

Cuyahoga Falls City Council
Minutes of the Public Improvements Committee Meeting
April 17, 2006

Members: Jerry James, Chair
Debbie Ritzinger
Terry Mader

Mr. James called the meeting to order at 6:43 p.m. All members were present.

The minutes of April 3, 2006 were approved as submitted.

Legislation Considered:

Temp. Ord. A-48

Discussion:

Temp. Ord. A-48

An ordinance authorizing the Director of Public Service to enter into a contract or contracts with an engineering firm or firms to provide professional engineering services for storm and sanitary sewer improvements, and declaring an emergency.

Mr. James read Temp. Ord. A-48 (second reading). Mr. Demasi said allows for the accomplishment of two goals. One is to hire an engineering firm to design required improvements to the storm system as part of the second phase of the Jennings storm sewer project it includes a new storm on Jennings from Oakwood Drive to Elmwood and some storm sewer work near Silver Lake Avenue and 6th Street. In addition, it allows for evaluation of the sanitary sewer system on Silver Lake and 6th, 7th, 8th and 9th.

Mrs. Colavecchio said there have been a number of resident complaints in the area. She asked when the engineer s report would be completed. Mr. Demasi said hopefully the construction drawings will be ready for bidding purposes by late summer or early fall. Mrs. Carr said she would provide Council with any reports or evaluations as they come in.

The committee recommended bringing out Temp. Ord. A-48 for approval.

The meeting adjourned at 6:43 p.m.
