

2020 *VISION FOR THE FUTURE*

CITY OF
Cuyahoga Falls
MAYOR DON WALTERS

Life Is Better Here

The Official City of Cuyahoga Falls Calendar

A MESSAGE FROM THE MAYOR OF CUYAHOGA FALLS

Happy 2020! In the City of Cuyahoga Falls, we are a community that cares – one that offers many valuable services and programs to all residents. Regardless of age, Cuyahoga Falls offers something for everyone.

We pride ourselves on being a city that is on the move, one that offers a myriad of fitness opportunities for individuals of all abilities. I hope you have had time to visit and are taking advantage of our countless programs at the Natatorium, Brookledge Golf Course, Water Works Family Aquatics Center, 25 neighborhood parks, and our nine newly installed Neighborhood Walking Trails. These facilities and activities provide opportunities to engage with fellow community members while getting healthier.

Community involvement matters and this is why life is better here in Cuyahoga Falls. I want to celebrate our Neighborhood Excellence Initiative, one that strives to bring neighbors together and strengthen relationships. Whether starting a card drive for a neighbor who needs support, hosting a weekly dessert night, growing a community garden, or organizing an annual 3-on-3 basketball tournament, the work of our community members is making a positive and lasting impact. To get involved, please contact our Neighborhood Excellence, Communications and Community Outreach Department at 330.971.8208 or necco@cityofcf.com.

And in the spirit of sustainability, did you know that all homeowner-occupied residential customers of the Cuyahoga Falls Electric System are eligible to receive a home energy audit to assess energy efficiency? Additionally, the city encourages all residents and businesses to recycle whenever possible. Not only does it help the environment, but it saves money, too. Our curbside and simple recycling programs help us do our part to help our environment.

For more information on all of our city programs and services, I urge you to visit www.cityofcf.com.

It is important to take note of how far our city has come and look ahead with much hope at where we are headed. As we begin this new decade, I wish all of you much happiness, good health, and prosperity.

Mayor Don Walters

Thank You to Our **2020** Calendar Partners:

CITY OF CUYAHOGA FALLS Fire Department

The Cuyahoga Falls Fire Department (CFFD) performs second-to-none professional emergency services, fire prevention and life safety education for our community. Superior equipment, training and collaboration among fire professionals throughout the region ensures the Cuyahoga Falls community a solid plan for a strong and vibrant community.

The CFFD continuously seeks the most effective ways to serve, protect and educate the residents of Cuyahoga Falls. For more information on the many services and programs provided by the CFFD, please contact the department at 330-971-8400 or visit the city website at www.cityofcf.com and link to the department's page.

Home Health & Safety Tips

- Smoke detectors should be located on every level of your home and inside each bedroom. Replace batteries twice a year. Some newer smoke detector models have 10-year batteries.
- Carbon monoxide (CO) detectors are lifesavers, too! CO alarms will notify inhabitants if a defective heater burning natural gas, propane, oil, wood or kerosene is emitting this odorless gas into your home.
- Have your home tested for radon. Radon is a radioactive gas that exists naturally in soil and can enter your home through basement cracks, joints and gaps. Concentrated levels of radon can lead to serious health issues.
- Keep the area around your heating system clear and make sure your heating system is properly vented to the outside to prevent CO buildup indoors. Never store combustibles near a furnace.

CITY OF CUYAHOGA FALLS

Police Department

The Cuyahoga Falls Police Department has proudly protected and served the community for generations. Advanced technologies and training opportunities for officers promote the very best officer performance in serving and protecting. The recently completed state-of-the-art training center and indoor firing range offers extraordinary capabilities for development of advanced protective services for the ever-changing needs of our citizens.

The Police Department welcomed new officers Joe Braskie and Nick Kirven on April 23, 2019

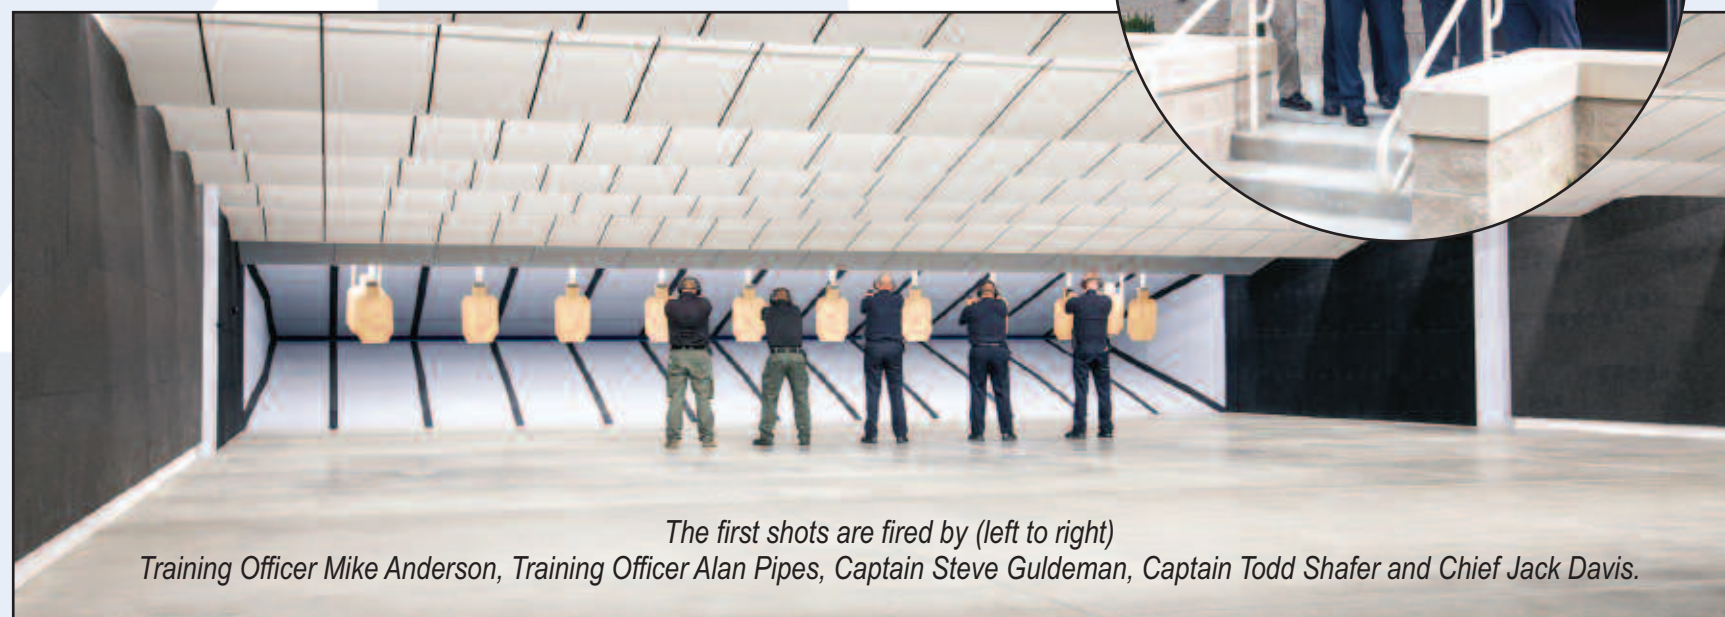

...and a week later on April 29, 2019, officers Tim McAleese and Taylor Grove joined the department.

The Ribbon Cutting ceremony took place on October 2, 2019.

For more information on CFPD programs and services, please call the non-emergency phone number, 330-928-2181, or visit the City website at www.cityofcf.com.

The first shots are fired by (left to right) Training Officer Mike Anderson, Training Officer Alan Pipes, Captain Steve Guldeman, Captain Todd Shafer and Chief Jack Davis.

CITY OF CUYAHOGA FALLS

NECCO Neighborhood Excellence, Communications & Community Outreach

The Cuyahoga Falls Department of Neighborhood Excellence, Communications & Community Outreach (NECCO) coordinates all aspects of the Neighborhood Excellence Program, as well as develops and manages community events, special seasonal programs, and public utilities educational services. NECCO's extensive public education and outreach programming has been recognized as a regional, state and national leader in the implementation of initiatives that embrace environmental stewardship and sustainability through citizen involvement.

To effectively and efficiently inform and engage local citizens, NECCO staff members receive special training to communicate detailed information on all community services and events. Utilizing every avenue of communication via the wide variety of media tools available ensures that the department's outreach performance strategies meet the ongoing informational needs of citizens of all ages.

For more information, contact NECCO at 330-971-8208.

CITY OF CUYAHOGA FALLS

Parks & Recreation Department

This year of 2020 will be an exciting time for Cuyahoga Falls Parks and Recreation. New programs, facility upgrades and a keen eye on maintenance and upkeep are on the table for the department. While we've always kept our focus on high-quality programming and top notch facilities, we are re-tooling our center of attention and taking a firm look at what we offer to the community.

Adaptive programs for our special populations will increase as will an inclusive mindset regarding how we approach new initiatives department-wide. This year alone we've instituted a sensory friendly area at the Falls Downtown Friday events, unveiled Mobile Rec (our mobile recreation vehicle to bring programming to all) and had a designated time for sensory friendly trick or treat at our Downtown Halloween Extravaganza. Over the coming months, Summit DD will be moving their administrative offices to Cuyahoga Falls and we will be actively seeking to develop a deep and rich relationship with this organization.

2019 brought us the First Tee Program at Brookledge Golf Club, where we have set in motion a low-cost golf program for our young residents, and will be expanding that program to include additional elementary schools throughout the city. And if you have a special golfer in your life that is itching to keep their swing alive through the colder months, you'll want them to check out Downview Sports Center and their heated tee boxes! The Cuyahoga Falls Natatorium continues to offer programming for all fitness levels and is always seeking to be THE place you go to get "Nat Fit". Be sure to check out the Quirk Cultural Center for all your arts, dance and craft interests. Lastly, join us all summer long at Water Works Family Aquatic Center where you bask in the sun and splish-splash away.

We thank you for being a valued resident or visitor to Cuyahoga Falls. As you can see with our parks (over 25!), programming and first-rate facilities, life is just simply better here!

GET NAT FIT.

Buildings & Grounds Maintenance

The Buildings & Grounds Maintenance Department manages and sustains numerous public grounds and facilities throughout the community. Services and programs of the Buildings & Grounds Maintenance Department include:

■ Cemetery Operations

This includes plot sales, burials, headstone foundations, perpetual care and maintenance year-round of the four city-owned cemeteries.

Cemetery Line: 330-971-8446

■ Adopt-A-Spot for Beautification

Citywide flowerscape program for over 80 sites throughout the community supported by local businesses and community volunteers.

Adopt-A-Spot Information Line: 330-971-8351

■ Tree Maintenance & Stewardship

Street trees located on city right-of-way devil strips/tree lawns are continuously evaluated by a certified staff Arborist for trimming, health, and need for removal/replacement.

Tree Hotline: 330-971-8345

■ Cuyahoga Falls Arboretum Kennedy Park

A partnership with the Cuyahoga Falls Parks & Recreation Department and the City of Cuyahoga Falls Tree Board, the Cuyahoga Falls Arboretum offers citizens, businesses and organizations opportunities to acknowledge an individual, a family, an organization or a service club with the planting of a tree through the Shades of Green Project. A donation of \$250 supports the Shades of Green Project with the planting of a select tree species and placement of a donor acknowledgement sign. Call 330-971-8345 or email bgmaintenance@cityofcf.com for more information.

Community Development

The Cuyahoga Falls Community Development Department has a variety of beneficial programs that are designed to promote the City to residents, businesses and visitors. A few key examples of these programs are those meant to expand and retain businesses, senior services, zoning and permit issuance, housing inspection, as well as planning aimed to ensure that the City continues to thrive and become a destination spot well into the future.

For more information, please contact our department at 330-971-8135 or email development@cityofcf.com.

HIGH BRIDGE GLENS PARK
FRIDAYS, JULY 17 - OCTOBER 9
4:00 - 7:00 PM

Stop by and experience all the benefits of buying local, fresh products! Farmers' markets provide fresher, tastier, and more nutritious food than most items bought in a store. Products include produce, baked goods, candles, knife sharpening, eggs, and more!

CITY OF CUYAHOGA FALLS

Water Utilities Division

The Cuyahoga Falls Water Department staff ensures that water distribution, sanitary sewer and storm sewer collection systems are properly maintained every day. Emergencies within these systems are addressed immediately, 24/7. Cuyahoga Falls Water Treatment Plant operators are all EPA certified in water supply systems and maintain water plant operations around the clock.

■ Stormwater Management

Through an inspection, the Stormwater Management division of the Water Department can assist with identifying and eliminating inflow and infiltration of clean water into the sanitary sewer system which can cause basement backups during heavy rain events.

■ Hydrant Flushing

Cuyahoga Falls holds the excellent Class III fire insurance rating as issued by the Insurance Services Office of Ohio. Fire hydrants throughout the community are flushed annually during the months of June and July to ensure that they operate safely and efficiently.

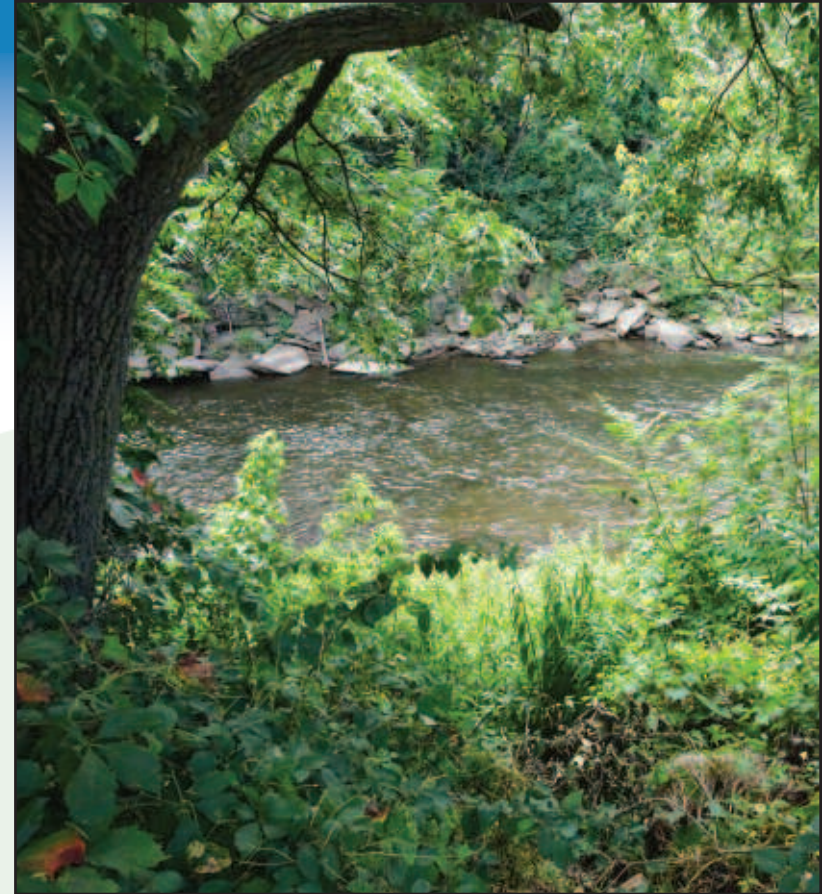

■ Water Quality Education

Through local educational initiatives, citizens and businesses are encouraged to help protect water quality for community health and safety. For detailed information regarding water resources, please visit the city website at www.cityofcf.com and link to the Water Department and Stormwater Management webpages.

■ Waterline Break

DAYTIME BREAK: If a waterline breaks Monday through Friday during normal business hours of 7:30 a.m. to 4:00 p.m., please call the Water Stockroom at 330-971-8005.

EMERGENCY BREAK: If a line breaks and causes an emergency situation after regular business hours, or on weekends, please direct your call to the Police Department's non-emergency number at 330-928-2181.

CITY OF CUYAHOGA FALLS

Engineering Department

The City of Cuyahoga Falls Engineering Department is responsible for the design and construction of all public improvement projects including street paving, storm sewers, sanitary sewers, and water lines. The Engineering Department assigns house numbers and issues permits for construction in street right-of-ways for excavation, sidewalk and drive approach, curb cutting, downspout openings and water service connections.

The Engineering Department is also a repository for all allotment plot plans and underground utility maps, and has on file Summit County tax maps and federal government flood plain maps. The department is located on the first floor of City Hall located at 2310 Second Street during the hours of 8:00 a.m. and 5:00 p.m., Monday through Friday.

For more information on the public services provided by the Cuyahoga Falls Engineering Department, please contact the department at 330-971-8180 or visit the city website at www.cityofcf.com and link to the department's webpage.

CITY OF CUYAHOGA FALLS Electric System

Long recognized as an electric utility leader, the Cuyahoga Falls Electric System (CFES) has most recently been awarded national recognition as a Reliable Public Power Provider (RP3)® from the American Public Power Association. The RP3 designation, which lasts for three years, recognizes public power utilities that demonstrate proficiency in four key disciplines: reliability, safety, workforce development and system improvement. Criteria include sound business practices and a utility-wide commitment to safe and reliable delivery of electricity. For the years 2018 through 2020, Cuyahoga Falls received the highest level RP3 certification, Diamond!

**CUYAHOGA FALLS
ELECTRIC SYSTEM**
AMERICAN MUNICIPAL UTILITIES

"Your Home Town Power"

**Since 1888, Reliable, Local, Ours...
Now THAT'S Public Power!**

Strategically planning for continuous improvement of utility operations alongside the community's expanding electric power needs, the CFES proudly serves the community in the following areas:

- Delivery of cost-effective, safe and reliable electric utility services for all CFES customers
- Educational programs and professional training in the areas of electrical safety, energy efficiency and renewable energy
- Expanding community awareness of energy efficiency financial incentives and opportunities for residents and for businesses
- Research and development of sustainable electric power generation projects in partnership with AMP member communities

For billing questions or for new customers to the Cuyahoga Falls Electric System needing service hook-up, contact the Utility Billing Department in person at 2310 Second Street or by phone at 330-971-8250 during normal business hours of 8:00 a.m. to 5:00 p.m. Monday through Friday, excluding major holidays. In person hours extend to 6:00 p.m. on those same days.

In the event of a street light outage or other non-emergency concerns, do one of the following:

1. Call the Electric Department at 330-971-8050 during normal business hours of 7:30 a.m. to 4:00 p.m., Monday through Friday, excluding major holidays;
2. Email the Electric Department at electricdept@cityofcf.com;
3. Go to <http://www.cityofcf.com/departments/electric/street-light-outage-report-form>

In the event of a power outage or other emergency concern, please call the Electric Dispatcher at 330-971-8050 during normal business hours of 7:30 a.m. to 4:00 p.m. Monday through Friday, excluding major holidays. All other hours of the week please call Police Dispatch at 330-928-2181.

CITY OF CUYAHOGA FALLS

Sanitation Division

The Cuyahoga Falls Sanitation & Recycling Department provides the community efficient, weekly collection services for refuse, recyclables and yard waste. Special spring, fall and winter holiday collections are also offered.

To keep our program going strong, it is critical that all citizens place only acceptable recyclable materials into recycle carts. The Recycle Guide featured on this page ensures that your household is recycling responsibly.

Responsible Recycling of Yard Waste in Cuyahoga Falls

In Ohio, it's illegal to put yard waste into landfills. Prohibited materials in yard waste carts and bags drive up costs, damage machinery and slow production. The proper disposal of yard waste drastically reduces, not only the amount of waste that is dumped in our landfills, but also the production of methane, a harmful greenhouse gas.

Guidelines for Recycling Yard Waste in Paper Bags, Yard Carts:

ACCEPTED

- Leaves
- Grass clippings
- Weeds & Brush
- Shrubbery
- Twigs & small branches (less than 4 inches in diameter)

NOT ACCEPTED

- No trash
- No food/pet waste
- No dirt or rocks
- No plastic bags or bottles
- No sod, soil or root ball
- No plastic plant pots
- Used mulch

Please do not use plastic bags to collect yard waste. Keep it loose in yard carts or use compostable bags. Yard carts can be obtained by visiting the Utility Billing Department at City Hall at 2310 Second Street.

For more information on Cuyahoga Falls Sanitation Department services, please call 330-971-8010, or visit www.cityofcf.com and link to the Sanitation Department webpages.

2020 RECYCLE GUIDE

Recycling Is as Easy as A, B, C!

- Discard Caps and Lids Into the Trash
- Rinse Containers Before Placing Into Recycle Cart
- Place Acceptable Recyclables Loose Into Recycle Cart
- PLEASE – Do Not Bag Recyclables Before Placing Into Recycle Cart!

Do Recycle:

ALUMINUM AND METAL CANS: Beverage, food and pet food cans

PAPER PRODUCTS: Newspaper, magazines, telephone books, catalogs, cardboard (flatten, do not bundle), junk mail, paperboard (cereal boxes, beverage & food boxes/cartons, tissue boxes)

PLASTIC BOTTLES AND CONTAINERS: Food & beverage bottles & jugs, laundry detergent bottles/jugs, dish soap, shampoo/conditioner product bottles, etc.

NEVER place garbage, non-recyclable wastes or yard wastes into Recycle Cart! Contamination Rates Will Apply

For more information on the City of Cuyahoga Falls Residential Recycling Program call 330-971-8010.

Cuyahoga Falls households may also utilize the City of Cuyahoga Falls Recycle Drop-Off located at Gaylord Grove & Hudson Drive Monday - Friday 8 am - 5 pm • Saturday 8 am - 12 noon

Do Not Place These Items into Recycle Carts:

Plastic bags: plastic bags are collected for recycling at local retail & grocery stores

Hazardous wastes: call Summit ReWorks for disposal options at 330-374-0383.

Styrofoam, toys, plastic utensils, tires, light bulbs, mirrors, windows, dishes, wire hangers, construction materials, textiles or appliances

Medical wastes of any kind including syringes, needles, etc. Call 330-926-5600 for disposal options.

Creating a Healthier World

As a local Family Enterprise, GOJO has changed how the world stays well for more than 70 years.

FREE YOUR RECYCLABLES.

Due to global changes in the recycling industry and commodity markets, collecting quality recyclable materials is more important than ever. Waste Management needs your help to reduce recycling contamination. To launch this initiative, we are focusing on one of the biggest contaminants - bagged recyclables. (see the flip side for steps you can take.)

For more information, visit: RecycleOftenRecycleRight.com

Don't Bag Recyclables - Place items directly in recycling container.

CITY OF CUYAHOGA FALLS

Street Division

All services in Cuyahoga Falls are linked through a highly detailed network of transportation routes throughout the community. Safe, secure and easy access to pedestrian walkways, community streets and main highways for all citizens, businesses and visitors relies on the dedication of Cuyahoga Falls Street Department staff year-round.

The Cuyahoga Falls Street Department is responsible for clearing snow, the annual leaf collection program, filling pot-holes and road resurfacing. A true source of pride for Cuyahoga Falls is the attention that the Street Department places on systematic maintenance of existing routes utilizing superior quality materials and technologies.

Citizens of Cuyahoga Falls can assist our Street Department in maintaining the safety and performance of our transportation routes. To report a pothole on a city street, please call the Pothole Hotline at 330-971-8FIL (8345). When reporting a pothole, please state the address and location or intersection of the pothole.

Also available for reporting potholes on city streets is the Pothole Weblne reportform. This form is available on the City of Cuyahoga Falls website, www.cityofcf.com, by linking to the Street Department. The Pothole Weblne report form allows citizens to electronically report a pothole to the Cuyahoga Falls Street Department.

Clear Streets for Clean Streets

Winter Tips to Help Keep Our Routes Safe

- In times of heavy snowfall, remove parked cars from city streets to allow for plowing
- Avoid putting snow from driveways or sidewalks into already cleared streets
- Keep sidewalks free of snow and ice for safe pedestrian use

Beau's
ON THE RIVER

City Council meets at the Natatorium in Council Chambers on the second and fourth Monday of each month at 6:30 pm. Committee meetings, where public opinion is welcomed, are generally held on the first and third Monday of each month beginning at 6:30 pm. City Council is in recess the month of August. For meeting confirmation dates and times, please contact the City of Cuyahoga Falls Law Department at 330-971-8190.
