- a) Net profit from a business or profession conducted both within and outside of the boundaries of the Municipality shall be considered as having a taxable situs in the Municipality for purposes of municipal income taxation in the same proportion as the average ratio of the following:
- (1) The average original cost of the real property and tangible personal property owned or used by the taxpayer in the business or profession in the Municipality during the taxable period to the average original cost of all of the real and tangible personal property owned or used by the taxpayer in the business or profession during the same period, wherever situated. As used in the preceding sentence, tangible personal or real property shall include property rented or leased by the taxpayer and the value of such property shall be determined by multiplying the annual rental thereon by eight;
 - (2) Wages, salaries, and other compensation paid during the taxable period to individuals employed in the business or profession for services performed in the Municipality to wages, salaries, and other compensation paid during the same period to individuals employed in the business or profession, wherever the individual's services are performed, excluding compensation from which taxes are not required to be withheld under Section 164.11 of this Chapter;
 - (3) Total gross receipts of the business or profession from sales and rentals made and services performed during the taxable period in the Municipality to total gross receipts of the business or profession during the same period from sales, rentals, and services, wherever made or performed.
- b) (1) If the apportionment factors described in Division (a) of this Section do not fairly represent the extent of a taxpayer's business activity in the Municipality, the taxpayer may request, or the Tax Administrator may require, that the taxpayer use, with respect to all or any portion of the income of the taxpayer, an alternative apportionment method involving one or more of the following:
- i. Separate accounting;
 - ii. The exclusion of one or more of the factors;
 - iii. The inclusion of one or more additional factors that would provide for a more fair apportionment of the income of the taxpayer to the Municipality;
 - iv. A modification of one or more of the factors.
- (2) A taxpayer request to use an alternative apportionment method shall be in writing and shall accompany a tax return, timely filed appeal of an assessment, or timely filed amended tax return. The taxpayer may use the requested alternative method unless the Tax Administrator denies the

1165 request in an assessment issued within the period prescribed by Section
1166 164.33 of this Chapter.

1167
1168 (3) The Tax Administrator may require a taxpayer to use an alternative
1169 apportionment method as described in Division (b)(1) of this Section only
1170 by issuing an assessment to the taxpayer within the period prescribed by
1171 Section 164.33 of this Chapter.

1172
1173 (4) Nothing in Division (b) of this Section nullifies or otherwise affects any
1174 alternative apportionment arrangement approved by the Tax
1175 Administrator or otherwise agreed upon by both the Tax Administrator
1176 and taxpayer before January 1, 2016.

1177
1178 c) As used in Division (a)(2) of this Section, "wages, salaries, and other
1179 compensation" includes only wages, salaries, or other compensation paid to an
1180 employee for services performed at any of the following locations:

1181
1182 (1) A location that is owned, controlled, or used by, rented to, or under the
1183 possession of one of the following:

1184
1185 i. The employer;

1186
1187 ii. A vendor, customer, client, or patient of the employer, or a related

1189
1190 iii. A vendor, customer, client, or patient of a person described in
1191 Division (c)(1)(ii) of this Section, or a related member of such a
1192 vendor, customer, client, or patient.

1193
1194 (2) Any location at which a trial, appeal, hearing, investigation, inquiry,
1195 review, court-martial, or similar administrative, judicial, or legislative
1196 matter or proceeding is being conducted, provided that the compensation
1197 is paid for services performed for, or on behalf of, the employer or that the
1198 employee's presence at the location directly or indirectly benefits the
1199 employer;

1200
1201 (3) Any other location, if the Tax Administrator determines that the employer
1202 directed the employee to perform the services at the other location in lieu
1203 of a location described in Division (c)(1) or (2) of this Section solely in order
1204 to avoid or reduce the employer's municipal income tax liability. If the Tax
1205 Administrator makes such a determination, the employer may dispute the
1206 determination by establishing, by a preponderance of the evidence, that
1207 the Tax Administrator's determination was unreasonable.

regardless of where title passes, the property meets any of the following criteria:

- i. The property is shipped to or delivered within the municipal corporation from a stock of goods located within the municipal corporation.
 - ii. The property is delivered within the municipal corporation from a location outside the municipal corporation, provided the taxpayer is regularly engaged through its own employees in the solicitation or promotion of sales within such municipal corporation and the sales result from such solicitation or promotion.
 - iii. The property is shipped from a place within the municipal corporation to purchasers outside the municipal corporation, provided that the taxpayer is not, through its own employees, regularly engaged in the solicitation or promotion of sales at the place where delivery is made.
- (2) Gross receipts from the sale of services shall be situated to the municipal corporation to the extent that such services are performed in the municipal corporation.
 - (3) To the extent included in income, gross receipts from the sale of real property located in the municipal corporation shall be situated to the municipal corporation.
 - (4) To the extent included in income, gross receipts from rents and royalties from real property located in the municipal corporation shall be situated to the municipal corporation.
 - (5) Gross receipts from rents and royalties from tangible personal property shall be situated to the municipal corporation based upon the extent to which the tangible personal property is used in the municipal corporation.
- e) The net profit received by an individual taxpayer from the rental of real estate owned directly by the individual or by a disregarded entity owned by the individual shall be subject to tax only by the municipal corporation in which the property generating the net profit is located and the municipal corporation in which the individual taxpayer that receives the net profit resides. A municipal corporation shall allow such taxpayers to elect to use separate accounting for the purpose of calculating net profit situated under this Division to the municipal corporation in which the property is located. For purposes of the application of any net operating loss realized from the rental of real estate, said loss is to be applied using separate accounting as it relates to those properties within a given municipal taxing jurisdiction. Common or shared expenses relating to rental real estate shall be allocated equally among all rental properties.
- f) (1) Except as provided in Division (f)(2) of this Section, commissions received by a real estate agent or broker relating to the sale, purchase, or lease of real estate shall be situated to the municipal corporation in which the real

1267 estate is located. Net profit reported by the real estate agent or broker shall
1268 be allocated to a municipal corporation based upon the ratio of the
1269 commissions the agent or broker received from the sale, purchase, or lease
1270 of real estate located in the municipal corporation to the commissions
1271 received from the sale, purchase, or lease of real estate everywhere in the
1272 taxable year.

1273
1274 (2) An individual who is a resident of a municipal corporation that imposes a
1275 municipal income tax shall report the individual's net profit from all real
1276 estate activity on the individual's annual tax return for that municipal
1277 corporation. The individual may claim a credit for taxes the individual paid
1278 on such net profit to another municipal corporation to the extent that such
1279 credit is allowed under 164.14 of this Chapter.

1280
1281 g) If, in computing a taxpayer's adjusted federal taxable income, the taxpayer
1282 deducted any amount with respect to a stock option granted to an employee, the
1283 taxpayer shall add the amount that is exempt from taxation to the taxpayer's net
1284 profit that was apportioned to that municipal corporation. The taxpayer will not
1285 be required to add to its net profit that was apportioned to that Municipal
1286 Corporation any amount other than the amount upon which the employee would
1287 be required to pay tax were the amount related to the stock option not exempted
1288 from taxation. This Division applies solely for the purpose of making an
1289 adjustment to the amount of a taxpayer's net profit that was apportioned to a
1290 municipal corporation under this Section.

1291
1292 h) When calculating the ratios described in Division (a) or Division (b) of this Section,
1293 the owner of a disregarded entity shall include in the owner's ratios the property,
1294 payroll, and gross receipts of such disregarded entity.

- d) A taxpayer is required to prepare a consolidated municipal income tax return in the same manner as is required under the United States Department of Treasury regulations that prescribe procedures for the preparation of the consolidated federal income tax return required to be filed by the common parent of the affiliated group of which the taxpayer is a member.
- e) (1) Except as otherwise provided in Divisions (e)(2), (3), and (4) of this Section, corporations that file a consolidated municipal income tax return shall compute adjusted federal taxable income, as defined in Section 165.05(a) of this Chapter, by substituting “consolidated federal taxable income” for “federal taxable income” wherever “federal taxable income” appears in that Division and by substituting “an affiliated group of corporation’s” for “a C corporation’s” wherever “a C corporation’s” appears in that Division.
- (2) No corporation filing a consolidated municipal income tax return shall make any adjustment otherwise required under Division 164.05(a) of this Chapter to the extent that the item of income or deduction otherwise subject to the adjustment has been eliminated or consolidated in the computation of consolidated federal taxable income.
- (3) If the net profit or loss of a pass-through entity having at least eighty per cent of the value of its ownership interest owned or controlled, directly or indirectly, by an affiliated group of corporations is included in that affiliated group's consolidated federal taxable income for a taxable year, the corporation filing a consolidated municipal income tax return shall do one of the following with respect to that pass-through entity's net profit or loss for that taxable year:
- i. Exclude the pass-through entity's net profit or loss from the consolidated federal taxable income of the affiliated group and, for the purpose of making the computations required in Section 164.08 of this Chapter, exclude the property, payroll, and gross receipts of the pass-through entity in the computation of the affiliated group's net profit sitused to a municipal corporation. If the entity's net profit or loss is so excluded, the entity shall be subject to taxation as a separate taxpayer on the basis of the entity's net profits that would otherwise be included in the consolidated federal taxable income of the affiliated group.
 - ii. Include the pass-through entity's net profit or loss in the consolidated federal taxable income of the affiliated group and, for the purpose of making the computations required in Section 164.08 of this Chapter, include the property, payroll, and gross receipts of the pass-through entity in the computation of the affiliated group's net profit sitused to a municipal corporation. If the entity's net profit or loss is so included, the entity shall not be subject to taxation as a separate taxpayer on the basis of the entity's net profits that are included in the consolidated federal taxable income of the affiliated group. The entity shall be subject to taxation as a separate taxpayer on that portion of the entity's net profit or loss not included in the

1418 consolidated federal taxable income of the affiliated groups and
1419 sitused to municipal corporation.

1420
1421 (4) If the net profit or loss of a pass-through entity having less than eighty per
1422 cent of the value of its ownership interest owned or controlled, directly or
1423 indirectly, by an affiliated group of corporations is included in that affiliated
1424 group's consolidated federal taxable income for a taxable year, all of the
1425 following shall apply:

1426
1427 i. The corporation filing the consolidated municipal income tax return
1428 shall exclude the pass-through entity's net profit or loss from the
1429 consolidated federal taxable income of the affiliated group and, for
1430 the purposes of making the computations required in Section
1431 164.08 of this Chapter, exclude the property, payroll, and gross
1432 receipts of the pass-through entity in the computation of the
1433 affiliated group's net profit sitused to a municipal corporation;

1434
1435 ii. The pass-through entity shall be subject to municipal income
1436 taxation as a separate taxpayer in accordance with this Chapter on
1437 the basis of the entity's net profits that would otherwise be included
1438 in the consolidated federal taxable income of the affiliated group.

1439
1440 (5) Corporations filing a consolidated municipal income tax return shall make
1441 the computations required under Section 164.08 of this Chapter by
1442 substituting "consolidated federal taxable income attributable to" for "net
1443 profit from" wherever "net profit from" appears in that Section and by
1444 substituting "affiliated group of corporations" for "taxpayer" wherever
1445 "taxpayer" appears in that Section.

1446
1447 (6) Each corporation filing a consolidated municipal income tax return is
1448 jointly and severally liable for any tax, interest, penalties, fines, charges, or
1449 other amounts imposed by the municipality in accordance with this
1450 Chapter on the corporation, an affiliated group of which the corporation is
1451 a member for any portion of the taxable year, or any one or more members
1452 of such an affiliated group.

1453
1454 (7) Corporations and their affiliates that made an election or entered into an
1455 agreement with a municipal corporation before January 1, 2016, to file a
1456 consolidated or combined tax return with such municipal corporation may
1457 continue to file consolidated or combined tax returns in accordance with
1458 such election or agreement for taxable years beginning on and after
1459 January 1, 2016.

1464 business in the Municipality shall withhold from each employee an amount
1465 equal to the qualifying wages of the employee earned by the employee in
1466 the Municipality multiplied by the applicable rate of the Municipality's
1467 income tax, except for qualifying wages for which withholding is not

An employer, agent of an employer, or other payer shall deduct and withhold the tax from qualifying wages on the date that the employer, agent, or other payer directly, indirectly, or constructively pays the qualifying wages to, or credits the qualifying wages to the benefit of, the employee.

- (2) In addition to withholding the amounts required under Division (a)(1) of this Section, an employer, agent of an employer, or other payer may also deduct and withhold, on the request of an employee, taxes for the municipal corporation in which the employee is a resident.

- b) An employer, agent of an employer, or other payer shall remit to the Tax Administrator of the Municipality the greater of the income taxes deducted and withheld or the income taxes required to be deducted and withheld by the employer, agent, or other payer, along with any report required by the Tax Administrator to accompany such payment, according to the following schedule:
 - (1) Any employer, agent of an employer, or other payer not required to make payments under Division (b)(2) of this Section of taxes required to be deducted and withheld shall make quarterly payments to the Municipality not later than the fifteenth day of the month following the end of each calendar quarter.
 - (2) Taxes required to be deducted and withheld shall be remitted monthly to the Municipality if the total taxes deducted and withheld or required to be deducted and withheld by the employer, agent, or other payer in the preceding calendar year exceeded two thousand three hundred ninety-nine dollars, or if the total amount of taxes deducted and withheld or required to be deducted and withheld on behalf of the Municipality in any month of the preceding calendar quarter exceeded two hundred dollars. Payment under Division (b)(2) of this Section must be received by the Municipality not later than fifteen days after the last day of each month.

- c) An employer, agent of an employer, or other payer shall make and file a return showing the amount of tax withheld by the employer, agent, or other payer from the qualifying wages of each employee and remitted to the Tax Administrator.

- d) An employer, agent of an employer, or other payer is not required to withhold municipal income tax with respect to an individual's disqualifying disposition of an incentive stock option if, at the time of the disqualifying disposition, the individual is not an employee of either the corporation with respect to whose stock the option has been issued or of such corporation's successor entity.

- e)
 - (1) An employee is not relieved from liability for a tax by the failure of the employer, agent of an employer, or other payer to withhold the tax as required under this Chapter or by the employer's, agent's, or other payer's exemption from the requirement to withhold the tax.
 - (2) The failure of an employer, agent of an employer, or other payer to remit to the Municipality the tax withheld relieves the employee from liability for

1519 that tax unless the employee colluded with the employer, agent, or other
1520 payer in connection with the failure to remit the tax withheld.

1521
1522 f) Compensation deferred before June 26, 2003, is not subject to any municipal
1523 corporation income tax or municipal income tax withholding requirement to the
1524 extent the deferred compensation does not constitute qualifying wages at the time
1525 the deferred compensation is paid or distributed.

1526
1527 g) Each employer, agent of an employer, or other payer required to withhold taxes
1528 is liable for the payment of that amount required to be withheld, whether or not
1529 such taxes have been withheld. The taxes withheld shall be deemed to be held in
1530 trust for the Municipality until such time as the withheld amount is remitted to
1531 the Municipality.

1532
1533 h) On or before the last day of February of each year, every employer is required to
1534 file a Withholding Reconciliation Return with the Tax Administrator which must
1535 include:

1536
1537 (1) A list of the names, addresses, and social security numbers of all employees
1538 from whom qualifying wage tax was withheld or should have been withheld
1539 for the Municipality during the preceding calendar year.

1540
1541 (2) The amount of tax withheld, if any, from each such employee's qualifying
1542 wage, the total amount of qualifying wages paid to such employee during
1543 the preceding calendar year.

1544
1545 (3) The name of every other municipal corporation for which tax was withheld
1546 or should have been withheld from such employee during the preceding
1547 calendar year.

1548
1549 (4) Any other information required for federal income tax reporting purposes on
1550 Internal Revenue Service form W-2 or its equivalent form with respect to
1551 such employee, and other information as may be required by the Tax
1552 Administrator.

1553
1554 i) The officer or the employee of the employer, agent of an employer, or other payer
1555 with control or direct supervision of or charged with the responsibility for
1556 withholding the tax or filing the reports and making payments as required by this
1557 Section, shall be personally liable for a failure to file a report or pay the tax due
1558 as required by this Section. The dissolution of an employer, agent of an employer,
1559 or other payer does not discharge the officer's or employee's liability for failure of
1560 the employer, agent of an employer, or other payer to file returns or pay any tax
1561 due.

1562
1563 j) An employer is required to deduct and withhold municipal income tax on tips
1564 and gratuities received by the employer's employees and constituting qualifying
1565 wages only to the extent that the tips and gratuities are under the employer's
1566 control. For the purposes of this Division, a tip or gratuity is under the employer's
1567 control if the tip or gratuity is paid by the customer to the employer for
1568 subsequent remittance to the employee, or if the customer pays the tip or gratuity
1569 by credit card, debit card, or other electronic means.

- a) The following terms as used in this Section:
 - (1) "Employer" includes a person that is a related member to or of an employer.

 - (7) "Principal place of work" means the fixed location to which an employee is required to report for employment duties on a regular and ordinary basis. If the employee is not required to report for employment duties on a regular and ordinary basis to a fixed location, "principal place of work" means the worksite location in this state to which the employee is required to report for employment duties on a regular and ordinary basis. If the employee is not required to report for employment duties on a regular and ordinary basis to a fixed location or worksite location, "principal place of work" means the location in this state at which the employee spends the greatest number of days in a calendar year performing services for or on behalf of the employee's employer.
 - (8) "Presumed worksite location" means a construction site or other temporary worksite in this state at which the employer provides services that can reasonably be expected by the employer to last more than twenty days in a calendar year. Services can "reasonably be expected by the employer to last more than twenty days" if either of the following applies at the time the services commence:

- i. The nature of the services are such that it will require more than twenty days of actual services to complete the services;
- ii. The agreement between the employer and its customer to perform services at a location requires the employer to perform actual services at the location for more than twenty days.

If there is not a single municipal corporation in which the employee spent the “greatest number of days in a calendar year” performing services for or on behalf of the employer, but instead there are two or more municipal corporations in which the employee spent an identical number of days that is greater than the number of days the employee spent in any other municipal corporation, the employer must allocate any of the employee's qualifying wages subject to Division (b)(1)(i) of this Section among those two or more municipal corporations. The allocation shall be made using any fair and reasonable method, including, but not limited to, an equal allocation among such municipal corporations or an allocation based upon the time spent or sales made by the employee in each such municipal corporation. A municipal corporation to which qualifying wages are allocated under this Division shall be the employee's “principal place of work” with respect to those qualifying wages for the purposes of this Section.

For the purposes of this Division, the location at which an employee spends a particular day shall be deemed in accordance with Division (b)(2) of this Section, except that “location” shall be substituted for “municipal corporation” wherever “municipal corporation” appears in that Division.

- b) (1) Subject to Divisions (c), (e), (f), and (g) of this Section, an employer is not required to withhold municipal income tax on qualifying wages paid to an employee for the performance of personal services in a municipal corporation that imposes such a tax if the employee performed such services in the municipal corporation on twenty or fewer days in a calendar year, unless one of the following conditions applies:
 - i. The employee's principal place of work is located in the Municipality.
 - ii. The employee performed services at one or more presumed worksite locations in the Municipality.
 - iii. The employee is a resident of the Municipality and has requested that the employer withhold tax from the employee's qualifying wages as provided in Section 164.10 of this Chapter.
 - iv. The employee is a professional athlete, professional entertainer, or public figure, and the qualifying wages are paid for the performance of services in the employee's capacity as a professional athlete, professional entertainer, or public figure within the Municipality.
- (2) For the purposes of Division (b)(1) of this Section, an employee shall be considered to have spent a day performing services in a municipal

1672 corporation only if the employee spent more time performing services for
1673 or on behalf of the employer in that municipal corporation than in any
1674 other municipal corporation on that day. For the purposes of determining
1675 the amount of time an employee spent in a particular location, the time
1676 spent performing one or more of the following activities shall be considered
1677 to have been spent at the employee's principal place of work:
1678

- 1679 i. Traveling to the location at which the employee will first perform
1680 services for the employer for the day;
- 1681
- 1682 ii. Traveling from a location at which the employee was performing
1683 services for the employer to any other location;
- 1684
- 1685 iii. Traveling from any location to another location in order to pick up
1686 or load, for the purpose of transportation or delivery, property that
1687 has been purchased, sold, assembled, fabricated, repaired,
1688 refurbished, processed, remanufactured, or improved by the
1689 employee's employer;
- 1690
- 1691 iv. Transporting or delivering property described in Division (b)(2)(iii) of
1692 this Section, provided that, upon delivery of the property, the
1693 employee does not temporarily or permanently affix the property to
1694 real estate owned, used, or controlled by a person other than the
1695 employee's employer;
- 1696
- 1697 v. Traveling from the location at which the employee makes the
1698 employee's final delivery or pick-up for the day to either the
1699 employee's principal place of work or a location at which the
1700 employee will not perform services for the employer.
1701

1702 c) If the principal place of work of an employee is located in a municipal corporation
1703 that imposes an income tax in accordance with this Chapter, the exception from
1704 withholding requirements described in Division (b)(1) of this Section shall apply
1705 only if, with respect to the employee's qualifying wages described in that Division,
1706 the employer withholds and remits tax on such qualifying wages to the municipal
1707 corporation in which the employee's principal place of work is located.
1708

1709 d) (1) Except as provided in Division (d)(2) of this Section, if, during a calendar
1710 year, the number of days an employee spends performing personal services
1711 in a municipal corporation exceeds the twenty-day threshold described in
1712 Division (b)(1) of this Section, the employer shall withhold and remit tax to
1713 that municipal corporation for any subsequent days in that calendar year
1714 on which the employer pays qualifying wages to the employee for personal
1715 services performed in that municipal corporation.
1716

1717 (2) An employer required to begin withholding tax for a municipal corporation
1718 under Division (d)(1) of this Section may elect to withhold tax for that
1719 municipal corporation for the first twenty days on which the employer paid
1720 qualifying wages to the employee for personal services performed in that
1721 municipal corporation.
1722

1723 (3) If an employer makes the election described in Division (d)(2) of this
1724 Section, the taxes withheld and paid by such an employer during those
1725 first twenty days to the municipal corporation in which the employee's
1726 principal place of work is located are refundable to the employee.
1727

1728 e) Without regard to the number of days in a calendar year on which an employee
1729 performs personal services in any municipal corporation, an employer must
1730 withhold municipal income tax on all of the employee's qualifying wages for a
1731 taxable year and remit that tax only to the municipal corporation in which the
1732 employer's fixed location is located if the employer qualifies as a small employer
1733 as defined in Section 164.05 of this Chapter. To determine whether an employer
1734 qualifies as a small employer for a taxable year, the Tax Administrator may
1735 require the employer to provide the Tax Administrator with the employer's federal
1736 income tax return for the preceding taxable year.
1737

1738 f) Divisions (b)(1) and (d) of this Section shall not apply to the extent that a Tax
1739 Administrator and an employer enter into an agreement regarding the manner in
1740 which the employer shall comply with the requirements of Section 164.10 of this
1741 Chapter.
1742

1743 **164.12 DECLARATION OF ESTIMATED TAX.**
1744

1745 a) As used in this Section:
1746

1747 (1) "Estimated taxes" means the amount that the taxpayer reasonably
1748 estimates to be the taxpayer's tax liability for a municipal corporation's
1749 income tax for the current taxable year.
1750

1751 (2) "Tax liability" means the total taxes due to a municipal corporation for the
1752 taxable year, after allowing any credit to which the taxpayer is entitled,
1753 and after applying any estimated tax payment, withholding payment, or
1754 credit from another taxable year.
1755

1756 b) (1) Every taxpayer shall make a declaration of estimated taxes for the current
1757 taxable year, on the form prescribed by the Tax Administrator, if the
1758 amount payable as estimated taxes is at least two hundred dollars. For the
1759 purposes of this Section:
1760

1761 i. Taxes withheld from qualifying wages shall be considered as paid to
1762 the municipal corporation for which the taxes were withheld in
1763 equal amounts on each payment date. If the taxpayer establishes
1764 the dates on which all amounts were actually withheld, the
1765 amounts withheld shall be considered as paid on the dates on which
1766 the amounts were actually withheld.
1767

1768 ii. An overpayment of tax applied as a credit to a subsequent taxable
1769 year is deemed to be paid on the date of the postmark stamped on
1770 the cover in which the payment is mailed or, if the payment is made
1771 by electronic funds transfer, the date the payment is submitted. As
1772 used in this Division, "date of the postmark" means, in the event

iii. A taxpayer having a taxable year of less than twelve months shall make a declaration under rules prescribed by the Tax Administrator.

(2) Taxpayers filing a joint return are required to file a joint declaration of estimated taxes.

(3) The declaration of estimated taxes shall be filed on or before the date prescribed for the filing of municipal income tax returns under Section 164.13(g) of this Chapter or on or before the fifteenth day of the fourth month of the first taxable year after the taxpayer becomes subject to tax for the first time.

i. On or before the fifteenth day of the fourth month after the beginning of the taxable year, twenty-two and one-half per cent of the tax liability for the taxable year;

ii. On or before the fifteenth day of the sixth month after the beginning of the taxable year, forty-five per cent of the tax liability for the taxable year;

iii. On or before the fifteenth day of the ninth month after the beginning of the taxable year, sixty-seven and one-half per cent of the tax liability for the taxable year;

iv. On or before the fifteenth day of the twelfth month of the taxable year, ninety per cent of the tax liability for the taxable year.

(2) A taxpayer may amend a declaration under rules prescribed by the Tax Administrator. When an amended declaration has been filed, the unpaid balance shown due on the amended declaration shall be paid in equal installments on or before the remaining payment dates. The amended declaration must be filed on the next applicable due date as outlined in (c)(1)(i) through (iv) of this Section.

1824 (3) On or before the fifteenth day of the fourth month of the year following that
1825 for which the declaration or amended declaration was filed, an annual
1826 return shall be filed and any balance which may be due shall be paid with
1827 the return in accordance with Section 164.13 of this Chapter.
1828
1829 (4) An amended declaration is required whenever the taxpayer's estimated tax
1830 liability changes during the taxable year. A change in estimated tax
1831 liability may either increase or decrease the estimated tax liability for the
1832 taxable year.
1833
1834 d) (1) In the case of any underpayment of any portion of a tax liability, penalty
1835 and interest shall be imposed pursuant to Section 164.21 of this Chapter.
1836 However, if the underpayment is due to reasonable cause as described in
1837 Division (e) of this Section penalty and interest will not be imposed. The
1838 amount of the underpayment shall be determined as follows:
1839
1840 i. For the first payment of estimated taxes each year, twenty-two and
1841 one-half per cent of the tax liability, less the amount of taxes paid
1842 by the date prescribed for that payment;
1843
1844 ii. For the second payment of estimated taxes each year, forty-five per
1845 cent of the tax liability, less the amount of taxes paid by the date
1846 prescribed for that payment;
1847
1848 iii. For the third payment of estimated taxes each year, sixty-seven and
1849 one-half per cent of the tax liability, less the amount of taxes paid
1850 by the date prescribed for that payment;
1851
1852 iv. For the fourth payment of estimated taxes each year, ninety per
1853 cent of the tax liability, less the amount of taxes paid by the date
1854 prescribed for that payment.
1855
1856 (2) The period of the underpayment shall run from the day the estimated
1857 payment was required to be made to the date on which the payment is
1858 made. For purposes of this Section, a payment of estimated taxes on or
1859 before any payment date shall be considered a payment of any previous
1860 underpayment only to the extent the payment of estimated taxes exceeds
1861 the amount of the payment presently required to be paid to avoid any
1862 penalty.
1863
1864 e) An underpayment of any portion of tax liability determined under Division (d) of
1865 this Section shall be due to reasonable cause and the penalty imposed by this
1866 Section will not be added to the taxes for the taxable year if any of the following
1867 apply:
1868
1869 (1) The amount of estimated taxes that were paid equals at least ninety per
1870 cent of the tax liability for the current taxable year, determined by
1871 annualizing the income received during the year up to the end of the month
1872 immediately preceding the month in which the payment is due.

- (2) The amount of estimated taxes that were paid equals at least one hundred per cent of the tax liability shown on the return of the taxpayer for the preceding taxable year, provided that the immediately preceding taxable year reflected a period of twelve months and the taxpayer filed a return with the municipal corporation under Section 164.13 of this Chapter for that year.
 - (3) The taxpayer is an individual who resides in the Municipality but was not domiciled there on the first day of January of the calendar year that includes the first day of the taxable year.

 - (2) The Tax Administrator shall accept on behalf of all nonresident individual taxpayers a return filed by an employer, agent of an employer, or other payer located in the Municipality under subsection 164.10(c) of this Chapter when the nonresident individual taxpayer's sole income subject to the tax is the qualifying wages reported by the employer, agent of an employer, or other payer, and no additional tax is due to the Municipality.
 - (3) All resident individual taxpayers, who turn eighteen years of age during a tax year or are older than eighteen, are required to file an annual municipal income tax return with the Municipality, regardless of income or liability.
- b) If an individual is deceased, any return or notice required of that individual must be completed and filed by that decedent's executor, administrator, or other person charged with the property of that decedent.
- c) If an individual is unable to complete and file a return required by the Municipality in accordance with this Chapter, the return required of that individual must be completed and filed by the individual's duly authorized agent, guardian, conservator, fiduciary, or other person charged with the care of the person or property of that individual. Such duly authorized agent, guardian, conservator, fiduciary, or other person charged with the care of the person or property of that individual must provide, with the filing of the return, appropriate documentation to support that they are authorized to file a return or notice on behalf of the taxpayer. This notice shall include any legally binding authorizations, and contact information including name, address, and phone number of the duly authorized agent, guardian, conservator, fiduciary, or other person.

- d) Returns or notices required of an estate or a trust must be completed and filed by the fiduciary of the estate or trust. Such fiduciary shall provide, with the filing of the return, appropriate documentation to support that they are authorized to file a return or notice on behalf of the taxpayer. This notice shall include any legally binding authorizations, and contact information including name, address, and phone number of the fiduciary.
- e) Spouses are permitted to file a joint return.
- f)
 - (1) Each return required to be filed under this Section must contain the signature of the taxpayer or the taxpayer's duly authorized agent and of the person who prepared the return for the taxpayer. The return must also include the taxpayer's social security number or taxpayer identification number. Each return must be verified by a declaration under penalty of perjury.
 - (2) A taxpayer who is an individual is required to include, with each annual return, amended return, or request for refund required under this Section, copies of the following documents: all of the taxpayer's Internal Revenue Service form W-2, "Wage and Tax Statements," including all information reported on the taxpayer's federal W-2, as well as taxable wages reported or withheld for any municipal corporation; the taxpayer's Internal Revenue Service form and, with respect to an amended tax return or refund request, any other documentation necessary to support the refund request or the adjustments made in the amended return. An individual taxpayer who files the annual return required by this Section electronically is not required to provide paper copies of any of the foregoing to the Tax Administrator unless the Tax Administrator requests such copies after the return has been filed.
 - (3) A taxpayer that is not an individual is required to include, with each annual net profit return, amended net profit return, or request for refund required under this Section, copies of the following documents: the taxpayer's Internal Revenue Service form 1041, form 1065, form 1120, form 1120-REIT, form 1120F, or form 1120S, and, with respect to an amended tax return or refund request, any other documentation necessary to support the refund request or the adjustments made in the amended return.
 - (4) A taxpayer that is not an individual and that files an annual net profit return electronically through the Ohio business gateway or in some other manner shall either mail the documents required under this Division to the Tax Administrator at the time of filing or, if electronic submission is available, submit the documents electronically through the Ohio business gateway.
 - (5) After a taxpayer files a tax return, the Tax Administrator shall request, and the taxpayer must provide, any information, statements, or documents required by the Municipality to determine and verify the taxpayer's municipal income tax liability. The requirements imposed

1974 under Division (f) of this Section apply regardless of whether the taxpayer
1975 files on a generic form or on a form prescribed by the Tax Administrator.
1976
1977 (6) Any other documentation, including schedules, other municipal income
1978 tax returns, or other supporting documentation necessary to verify credits,
1979 income, losses, or other pertinent factors on the return shall also be
1980 included to avoid delay in processing, or disallowance by the Tax
1981 Administrator of undocumented credits or losses.
1982
1983 g) (1) Except as otherwise provided in this Chapter, each individual income tax
1984 return required to be filed under this Section shall be completed and filed
1985 as required by the Tax Administrator on or before the date prescribed for
1986 the filing of state individual income tax returns under Division 5747.08(G)
1987 of the Ohio Revised Code. The taxpayer shall complete and file the return
1988 or notice on forms prescribed by the Tax Administrator or on generic
1989 forms, together with remittance made payable to the Municipality
1990
1991 (2) Except as otherwise provided in this Chapter, each annual net profit
1992 income tax return required to be filed under this Section by a taxpayer
1993 that is not an individual shall be completed and filed as required by the
1994 Tax Administrator on or before the fifteenth day of the fourth month
1995 following the end of the taxpayer's taxable year or period. The taxpayer
1996 shall complete and file the return or notice on forms prescribed by the Tax
1997 Administrator or on generic forms, together with remittance made payable
1998 to the Municipality
1999
2000 (3) In the case of individual income tax return required to be filed by an
2001 individual, and net profit income tax return required to be filed by a
2002 taxpayer who is not an individual, no remittance is required if the amount
2003 shown to be due is ten dollars or less.
2004
2005 h) (1) For taxable years beginning on or after January 1, 2016, the Municipality
2006 shall not require a taxpayer to remit tax with respect to net profits if the
2007 amount due is ten dollars or less.
2008
2009 (2) Any taxpayer not required to remit tax to the Municipality for a taxable

2019 before a prescribed date under this Chapter is delivered after that period,
2020 the date of the postmark stamped on the cover in which the report, claim,
2021 statement, or other document, or payment is mailed shall be deemed to be
2022 the date of delivery or the date of payment. "The date of postmark" means,
2023 in the event there is more than one date on the cover, the earliest date
2024 imprinted on the cover by the postal service.

- j) The amounts withheld for the Municipality by an employer, the agent of an employer, or other payer as described in Section 164.10 of this Chapter shall be allowed to the recipient of the compensation as credits against payment of the tax imposed on the recipient unless the amounts withheld were not remitted to the Municipality and the recipient colluded with the employer, agent, or other payer in connection with the failure to remit the amounts withheld.
- k) Each return required by the Municipality to be filed in accordance with this Section shall include a box that the taxpayer may check to authorize another person, including a tax return preparer who prepared the return, to communicate with the Tax Administrator about matters pertaining to the return. The return or instructions accompanying the return shall indicate that by checking the box the taxpayer authorizes the Tax Administrator to contact the preparer or other person concerning questions that arise during the examination or other review of the return. The return or instructions accompanying the return must also indicate that by checking the box the taxpayer authorizes the preparer or other person to provide the Tax Administrator with information that is missing from the return, to contact the Tax Administrator for information about the examination or other review of the return or the status of the taxpayer's refund or payments, and to respond to notices about mathematical errors, offsets, or return preparation that the taxpayer has received from the Tax Administrator and has shown to the preparer or other person. Authorization by the taxpayer of another person to communicate with the Tax Administrator about matters pertaining to the return does not preclude the Tax Administrator from contacting the taxpayer regarding such matters.
- l) The Tax Administrator of the Municipality shall accept for filing a generic form of any income tax return, report, or document required by the Municipality in accordance with this Chapter, provided that the generic form, once completed and filed, contains all of the information required by ordinance and the rules and regulations adopted by the Municipality, and provided that the taxpayer or tax return preparer filing the generic form otherwise complies with the provisions of this Chapter.
- m) When income tax returns, reports, or other documents require the signature of a tax return preparer, the Tax Administrator shall accept a facsimile of such a signature in lieu of a manual signature.
- n)
 - (1) As used in this Division, "worksite location" has the same meaning as in Section 164.11 of this Chapter.
 - (2) A person may notify the Tax Administrator that the person does not expect to be a taxpayer with respect to the municipality for a taxable year if both of the following conditions apply:
 - i. The person was required to file a tax return with the municipality for the immediately preceding taxable year because the person performed services at a worksite location within the municipality, and the person has filed all appropriate and required returns and remitted all applicable income tax and withholding payments as

2076 provided by this Chapter. The Tax Administrator is not required to
2077 accept an affidavit from a taxpayer who has not complied with the
2078 provisions of this Chapter.
2079

2080 ii. The person no longer provides services in the municipality, and
2081 does not expect to be subject to the municipality's income tax for
2082 the taxable year. The person is required to provide the notice in a
2083 signed affidavit that briefly explains the person's circumstances,
2084 including the location of the previous worksite location and the last
2085 date on which the person performed services or made any sales
2086 within the municipality. The affidavit also shall include the
2087 following statement: "The affiant has no plans to perform any
2088 services within the municipality, make any sales in the
2089 municipality, or otherwise become subject to the tax levied by the
2090 municipality during the taxable year. If the affiant does become
2091 subject to the tax levied by the municipality for the taxable year,
2092 the affiant agrees to be considered a taxpayer and to properly
2093 register as a taxpayer with the municipality, if such a registration
2094 is required by the municipality's ordinances or rules and
2095 regulations." The person shall sign the affidavit under penalty of
2096 perjury.
2097

2098 iii. If a person submits an affidavit described in Division (n)(2) of this
2099 Section, the Tax Administrator shall not require the person to file
2100 any tax return for the taxable year unless the Tax Administrator
2101 possesses information that conflicts with the affidavit or if the
2102 circumstances described in the affidavit change, or the taxpayer has
2103 engaged in activity which results in work being performed, services
2104 provided, sales made, or other activity that results in municipal
2105 taxable income reportable to the Municipality in the taxable year. It
2106 shall be the responsibility of the taxpayer to comply with the
2107 provisions of this Chapter relating to the reporting and filing of
2108 municipal taxable income on an annual municipal income tax
2109 return, even if an affidavit has been filed with the Tax Administrator
2110 for the taxable year. Nothing in Division (n) of this Section prohibits
2111 the Tax Administrator from performing an audit of the person.
2112

2113 **164.14 CREDIT FOR TAX PAID TO ANOTHER MUNICIPALITY.**
2114

2115 a) Where a resident of the City of Cuyahoga Falls is subject to a municipal income
2116 tax in another municipal corporation or Joint Economic Development District, he
2117 or she shall not pay a total municipal income tax greater than the tax imposed at
2118 a higher rate.
2119

2120 b) Every individual taxpayer who resides in the City of Cuyahoga Falls, who receives
2121 net profits, salaries, wages, commissions or other personal service compensation
2122 for work done or services performed or rendered outside the City of Cuyahoga
2123 Falls, if it is made to appear that he or she has paid a municipal income tax on
2124 the same income taxable under this Section to another municipal corporation or
2125 Joint Economic Development District, shall be allowed credit against the tax
2126 imposed by this Section of the amount so paid or paid on their behalf to such

2127 other municipality or Joint Economic Development District. The credit shall not
2128 exceed the tax assessed by this Section on such income earned in such other
2129 municipality, municipalities, or Joint Economic Development District or districts
2130 where such tax is paid.

2131
2132
2133 **164.15 REFUNDABLE CREDIT FOR QUALIFYING LOSS.**

2134 a) As used in this Section:

2135 (1) "Nonqualified deferred compensation plan" means a compensation plan
2136 described in Section 3121(v)(2)(C) of the Internal Revenue Code.

2137 (2) i. Except as provided in Division (a)(2)(ii) of this Section, "qualifying
2138 loss" means the excess, if any, of the total amount of compensation
2139 the payment of which is deferred pursuant to a nonqualified
2140 deferred compensation plan over the total amount of income the
2141 taxpayer has recognized for federal income tax purposes for all
2142 taxable years on a cumulative basis as compensation with respect
2143 to the taxpayer's receipt of money and property attributable to
2144 distributions in connection with the nonqualified deferred
2145 compensation plan.

2146 ii. If, for one or more taxable years, the taxpayer has not paid to one
2147 or more municipal corporations income tax imposed on the entire
2148 amount of compensation the payment of which is deferred pursuant
2149 to a nonqualified deferred compensation plan, then the "qualifying
2150 loss" is the product of the amount resulting from the calculation
2151 described in Division (a)(2)(i) of this Section computed without
2152 regard to Division (a)(2)(ii) of this Section and a fraction the
2153 numerator of which is the portion of such compensation on which
2154 the taxpayer has paid income tax to one or more municipal
2155 corporations and the denominator of which is the total amount of
2156 compensation the payment of which is deferred pursuant to a
2157 nonqualified deferred compensation plan.

2158 iii. With respect to a nonqualified deferred compensation plan, the
2159 taxpayer sustains a qualifying loss only in the taxable year in which
2160 the taxpayer receives the final distribution of money and property
2161 pursuant to that nonqualified deferred compensation plan.

2162 (3) "Qualifying tax rate" means the applicable tax rate for the taxable year the
2163 taxpayer paid income tax to a municipal corporation with respect to any
2164 portion of the total amount of compensation the payment of which is
2165 deferred pursuant to a nonqualified deferred compensation plan. If
2166 different tax rates applied for different taxable years, then the "qualifying
2167 tax rate" is a weighted average of those different tax rates. The weighted
2168 average shall be based upon the tax paid to the municipal corporation
2169 each year with respect to the nonqualified deferred compensation plan.

2170 b) (1) Except as provided in Division (d) of this Section, a refundable credit shall

2178 be allowed against the income tax imposed by a municipal corporation for
2179 each qualifying loss sustained by a taxpayer during the taxable year. The
2180 amount of the credit shall be equal to the product of the qualifying loss
2181 and the qualifying tax rate.

2182
2183 (2) A taxpayer shall claim the credit allowed under this Section from each
2184 municipal corporation to which the taxpayer paid municipal income tax
2185 with respect to the nonqualified deferred compensation plan in one or more
2186 taxable years.

2187
2188 (3) If a taxpayer has paid tax to more than one municipal corporation with
2189 respect to the nonqualified deferred compensation plan, the amount of the
2190 credit that a taxpayer may claim from each municipal corporation shall be
2191 calculated on the basis of each municipal corporation's proportionate
2192 share of the total municipal corporation income tax paid by the taxpayer
2193 to all municipal corporations with respect to the nonqualified deferred
2194 compensation plan.

2195
2196 (4) In no case shall the amount of the credit allowed under this Section exceed
2197 the cumulative income tax that a taxpayer has paid to a municipal
2198 corporation for all taxable years with respect to the nonqualified deferred
2199 compensation plan.

2200
2201 c) (1) For purposes of this Section, municipal corporation income tax that has
2202 been withheld with respect to a nonqualified deferred compensation plan
2203 shall be considered to have been paid by the taxpayer with respect to the
2204 nonqualified deferred compensation plan.

2205
2206 (2) Any municipal income tax that has been refunded or otherwise credited
2207 for the benefit of the taxpayer with respect to a nonqualified deferred
2208 compensation plan shall not be considered to have been paid to the
2209 municipal corporation by the taxpayer.

2210
2211 d) The credit allowed under this Section is allowed only to the extent the taxpayer's
2212 qualifying loss is attributable to:

2213
2214 (1) The insolvency or bankruptcy of the employer who had established the
2215 nonqualified deferred compensation plan; or

2216
2217 (2) The employee's failure or inability to satisfy all of the employer's terms and
2218 conditions necessary to receive the nonqualified deferred compensation.

2219
2220

2221 **164.16 CREDIT FOR TAX BEYOND STATUTE FOR OBTAINING REFUND.**

2222
2223 a) Income tax that has been deposited or paid to the Municipality, but should have
2224 been deposited or paid to another municipal corporation, is allowable by the
2225 Municipality as a refund, but is subject to the three-year limitation on refunds
2226 as provided in Section 164.19 of this Chapter.

2227

- 2228 b) Income tax that should have been deposited or paid to the Municipality, but was
2229 deposited or paid to another municipal corporation, shall be subject to collection
2230 and recovery by the Municipality. To the extent a refund of such tax or
2231 withholding is barred by the limitation on refunds as provided in Section 164.19,
2232 the Municipality will allow a non-refundable credit equal to the tax or withholding
2233 paid to the other municipality against the income tax the Municipality claims is
2234 due. If the Municipality's tax rate is higher, the tax representing the net difference
2235 of the tax rates is also subject to collection by the Municipality, along with any
2236 penalty and interest accruing during the period of nonpayment.
2237
- 2238 c) No carryforward of credit will be permitted when the overpayment is beyond the
2239 three-year limitation for refunding of same as provided in Section 164.19 of this
2240 Chapter.
2241

2242
2243 **164.17 EXTENSION OF TIME TO FILE.**
2244

- 2245 a) Any taxpayer that has duly requested an automatic six-month extension for filing
2246 the taxpayer's federal income tax return will automatically receive an extension
2247 for the filing of a municipal income tax return. The extended due date of the
2248 municipal income tax return shall be the fifteenth day of the tenth month after
2249 the last day of the taxable year to which the return relates.
2250
- 2251 b) Any taxpayer that qualifies for an automatic federal extension for a period other
2252 than six-months for filing the taxpayer's federal income tax return will
2253 automatically receive an extension for the filing of a municipal income tax return.
2254 The extended due date of the municipal income tax return shall be the same as
2255 that of the extended federal income tax return.
2256
- 2257 c) A taxpayer that has not requested or received a six-month extension for filing the
2258 taxpayer's federal income tax return may submit a written request that the Tax
2259 Administrator grant the taxpayer a six-month extension of the date for filing the
2260 taxpayer's municipal income tax return. If the request is received by the Tax
2261 Administrator on or before the date the municipal income tax return is due, the
2262 Tax Administrator must grant the taxpayer's requested extension.
2263
- 2264 d) An extension of time to file under this Chapter is not an extension of time to pay
2265 any tax due.
2266
- 2267 e) If the State Tax Commissioner extends for all taxpayers the date for filing state
2268 income tax returns under Section 5747.08(G) of the Ohio Revised Code, a
2269 taxpayer shall automatically receive an extension for the filing of a municipal
2270 income tax return. The extended due date of the municipal income tax return
2271 shall be the same as the extended due date of the state income tax return.
2272

2273
2274 **164.18 AMENDED RETURNS.**
2275

- 2276 a) (1) A taxpayer shall file an amended return with the Tax Administrator in such
2277 form as the Tax Administrator requires if any of the facts, figures,
2278 computations, or attachments required in the taxpayer's annual return to

2279 determine the tax due levied by the Municipality in accordance with this
2280 Chapter must be altered.
2281
2282 (2) Within sixty days after the final determination of any federal or state tax
2283 liability affecting the taxpayer's municipal tax liability, that taxpayer shall
2284 make and file an amended municipal return showing income subject to
2285 the municipal income tax based upon such final determination of federal
2286 or state tax liability, and pay any additional municipal income tax shown
2287 due thereon or make a claim for refund of any overpayment, unless the
2288 tax or overpayment is ten dollars or less.
2289
2290 (3) If a taxpayer who is otherwise permitted to do so under this Chapter or
2291 under Chapter 718 of the Ohio Revised Code intends to file an amended
2292 consolidated municipal income tax return, or to amend its type of return
2293 from a separate return to a consolidated return, based on the taxpayer's
2294 consolidated federal income tax return, the taxpayer shall notify the Tax
2295 Administrator before filing the amended return, following the provisions of
2296 Section 164.09 of this Chapter.
2297
2298 b) (1) In the case of an underpayment, the amended return shall be
2299 accompanied by payment of any combined additional tax due together with
2300 any penalty and interest thereon. If the combined tax shown to be due is
2301 ten dollars or less, such amount need not accompany the amended return.
2302 Except as provided under Division (b)(2) of this Section, the amended
2303 return shall not reopen those facts, figures, computations, or attachments
2304 from a previously filed return that are not affected, either directly or
2305 indirectly, by the adjustment to the taxpayer's federal or state income tax
2306 return unless the applicable statute of limitations for civil actions or
2307 prosecutions under Section 164.33 of this Chapter has not expired for a
2308 previously filed return.
2309
2310 (2) The additional tax to be paid shall not exceed the amount of tax that would
2311 be due if all facts, figures, computations, and attachments were reopened.
2312
2313 c) (1) In the case of an overpayment, a request for refund may be filed under this
2314 Division within the period prescribed by Section 164.19(b)(1) for filing the
2315 amended return even if it is filed beyond the period prescribed in that
2316 Division if it otherwise conforms to the requirements of that Division. If
2317 the amount of the refund is ten dollars or less, no refund need be paid by
2318 the Municipality to the taxpayer. Except as set forth in Division (c)(2) of
2319 this Section, a request filed under this Division shall claim refund of
2320 overpayments resulting from alterations to only those facts, figures,
2321 computations, or attachments required in the taxpayer's annual return
2322 that are affected, either directly or indirectly, by the adjustment to the
2323 taxpayer's federal or state income tax return unless it is also filed within
2324 the time prescribed in Section 164.19 of this Chapter. Except as set forth
2325 in Division (c)(2) of this Section, the request shall not reopen those facts,
2326 figures, computations, or attachments that are not affected, either directly
2327 or indirectly, by the adjustment to the taxpayer's federal or state income
2328 tax return.
2329

2330 (2) The amount to be refunded shall not exceed the amount of refund that
2331 would be due if all facts, figures, computations, and attachments were
2332 reopened.
2333

2334 **164.19 REFUNDS.**
2335

2336 a) Upon receipt of a request for a refund, the Tax Administrator of the Municipality,
2337 in accordance with this Section, shall refund to employers, agents of employers,
2338 other payers, or taxpayers, with respect to any income or withholding tax levied
2339 by the Municipality:
2340

2341 (1) Overpayments of more than ten dollars;
2342

2343 (2) Amounts paid erroneously if the refund requested exceeds ten dollars.
2344

2345 b) (1) Except as otherwise provided in this Chapter, returns setting forth a
2346 request for refund shall be filed with the Tax Administrator, within three
2347 years after the tax was due or paid, whichever is later. Any documentation
2348 that substantiates the taxpayer's claim for a refund must be included with
2349 the return filing. Failure to remit all documentation, including schedules,
2350 other municipal income tax returns, or other supporting documentation
2351 necessary to verify credits, income, losses or other pertinent factors on the
2352 return will cause delay in processing, and / or disallowance of
2353 undocumented credits or losses.
2354

2355 (2) On filing of the refund request, the Tax Administrator shall determine the
2356 amount of refund due and certify such amount to the Finance Director for
2357 payment. Except as provided in Division (b)(3) of this Section, the Tax
2358 Administrator shall issue an assessment to any taxpayer whose request
2359 for refund is fully or partially denied. The assessment shall state the
2360 amount of the refund that was denied, the reasons for the denial, and
2361 instructions for appealing the assessment.
2362

2363 (3) If the Tax Administrator denies in whole or in part a refund request
2364 included within the taxpayer's originally filed annual income tax return,
2365 the Tax Administrator shall notify the taxpayer, in writing, of the amount
2366 of the refund that was denied, the reasons for the denial, and instructions
2367 for requesting an assessment that may be appealed under Section 164.32
2368 of this Chapter.
2369

2370 c) A request for a refund that is received after the last day for filing specified in
2371 Division (b) of this Section shall be considered to have been filed in a timely
2372 manner if any of the following situations exist:
2373

2374 (1) The request is delivered by the postal service, and the earliest postal
2375 service postmark on the cover in which the request is enclosed is not later
2376 than the last day for filing the request.
2377

2378 (2) The request is delivered by the postal service, the only postmark on the
2379 cover in which the request is enclosed was affixed by a private postal

meter, the date of that postmark is not later than the last day for filing the request, and the request is received within seven days of such last day.

- (3) The request is delivered by the postal service, no postmark date was affixed to the cover in which the request is enclosed or the date of the postmark so affixed is not legible, and the request is received within seven days of the last day for making the request.

- d) Interest shall be allowed and paid on any overpayment by a taxpayer of any municipal income tax obligation from the date of the overpayment until the date of the refund of the overpayment, except that if any overpayment is refunded within ninety days after the final filing date of the annual return or ninety days after the completed return is filed, whichever is later, no interest shall be allowed on the refund. For the purpose of computing the payment of interest on amounts overpaid, no amount of tax for any taxable year shall be considered to have been paid before the date on which the return on which the tax is reported is due, without regard to any extension of time for filing that return. Interest shall be paid at the interest rate described in Section 164.21(a)(4) of this Chapter.

- e) As used in this Section, "withholding tax" has the same meaning as in Section 164.21 of this Chapter.

164.20 DOMICILE.

- a) As used in this Section:

- (1) "Domicile" means the true, fixed and permanent home of the taxpayer to which whenever absent, the taxpayer intends to return. Domicile differs from residency. Although a person may have multiple residences, a person can have only one domicile.

- (2) An individual is presumed to be domiciled in the Municipality for all or part of a taxable year if the individual was domiciled in the Municipality on the last day of the immediately preceding taxable year or if the Tax Administrator reasonably concludes that the individual is domiciled in the Municipality for all or part of the taxable year.

- (3) An individual may rebut the presumption of domicile described in Division (a)(1) of this Section if the individual establishes by a preponderance of the evidence that the individual was not domiciled in the Municipality for all or part of the taxable year.

- b) For the purpose of determining whether an individual is domiciled in the Municipality for all or part of a taxable year, factors that may be considered include, but are not limited to, the following:

- (1) The individual's domicile in other taxable years;

- (2) The location at which the individual is registered to vote;

- (5) The location and value of abodes owned or leased by the individual;
- (6) Declarations, written or oral, made by the individual regarding the individual's residency;

For the purposes of this Division, an individual has one "contact period" with the Municipality if the individual is away overnight from the individual's abode located outside of the Municipality and while away overnight from that abode spends at least some portion, however minimal, of each of two consecutive days in the Municipality. For purposes of this Section, the State's contact period test or bright-line test and resulting determination have no bearing on municipal residency or domicile.

164.21 PENALTY, INTEREST, FEES, AND CHARGES.

a) As used in this Section:

- (1) "Applicable law" means this Chapter, ordinances, codes, directives, instructions, and rules and regulations adopted by the Municipality provided such ordinances, codes, directives, instructions, and rules and regulations impose or directly or indirectly address the levy, payment, remittance, or filing requirements of a municipal income tax.

- (3) "Income tax," "estimated income tax," and "withholding tax" mean any income tax, estimated income tax, and withholding tax imposed by a municipal corporation pursuant to applicable law, including at any time before January 1, 2016.

2482 per cent. The rate shall apply for the calendar year next following the July
2483 of the year in which the federal short-term rate is determined in
2484 accordance with Division (a)(2) of this Section.
2485

2486 (5) "Return" includes any tax return, report, reconciliation, schedule, and
2487 other document required to be filed with the Municipality by a taxpayer,
2488 employer, any agent of the employer, or any other payer pursuant to
2489 applicable law, including at any time before January 1, 2016.
2490

2491 (6) "Unpaid estimated income tax" means estimated income tax due but not
2492 paid by the date the tax is required to be paid under applicable law.
2493

2494 (7) "Unpaid income tax" means income tax due but not paid by the date the
2495 income tax is required to be paid under applicable law.
2496

2497 (8) "Unpaid withholding tax" means withholding tax due but not paid by the
2498 date the withholding tax is required to be paid under applicable law.
2499

2500 (9) "Withholding tax" includes amounts an employer, any agent of an
2501 employer, or any other payer did not withhold in whole or in part from an
2502 employee's qualifying wages, but that, under applicable law, the employer,
2503 agent, or other payer is required to withhold from an employee's qualifying
2504 wages.
2505

2506 b) (1) This Section applies to the following:
2507

2508 i. Any return required to be filed under applicable law for taxable years
2509 beginning on or after January 1, 2016;
2510

2511 ii. Income tax, estimated income tax, and withholding tax required to be
2512 paid or remitted to the Municipality on or after January 1, 2016 for
2513 taxable years beginning on or after January 1, 2016
2514

2515 (2) This Section does not apply to returns required to be filed or payments
2516 required to be made before January 1, 2016, regardless of the filing or
2517 payment date. Returns required to be filed or payments required to be made
2518 before January 1, 2016, but filed or paid after that date will be subject to
2519 the ordinances and rules and regulations, as adopted from time to time
2520 before January 1, 2016.
2521

2522 c) The Municipality shall impose on a taxpayer, employer, agent of the employer,
2523 and any other payer, and will attempt to collect, the interest amounts and
2524 penalties prescribed in this Section when the taxpayer, employer, agent of the
2525 employer, or any other payer for any reason fails, in whole or in part, to make to
2526 the Municipality timely and full payment or remittance of income tax, estimated
2527 income tax, or withholding tax or to file timely with the Municipality any return
2528 required to be filed.
2529

2530 (1) Interest shall be imposed at the rate defined as "interest rate as described
2531 in Division (a) of this Section", per annum, on all unpaid income tax,

2532 unpaid estimated income tax, and unpaid withholding tax. This imposition
2533 of interest shall be assessed per month, or fraction of a month.

2534
2535 (2) With respect to unpaid income tax and unpaid estimated income tax, a
2536 penalty equal to fifteen percent of the amount not timely paid shall be
2537 imposed.

2538
2539 (3) With respect to any unpaid withholding tax, a penalty equal to fifty percent
2540 of the amount not timely paid shall be imposed.

2541
2542 (4) With respect to returns other than estimated income tax returns, the
2543 Municipality shall impose a monthly penalty of twenty-five dollars for
2544 failure to timely file each return, or any fraction of month thereof, during
2545 which the return remains unfiled regardless of the liability shown thereon.
2546 The penalty shall not exceed a total of one hundred fifty dollars in assessed
2547 penalty for each failure to timely file a return.

2548

2556 Administrator deems such abatement or partial abatement to be appropriate.
2557 Such abatement or partial abatement shall be properly documented and
2558 maintained on the record of the taxpayer who received benefit of such abatement
2559 or partial abatement.

2560
2561 f) The Municipality may impose on the taxpayer, employer, any agent of the

2565 **164.22 AUDIT.**

2566
2567 a) At or before the commencement of an audit, as defined in Section 164.05(c) of
2568 this Chapter, the Tax Administrator shall provide to the taxpayer a written
2569 description of the roles of the Tax Administrator and of the taxpayer during an
2570 audit and a statement of the taxpayer's rights, including any right to obtain a
2571 refund of an overpayment of tax. At or before the commencement of an audit, the
2572 Tax Administrator shall inform the taxpayer when the audit is considered to have
2573 commenced.

2574
2575 b) Except in cases involving suspected criminal activity, the Tax Administrator is
2576 required to conduct an audit of a taxpayer during regular business hours and
2577 after providing reasonable notice to the taxpayer. A taxpayer who is unable to
2578 comply with a proposed time for an audit because the proposed time would cause
2579 inconvenience or hardship must offer reasonable alternative dates for the audit.

2580
2581 c) At all stages of an audit by the Tax Administrator, a taxpayer is entitled to be
2582 assisted or represented by an attorney, accountant, bookkeeper, or other tax

2583 practitioner. The Tax Administrator shall prescribe a form by which a taxpayer
2584 may designate such a person to assist or represent the taxpayer in the conduct
2585 of any proceedings resulting from actions by the Tax Administrator. If a taxpayer
2586 has not submitted such a form, the Tax Administrator may accept other evidence,
2587 as the Tax Administrator considers appropriate, that a person is the authorized
2588 representative of a taxpayer.
2589

2590 d) A taxpayer may refuse to answer any questions asked by the person conducting
2591 an audit until the taxpayer has an opportunity to consult with the taxpayer's
2592 attorney, accountant, bookkeeper, or other tax practitioner. This Division does
2593 not authorize the practice of law by a person who is not an attorney.
2594

2595 e) The taxpayer or the person conducting the audit may record, electronically or
2596 otherwise, the audit examination.
2597

2598 **164.23 RIGHT TO EXAMINE.**
2599

2600 a) The Tax Administrator, or any authorized agent or employee thereof may examine
2601 the books, papers, records, and federal and state income tax returns of any
2602 employer, taxpayer, or other person that is subject to, or that the Tax
2603 Administrator believes is subject to, the provisions of this Chapter for the purpose
2604 of verifying the accuracy of any return made or, if no return was filed, to ascertain
2605 the tax due under this Chapter. Upon written request by the Tax Administrator
2606 or a duly authorized agent or employee thereof, every employer, taxpayer, or other
2607 person subject to this Section is required to furnish the opportunity for the Tax
2608 Administrator, authorized agent, or employee to investigate and examine such
2609 books, papers, records, and federal and state income tax returns at a reasonable
2610 time and place designated in the request.
2611

2612 b) The records and other documents of any taxpayer, employer, or other person that
2613 is subject to, or that the Tax Administrator believes is subject to, the provisions
2614 of this Chapter shall be open to the Tax Administrator's inspection during
2615 business hours and must be preserved for a period of six years following the end
2616 of the taxable year to which the records or documents relate, unless the Tax
2617 Administrator, in writing, consents to their destruction within that period, or by
2618 order requires that they be kept longer. The Tax Administrator may require any
2619 person, by notice served on that person, to keep such records as the Tax
2620 Administrator determines necessary to show whether or not that person is liable,
2621 and the extent of such liability, for the income tax levied by the Municipality or
2622 for the withholding of such tax.
2623

2624 c) The Tax Administrator may examine under oath any person that the Tax
2625 Administrator reasonably believes has knowledge concerning any income that
2626 was or would have been returned for taxation or any transaction tending to affect
2627 such income. The Tax Administrator may, for this purpose, compel any such
2628 person to attend a hearing or examination and to produce any books, papers,
2629 records, and federal and state income tax returns in such person's possession or
2630 control. The person may be assisted or represented by an attorney, accountant,
2631 bookkeeper, or other tax practitioner at any such hearing or examination. This
2632 Division does not authorize the practice of law by a person who is not an attorney.
2633

2634 d) No person shall fail to comply with written notice issued by the Tax Administrator
2635 compelling attendance at a hearing or examination or the production of books,
2636 papers, records, or federal and state income tax returns.
2637

2638 **164.24 ROUNDING.**
2639

2641 enter on any return, report, voucher, or other document required under this Chapter.
2642 Any fractional part of a dollar that equals or exceeds fifty cents shall be rounded to the
2643 next whole dollar, and any fractional part of a dollar that is less than fifty cents shall be
2644 dropped, rounding down to the nearest whole dollar. If a person chooses to round
2645 amounts entered on a document, the person shall round all amounts entered on the
2646 document.
2647

2648 **164.25 ADMINISTRATIVE POWERS OF THE TAX ADMINISTRATOR.**
2649

2650 The Tax Administrator has the authority to perform all duties and functions necessary
2651 and appropriate to implement the provisions of this Chapter, including without
2652 limitation:
2653

2658 documents, and testimony, to take depositions, to apply to a court for attachment
2659 proceedings as for contempt, to approve vouchers for the fees of officers and
2660 witnesses, and to administer oaths; provided that the powers referred to in this

2672 relative to remitting or refunding taxes, including penalties and interest thereon,
2673 illegally or erroneously imposed or collected, or for any other reason overpaid,
2674 and, in addition, the Tax Administrator may investigate any claim of overpayment
2675 and make a written statement of the Tax Administrator's findings, and, if the Tax
2676 Administrator finds that there has been an overpayment, approve and issue a
2677 refund payable to the taxpayer, the taxpayer's assigns, or legal representative as
2678 provided in this Chapter;

2688 determinations, computations and assessments. The Tax Administrator
2689 pursuant to time limitations provided by law, on the Tax Administrator's own
2690 motion may review, redetermine, or correct any tax findings, determinations,
2691 computations, assessments or orders the Tax Administrator has made. The Tax
2692 Administrator shall not review, redetermine, or correct any tax finding,
2693 determination, computation, assessment or order which the Tax Administrator
2694 has made for which an appeal has been filed with the Local Board of Tax Review
2695 or other appropriate tribunal, unless such appeal or application is withdrawn by
2696 the appellant or applicant, is dismissed, or is otherwise final;

2725 liability of any other person.
2726
- 2727 e) (1) A compromise or installment payment plan agreement with respect to a
2728 claim shall be void if the taxpayer defaults under the compromise or
2729 agreement or if the compromise or agreement was obtained by fraud or by
2730 misrepresentation of a material fact. Any amount that was due before the

(2) The Tax Administrator has the sole discretion to determine whether or not penalty, interest, charges or applicable fees will be assessed through the duration of any compromise or installment payment plan agreement.

f) The Tax Administrator may require that the taxpayer provide detailed financial documentation and information, in order to determine whether or not an installment payment plan agreement will be authorized. The taxpayer's failure to provide the necessary and required information by the Tax Administrator shall preclude consideration of an installment payment plan agreement.

164.27 REQUIRING IDENTIFYING INFORMATION.

a) The Tax Administrator may require any person filing a tax document with the Tax Administrator to provide identifying information, which may include the person's social security number, federal employer identification number, or other identification number requested by the Tax Administrator. A person required by the Tax Administrator to provide identifying information that has experienced any change with respect to that information shall notify the Tax Administrator of the change before, or upon, filing the next tax document requiring the identifying information.

b) (1) If the Tax Administrator makes a request for identifying information and the Tax Administrator does not receive valid identifying information within thirty days of making the request, nothing in this Chapter prohibits the Tax Administrator from imposing a penalty upon the person to whom the request was directed pursuant to Section 164.21 of this Chapter, in addition to any applicable penalty described in Section 164.37 of this Chapter.

(2) If a person required by the Tax Administrator to provide identifying information does not notify the Tax Administrator of a change with respect to that information as required under Division (a) of this Section within thirty days after filing the next tax document requiring such identifying information, nothing in this Chapter prohibits the Tax Administrator from imposing a penalty pursuant to Section 164.21 of this Chapter.

(3) The penalties provided for under Divisions (b)(1) and (2) of this Section may be billed and imposed in the same manner as the tax or fee with respect to which the identifying information is sought and are in addition to any applicable criminal penalties described in Section 164.37 of this Chapter for a violation of 164.29 of this Chapter, and any other penalties that may be imposed by the Tax Administrator by law.

164.28 CONFIDENTIALITY.

a) Any information gained as a result of returns, investigations, hearings, or verifications required or authorized by this Chapter is confidential. No person shall access or disclose such information except in accordance with a proper judicial order or in connection with the performance of that person's official duties or the official business of the Municipality. The Tax Administrator of the

2785 Municipality or a designee thereof may furnish copies of returns filed or otherwise
2786 received under this Chapter and other related tax information to the Internal
2787 Revenue Service, the State Tax Commissioner, and Tax Administrators of other
2788 municipal corporations.

2789
2790 b) This Section does not prohibit the Municipality from publishing or disclosing
2791 statistics in a form that does not disclose information with respect to particular
2792 taxpayers.

2793
2794 c) Whoever violates this Section by improperly disclosing confidential information
2795 is guilty of a misdemeanor of the first degree. In addition, any employee of the
2796 City of Cuyahoga Falls who violates the provisions of this Section relating to the
2797 disclosure of confidential information is subject to dismissal.

2798
2799

2800 **164.29 FRAUD.**

2801
2802 No person shall knowingly make, present, aid, or assist in the preparation or
2803 presentation of a false or fraudulent report, return, schedule, statement, claim, or
2804 document authorized or required by municipal ordinance or state law to be filed with
2805 the Tax Administrator. No person shall knowingly procure, counsel, or advise the
2806 preparation or presentation of such report, return, schedule, statement, claim, or
2807 document, or knowingly change, alter, or amend, or knowingly procure, counsel or
2808 advise such change, alteration, or amendment of the records upon which such report,
2809 return, schedule, statement, claim, or document is based with intent to defraud the
2810 Municipality or the Tax Administrator.

2811
2812 **164.30 OPINION OF THE TAX ADMINISTRATOR.**

2813
2814 a) An "opinion of the Tax Administrator" means an opinion issued under this
2815 Section with respect to prospective municipal income tax liability. It does not
2816 include ordinary correspondence of the Tax Administrator.

2817
2818 b) A taxpayer may submit a written request for an opinion of the Tax Administrator
2819 as to whether or how certain income, source of income, or a certain activity or
2820 transaction will be taxed. The written response of the Tax Administrator shall be
2821 an "opinion of the Tax Administrator" and shall bind the Tax Administrator, in
2822 accordance with Divisions (c), (g), and (h) of this Section, provided all of the
2823 following conditions are satisfied:

2824
2825 (1) The taxpayer's request fully and accurately describes the specific facts or
2826 circumstances relevant to a determination of the taxability of the income,
2827 source of income, activity, or transaction, and, if an activity or transaction,
2828 all parties involved in the activity or transaction are clearly identified by
2829 name, location, or other pertinent facts

2830
2831 (2) The request relates to a tax imposed by the Municipality in accordance
2832 with this Chapter.

2833
2834 (3) The Tax Administrator's response is signed by the Tax Administrator and
2835 designated as an "opinion of the Tax Administrator."

- c) An opinion of the Tax Administrator shall remain in effect and shall protect the taxpayer for whom the opinion was prepared and who reasonably relies on it from liability for any taxes, penalty, or interest otherwise chargeable on the activity or transaction specifically held by the Tax Administrator's opinion to be taxable in a particular manner or not to be subject to taxation for any taxable years that may be specified in the opinion, or until the earliest of the following dates:
- (1) The effective date of a written revocation by the Tax Administrator sent to the taxpayer by certified mail, return receipt requested. The effective date of the revocation shall be the taxpayer's date of receipt or one year after the issuance of the opinion, whichever is later;
 - (2) The effective date of any amendment or enactment of a relevant Section of the Ohio Revised Code, uncodified state law, or the Municipality's income tax ordinance that would substantially change the analysis and conclusion of the opinion of the Tax Administrator;
 - (3) The date on which a court issues an opinion establishing or changing relevant case law with respect to the Ohio Revised Code, uncodified state law, or the Municipality's income tax ordinance;
 - (4) If the opinion of the Tax Administrator was based on the interpretation of federal law, the effective date of any change in the relevant federal statutes or regulations, or the date on which a court issues an opinion establishing or changing relevant case law with respect to federal statutes or regulations;
 - (5) The effective date of any change in the taxpayer's material facts or circumstances;
 - (6) The effective date of the expiration of the opinion, if specified in the opinion.
- d) (1) The taxpayer is not relieved of tax liability for any activity or transaction related to a request for an opinion that contained any misrepresentation or omission of one or more material facts.
- (2) If the taxpayer knowingly has misrepresented the pertinent facts or omitted material facts with intent to defraud the Municipality in order to obtain a more favorable opinion, the taxpayer may be in violation of Section 164.29 of this Chapter.
- e) If the Tax Administrator provides written advice under this Section, the opinion must include a statement that:
- (1) The tax consequences stated in the opinion may be subject to change for any of the reasons stated in Division (c) of this Section;
 - (2) It is the duty of the taxpayer to be aware of such changes.

- 2887 f) The Tax Administrator may refuse to offer an opinion on any request received
2888 under this Section.
2889
2890 g) This Section binds the Tax Administrator only with respect to opinions of the Tax
2891 Administrator issued on or after January 1, 2016.
2892
2893 h) An opinion issued by the Tax Administrator binds the Tax Administrator only
2894 with respect to the taxpayer for whom the opinion was prepared. The opinion
2895 does not bind the Tax Administrator of any other municipal corporation.
2896
2897 i) The Tax Administrator shall make available the text of all opinions issued under
2898 this Section, except those opinions prepared for a taxpayer who has requested
2899 that the text of the opinion remain confidential. In no event shall the text of an
2900 opinion be made available until the Tax Administrator has removed all
2901 information that identifies the taxpayer and any other parties involved in the
2902 activity or transaction.
2903
2904 j) An opinion of the Tax Administrator issued under this Section or a refusal to offer
2905 an opinion under Division (f) of this Section may not be appealed.
2906

2907
2908 **164.31 ASSESSMENT.**
2909

- 2910 a) (1) The Tax Administrator shall serve an assessment either by personal
2911 service, by certified mail, or by a delivery service authorized under Section
2912 5703.056 of the Ohio Revised Code.
2913
2914 (2) The Tax Administrator may deliver the assessment through alternative
2915 means as provided in this Section, including, but not limited to, delivery
2916 by secure electronic mail. Such alternative delivery method must be
2917 authorized by the person subject to the assessment.
2918
2919 (3) Once service of the assessment has been made by the Tax Administrator
2920 or other municipal official, or the designee of either, the person to whom
2921 the assessment is directed may protest the ruling of that assessment by
2922 filing an appeal with the Local Board of Tax Review within sixty days after
2923 the receipt of service. The delivery of an assessment of the Tax
2924 Administrator as prescribed in Section 718.18 of the Revised Code is prima
2925 facie evidence that delivery is complete and that the assessment is served.
2926
2927 b) (1) A person may challenge the presumption of delivery and service as set
2928 forth in this Division. A person disputing the presumption of delivery and
2929 service under this Section bears the burden of proving by a preponderance
2930 of the evidence that the address to which the assessment was sent was
2931 not an address with which the person was associated at the time the Tax
2932 Administrator originally mailed the assessment by certified mail. For the
2933 purposes of this Section, a person is associated with an address at the
2934 time the Tax Administrator originally mailed the assessment if, at that
2935 time, the person was residing, receiving legal documents, or conducting
2936 business at the address; or if, before that time, the person had conducted
2937 business at the address and, when the assessment was mailed, the

2938 person's agent or the person's affiliate was conducting business at the
2939 address. For the purposes of this Section, a person's affiliate is any other
2940 person that, at the time the assessment was mailed, owned or controlled
2941 at least twenty per cent, as determined by voting rights, of the addressee's
2942 business.

2943
2944 (2) If a person elects to appeal an assessment on the basis described in
2945 Division (b)(1) of this Section, and if that assessment is subject to
2946 collection and is not otherwise appealable, the person must do so within
2947 sixty days after the initial contact by the Tax Administrator or other
2948 municipal official, or the designee of either. Nothing in this Division
2949 prevents the Tax Administrator or other official from entering into a
2950 compromise with the person if the person does not actually file such an
2951 appeal with the Local Board of Tax Review.

2952
2953 **164.32 LOCAL BOARD OF TAX REVIEW; APPEAL TO LOCAL BOARD OF TAX**
2954 **REVIEW.**

2955
2956 a) (1) The legislative authority of the Municipality shall maintain a Local Board
2957 of Tax Review to hear appeals as provided in Chapter 718 of the Ohio
2958 Revised Code.

2959
2960 (2) The Local Board of Tax Review shall consist of three members. The three
2961 members of the Local Board of Tax Review must be domiciled in the
2962 Municipality. Two members shall be appointed by the legislative authority
2963 of the Municipality, and may not be employees, elected officials, or
2964 contractors with the Municipality at any time during their term or in the
2965 five years immediately preceding the date of appointment. One member
2966 shall be appointed by the Mayor of Cuyahoga Falls. This member may be
2967 an employee of the Municipality, but may not be the Director of Finance
2968 or equivalent officer, or the Tax Administrator or other similar official or
2969 an employee directly involved in municipal tax matters, or any direct
2970 subordinate thereof.

2971
2972 (3) The term for members of the Local Board of Tax Review appointed by the
2973 legislative authority of the Municipality shall be two years. There is no limit
2974 on the number of terms that a member may serve should the member be
2975 reappointed by the legislative authority. The board member appointed by
2976 the Mayor shall serve at the discretion of the Mayor.

2977
2978 (4) Members of the Local Board of Tax Review appointed by the legislative
2979 authority may be removed by the legislative authority as set forth in
2980 Section 718.11(A)(4) of the Ohio Revised Code.

2981
2982 (5) A member of the board who, for any reason, ceases to meet the
2983 qualifications for the position prescribed by this Section shall resign
2984 immediately by operation of law.

2985
2986 (6) A vacancy in an unexpired term shall be filled in the same manner as the
2987 original appointment within sixty days of when the vacancy was created.

of the term for which the member's predecessor was appointed shall hold office for the remainder of such term. No vacancy on the board shall impair the power and authority of the remaining members to exercise all the powers of the board.

- (7) If a member is temporarily unable to serve on the board due to a conflict of interest, illness, absence, or similar reason, the legislative authority or top administrative official that appointed the member shall appoint another individual to temporarily serve on the board in the member's place. This appointment shall be subject to the same requirements and limitations as are applicable to the appointment of the member temporarily unable to serve.
 - (8) No member of the Local Board of Tax Review shall receive compensation, fee, or reimbursement of expenses for service on the board.
 - (9) A member of a Local Board of Tax Review shall not be appointed to or serve on another such board simultaneously.
- b) Whenever a Tax Administrator issues an assessment, the Tax Administrator shall notify the taxpayer in writing of the taxpayer's right to appeal the assessment. The notification must include the manner in which the taxpayer may appeal the assessment, and the address to which the appeal should be directed, and to whom the appeal should be directed.
 - c) Any person who has been issued an assessment may appeal the assessment to the board by filing a request with the board. The request shall be in writing, shall specify the reason or reasons why the assessment should be deemed incorrect or unlawful, and shall be filed within sixty days after the taxpayer receives the assessment.
 - d) The Local Board of Tax Review shall schedule a hearing to be held within sixty days after receiving an appeal of an assessment under Division (c) of this Section, unless the taxpayer requests additional time to prepare or waives a hearing. If the taxpayer does not waive the hearing, the taxpayer may appear before the board and may be represented by an attorney at law, certified public accountant, or other representative. The board may allow a hearing to be continued as jointly agreed to by the parties. In such a case, the hearing must be completed within one hundred twenty days after the first day of the hearing unless the parties agree otherwise.
 - e) The board may affirm, reverse, or modify the Tax Administrator's assessment or any part of that assessment. The board shall issue a final determination on the appeal within ninety days after the board's final hearing on the appeal, and send a copy of its final determination by ordinary mail to all of the parties to the appeal within fifteen days after issuing the final determination. The taxpayer or the Tax Administrator may appeal the board's final determination as provided in Section 5717.011 of the Ohio Revised Code.
 - f) The Local Board of Tax Review created pursuant to this Section shall adopt rules governing its procedures, including a schedule of related costs, and shall keep a

3040 record of its transactions. The rules governing the Local Board of Tax Review
3041 procedures shall be in writing, and may be amended as needed by the Local
3042 Board of Tax Review. Such records are not public records available for inspection
3043 under Section 149.43 of the Ohio Revised Code. For this reason, any
3044 documentation, copies of returns or reports, final determinations, or working
3045 papers for each case must be maintained in a secure location under the control
3046 of the Tax Administrator. No member of the Local Board of Tax Review may
3047 remove such documentation, copies of returns or reports, final determinations,
3048 or working papers from the hearing. Hearings requested by a taxpayer before a
3049 Local Board of Tax Review created pursuant to this Section are not meetings of a
3050 public body subject to Section 121.22 of the Ohio Revised Code. For this reason,
3051 such hearings shall not be open to the public, and only those parties to the case
3052 may be present during the hearing.
3053

3054 **164.33 ACTIONS TO RECOVER; STATUTE OF LIMITATIONS.**
3055

- 3056 a) (1) i. Civil actions to recover municipal income taxes, penalties, and
3057 interest on municipal income taxes shall be brought within the
3058 latter of:
3059
- 3060 a) Three years after the tax was due or the return was filed,
3061 whichever is later; or
 - 3062
 - 3063 b) One year after the conclusion of the qualifying deferral
3064 period, if any.
3065
 - 3066 ii. The time limit described in Division (a)(1)(i) of this Section may
3067 be extended at any time if both the Tax Administrator and the
3068 employer, agent of the employer, other payer, or taxpayer
3069 consent in writing to the extension. Any extension shall also
3070 extend for the same period of time the time limit described in
3071 Division (c) of this Section.
3072
- 3073 (2) As used in this Section, "qualifying deferral period" means a period of time
3074 beginning and ending as follows:
3075
- 3076 i. Beginning on the date a person who is aggrieved by an assessment
3077 files with a Local Board of Tax Review the request described in
3078 Section 164.31 of this Chapter. That date shall not be affected by
3079 any subsequent decision, finding, or holding by any administrative
3080 body or court that the Local Board of Tax Review with which the
3081 aggrieved person filed the request did not have jurisdiction to affirm,
3082 reverse, or modify the assessment or any part of that assessment.
3083
 - 3084 ii. Ending the later of the sixtieth day after the date on which the final
3085 determination of the Local Board of Tax Review becomes final or, if
3086 any party appeals from the determination of the Local Board of Tax
3087 Review, the sixtieth day after the date on which the final
3088 determination of the Local Board of Tax Review is either ultimately
3089 affirmed in whole or in part or ultimately reversed and no further

3090 appeal of either that affirmation, in whole or in part, or that reversal
3091 is available or taken.

3092
3093 b) Prosecutions for an offense made punishable under a resolution or ordinance
3094 imposing an income tax shall be commenced within three years after the
3095 commission of the offense, provided that in the case of fraud, failure to file a
3096 return, or the omission of twenty-five per cent or more of income required to be
3097 reported, prosecutions may be commenced within six years after the commission
3098 of the offense.

3099
3100 c) A claim for a refund of municipal income taxes shall be brought within the time
3101 limitation provided in Section 164.19 of this Chapter.

3102
3103 d) (1) Notwithstanding the fact that an appeal is pending, the petitioner may pay
3104 all or a portion of the assessment that is the subject of the appeal. The
3105 acceptance of a payment by the Municipality does not prejudice any claim
3106 for refund upon final determination of the appeal.

3107
3108 (2) If upon final determination of the appeal, an error in the assessment is
3109 corrected by the Tax Administrator, the Local Board of Tax Review, the
3110 Ohio Board of Tax Appeals, or any court to which the decision of the Ohio
3111 Board of Tax Appeals has been appealed, so that the amount due from the
3112 party assessed under the corrected assessment is less than the amount
3113 paid, there shall be issued to the appellant or to the appellant's assigns or
3114 legal representative a refund in the amount of the overpayment as provided
3115 by Section 164.19 of this Chapter, with interest on that amount as
3116 provided by Division (d) of this Section.

3117
3118 e) No civil action to recover municipal income tax or related penalties or interest
3119 shall be brought during either of the following time periods:

3120
3121 (1) The period during which a taxpayer has a right to appeal the imposition of
3122 that tax or interest or those penalties;

3123
3124 (2) The period during which an appeal related to the imposition of that tax or
3125 interest or those penalties is pending.

3126
3127 **164.34 ADOPTION OF RULES AND REGULATIONS.**

3128
3129 a) Pursuant to Section 718.30 of the Ohio Revised Code, the Municipality pursuant
3130 to this Chapter, grants authority to the Tax Administrator to adopt rules and
3131 regulations to administer the income tax imposed by the Municipality, subject to
3132 the approval of the Board of Review, to adopt, promulgate, and enforce rules and
3133 regulations relating to the collection of taxes and the administration and
3134 enforcement of the provisions of this Chapter.

3135
3136 b) All rules and regulations adopted under this Section shall be published and
3137 posted on the internet.

3138
3139 **164.35 COLLECTION AFTER TERMINATION OF CHAPTER.**

3140

- 3141 a) This Chapter shall continue in full force and effect insofar as the levy of taxes is
3142 concerned until repealed, and insofar as the collection of taxes levied hereunder
3143 and actions and proceedings for collecting any tax so levied or enforcing any
3144 provisions of this Chapter are concerned, it shall continue in full force and effect
3145 until all of the taxes levied in the aforesaid period are fully paid and any and all
3146 suits and prosecutions for the collection of taxes or for the punishment of
3147 violations of this Chapter have been fully terminated, subject to the limitations
3148 contained in Section 164.33.
3149
- 3150 b) Annual returns due for all or any part of the last effective year of this Chapter
3151 shall be due on the date provided in Section 164.13 as though the same were
3152 continuing.
3153

3154 **164.36 SAVINGS CLAUSE.**
3155

3156 If any sentence, clause, Section or part of this Chapter, or any tax imposed against, or
3157 exemption from tax granted to, any taxpayer or forms of income specified herein is found
3158 to be unconstitutional, illegal or invalid, such unconstitutionality, illegality, or invalidity
3159 shall affect only such clause, sentence, Section or part of this Chapter so found and
3160 shall not affect or impair any of the remaining provisions, sentences, clauses, Sections
3161 or other parts of this Chapter. It is hereby declared to be the intention of the legislative
3162 authority of the Municipality that this Chapter would have been adopted had such
3163 unconstitutional, illegal or invalid sentence, clause, Section or part thereof not been
3164 included in this Chapter.
3165

3166 **164.37 VIOLATIONS; PENALTY.**
3167

- 3168 a) Except as provided in Division (b) of this Section, whoever violates Section 164.28
3169 of this Chapter, Section 164.29 of this Chapter, or Section 164.10 of this Chapter
3170 by failing to remit municipal income taxes deducted and withheld from an
3171 employee, shall be guilty of a misdemeanor of the first degree and shall be subject
3172 to a fine of not more than one thousand dollars or imprisonment for a term of up
3173 to six months, or both. In addition, the violation is punishable by dismissal from
3174 office or discharge from employment, or both.
3175
- 3176 b) Any person who discloses information received from the Internal Revenue Service
3177 in violation of Internal Revenue Code Sec. 7213(a), 7213A, or 7431 shall be guilty
3178 of a felony of the fifth degree and shall be subject to a fine of not more than five
3179 thousand dollars plus the costs of prosecution, or imprisonment for a term not
3180 exceeding five years, or both. In addition, the violation is punishable by dismissal
3181 from office or discharge from employment, or both.
3182
- 3183 c) Each instance of access or disclosure in violation of Section 164.29 of this
3184 Chapter constitutes a separate offense.
3185
- 3186 d) Whoever violates any provision of this Chapter for which violation no penalty is
3187 otherwise provided, is guilty of a misdemeanor of the first degree. By way of an
3188 illustrative enumeration, violations of this Chapter include but are not limited to
3189 the following acts, conduct, and/or omissions.
