Legislation Considered

Temp. Ord. A-60

Discussion:

Temp. Ord. A-60

An ordinance authorizing the Director of Public Service to enter into a contract or contracts, according to law, for improvements to the storm sewer on Tallmadge Road, and declaring an emergency.

Mr. Demasi stated this was for work on Tallmadge Road between Preston and Clyde Avenue. This section has required several mini repairs. They would replace 2,000 feet. The project has been bid and will be awarded in the next several weeks. It came in a little over budget but they had savings on other projects and also had money in miscellaneous. It will take approximately three weeks. They will wait until school is out before starting and finish before school begins.

Committee recommended bringing out Temp. Ord. A-60.

The meeting adjourned at 8:35 p.m.
