LEGISLATION CONSIDERED

Temp. Ord. No. B-58
Temp. Ord. No. B-59

DISCUSSION

Temp. Ord. No. B-58

Mr. Walters read B-58 (second reading). Mr. Bell stated that the original design contract was capped at \$25,000. After the design was completed, they found some problems with it so they went back to the consultant to ask him to redesign it.

Committee recommended bringing out B-58.

Temp. Ord. No. B-59

Mr. Walters read B-59 (second reading). Mr. Bell stated this was to enter into an agreement with ODOT to replace the Front Street overhang on Route 8. It is currently scheduled for 2005. The State would pay the cost but there are some small things that would be the City's responsibility. It is an 80-20 split. This will be the last one to be done in the near future.

Committee recommended bringing out B-59.

Other Business

Mr. Potts asked Mr. Bell when the State Road bridge was scheduled to start. Mr. Bell indicated it is scheduled for next year but that would be handled by the County.

Meeting adjourned at 6:40 p.m.
