2021-2022
Senior Snow Removal
Program

Program Information

Senior Snow Removal Program

Mayor Don Walters is proud to continue the Senior Snow Removal Program to assist residents that are most in need during the winter months.

The program is designed to help lower income residents get out of their homes for necessities such as prescriptions or medical appointments.

Approved residents will be given snow plow vouchers to use at their discretion during the 2021-2022 winter season.

Please do not use this program as your only means of having snow removed from your driveway. If it is necessary for you to leave home frequently, regardless of the weather, you should make arrangements with a private contractor to plow your driveway.
