Minutes of the Special Committee Council Meeting

June 28, 2004

CALL TO ORDER:

Ken Barnhart, Chairman

ATTENDANCE:

All Council members were present

Mr. Brodzinski indicates the Mayor requested him to speak on his behalf regarding the Income Tax Board of Review. The Income Tax Board of Review was established to field complaints after they run their course through the Income Tax Division. There is a rule that allows for this committee to hear disagreements and make a decision.

Daniel Edgar has been on the Board since 1989. William Yoho, who can't be hear tonight due to a deployment in Kosovo, still wants to remain on the Board. Bill Lohan approached the Mayor and has offered his services since his recent retirement from Alltel Communications where he was VP of Operations. Mr. Lohan feels since his recent retirement he can give something back to the community and approached the University of Akron along with Mayor Robart. He appreciates this opportunity.

Mr. Barnhart states he will bring out these appointments.
