## Minutes of the Public and Industrial Improvements Committee Meeting April 4, 2005

Chair: George Potts; Vice Chair: Mary Ellen Pyke; Member: Don Walters

Mrs. Pyke called the Public and Industrial Improvements Committee to order at 6:49 p.m. All members of Committee were present except for Mr. Potts. The minutes from the 3-21-05 Public and Industrial Improvements Committee meeting were approved as submitted.

### Scheduled legislation:

B-52	An Ordinance authorizing the Director of Public Service to enter into a contract or contracts, with an engineering firm or firms to provide professional engineering service for improvements to the Howe Avenue and Main Street Intersection, and declaring an emergency.
------	--

Joe indicates that he passed out a revised Budget sheet, with environmental studies figures. The total cost is \$64,062. This is to lengthen southbound & westbound lanes. We are getting funding from the state for the project, but this Ordinance is for the engineering portion. We will cap it at \$62,062.00. Kathy asks if this includes Huddleston? This does not include back by the Marhoffer Dealership according to Tony. Kathy would like to know how far back this goes. Tony will research the study done in 2003. In this project, there will be widening of the road. Small changes can be done with striping to improve traffic flow.

*The committee recommends bringing out Temp. Ord. B-52*

### Held legislation:

**The PUBLIC AND INDUSTRIAL IMPROVEMENTS COMMITTEE meeting adjourned at 6:53 p.m.**
