CITY OF CUYAHOGA FALLS, OHIO

November 6, 2026

ADDENDUM NO. 1

To the Bid Book For

2027 Chemicals

TO ALL BIDDERS:

This Addendum supplements and amends the original 2027 Chemicals Bid Book and shall be taken into account in preparing bids. The updated page is included in this Addendum. This page shall replace 4.1.2 from the original Bid Book.

- Item No. 2 Liquid Orthophosphate's delivery method may change during 2027. At some point, bulk delivery of liquid orthophosphate may be required in place of the initial delivery in 55-gallon containers. An additional line-item 2A has been added to page 4.1.2 for this additional delivery method.
- The estimated quantities for each delivery method are approximate. The City may require more/less of each delivery methods for a total quantity of 6,000 gallons.
- Bulk deliveries shall be between 500 and 1,000 (max)-gallons.
- Specify in Remarks at the bottom of page 4.1.2, the size and method of bulk delivery.

END OF ADDENDUM NO.1
