

Cuyahoga Falls City Council
Minutes of the Public & Industrial Improvements Committee Meeting
April 14, 2008

Members: Debbie Ritzinger, Chair
 Mark Ihasz
 Terry Mader

Mrs. Ritzinger called the meeting to order at 6:36 p.m. All members were present.

Legislation Considered
Temp. Ord. A-49

Discussion:

Temp. Ord. A-49

An ordinance authorizing the Director of Public Service to enter into a contract with Kenmore Construction, Inc., to perform emergency repairs to the Gorge Park storm sewer, and declaring an emergency.

Mr. Demasi indicated the City was notified by the Parks about a section of sewer in Gorge Park that was leaking badly. The pipe was originally installed in 1929. Because of the emergency nature, work began a couple of weeks ago. Construction is finishing up and should be completed by the end of the week. Mrs. Ritzinger indicated that the budget sheet shows the repairs costing \$40,000. Mrs. Pyke thanked the Service Department for answering her questions earlier that day. Her questions mostly related to how the leak was found and what work had been done previously.

Committee recommended bringing out Temp. Ord. A-49.

The meeting adjourned at 6:40 p.m.
