northland.

***Committee recommended bringing out Temp. Ord. A-86.***

Meeting adjourned at 6:47 p.m.
