Legislation Considered

Temp. Ord. A-83

Discussion:

Temp. Ord. A-83

An ordinance providing for supplemental appropriations of money for capital expenditures of the City of Cuyahoga Falls from the Community Development Block Grant Fund, and declaring an emergency.

Mrs. Truby stated, in round figures, there is \$490,000 in infrastructure costs from CDGB funds for Portage Crossing. Council approved \$295,000 in 2011 and \$195,000 this year, both for infrastructure costs. Council also approved a contract for GGC in the amount of \$198,000, which leaves a remainder of \$292,933. They are asking to appropriate that amount to infrastructure improvements, which are currently ongoing. Mrs. Snyder commented that this falls in the action plan and remains in the same category it was originally set in.

Mrs. Pyke moved to bring out A-83 with a favorable recommendation, second by Mr. Rubino. Motion passed (3-0).

Meeting adjourned at 6:34 p.m.
