Discussion

Mr. James stated the purpose of the Special Committee meeting was to discuss the Mayor's appointments of Terry Mader, Paul Janis and Joe Brodzinski to the Boston Twp. JEDD Board of Directors. He stated this was unique in that all three members are well known. Mayor Robart wanted to make a diverse appearance with his choices. He chose a council person whose ward is near Boston Twp., the Finance Director and Law Director. Sue Truby stated this has been in existence for a couple of years. They have had several meetings with Township Trustees. She added there is also another Board that addresses economic development. She and Mr. Guerra would serve on that Board. Mr. Mader stated he has served on this committee since it came into existence. It has been an enjoyable position. He is looking forward to serving again in the same capacity. Mr. Brodzinski has also been serving on the Board and has found it to be a pleasure working with the Boston Twp. people. They have been discussing a lot of tax issues. He also has regular conversations with the Clerk-Treasurer on issues. Mr. Janis stated, as the newly appointed Law Director, he is delighted to be nominated and will do his best to serve on this Board.

Committee recommended bringing out the appointments.

Meeting adjourned at 6:43 p.m.
