Discussion

Temp. Ord. B-61

An ordinance authorizing the Director of Public Service to enter into a contract or contracts, according to law, for concrete and masonry repairs to the city-owned parking garage located at 2035 Old Town Loop and known as the “blue” parking deck, and declaring an emergency.

Mr. Demasi stated this would allow the City to perform routine maintenance to the floors, overhead ceiling repairs and also some work on the railings and landings in the stairwells. The project has been bid and will be awarded next Monday. Mr. Walters asked if this was an annual maintenance item. Mr. Demasi stated it is in the five-year capital budget. Last year they did the green deck and the year before they did the red deck. This year it is the blue deck’s turn. The blue deck is the deck across from the post office.

Mr. Mader moved to bring out B-61 with a favorable recommendation, second by Mr. Walters. Motion passed (2-0).

Meeting adjourned at 7:00 p.m.
