Temp. Ord. A-155

An ordinance amending the traffic control file by providing for installation of various traffic control devices, and declaring an emergency.

Mr. Tony Demasi, City Engineer, presented Temporary Ordinance A-155 to Council. Upon the recommendation of the Traffic Committee, the Traffic Control File will be amended as follows:

1. Removal of "No Parking" signs on the north side of Falls Ave between 4th and 5th Street, replaced with "No parking: "Drop off and pickup only - driver must remain in car." Signs are posted but need added to the traffic file.
2. On 5th street from Falls Ave to 180 feet North: Removal of "No Parking" signs and replaced with "School Buses Only — no parking or stopping." Signs are posted but need added to the traffic file.

The Chief of Police will be authorized to note in the Traffic Control File the proper legends.

The Mayor will be authorized to cause the installation or removal of the proper signage reflecting the above amendments.

Mr. Mark Wilkerson, 2467 6th Street, Cuyahoga Falls, asked why the residents on 6th Street were not notified of these changes. Mr. Demasi stated that this amendment of the Traffic Control File would only concern residents on the north side of Falls Ave between 4th and 5th Street.

Mr. Miller moved to bring out Temp. Ord. A-155 with a favorable recommendation, second by Mr. Brillhart. Motion passed (3-0).
