Scheduled legislation (second reading):

A-37	An Ordinance amending the traffic control file by providing for installation of traffic control devices, and declaring an emergency.
------	--

Chief Conley indicates that traffic from east bound on Oakpark and Overbrook needs a yield sign to avoid potential problems. There could be problems from traffic going east on Overbrook to Oakpark therefore this is a proactive approach to avoid an accident.

The committee recommends bringing out Temp. Ord. A-37

A-38	An Ordinance to approve current replacement pages to the Cuyahoga Falls Codified Ordinances, and declaring an emergency.
------	--

Virgil Arrington states this is to update our public safety codified ordinances to comply with state ordinances. This ordinance is to offer a clean up. Mary Ellen indicates there is new language. This is done every year and Virgil needs to update our ordinances to comply.

The committee recommends bringing out Temp. Ord. A-38

The Public Affairs Committee Meeting was adjourned at 7:16 p.m.
