The Pity of Puyahoga Falls Zolice Department

2014 Annual Report

Don Walters Mayor

City of Cuyahoga Falls Police Department

2310 Second Street • Cuyahoga Falls, OH • 44221-2583 Phone: (330) 971-8300 Fax: (330) 971-8332

Jack Davis
Chief of Police

03-20-2015

To the Honorable Mayor Don Walters and City Council members:

It is with great pleasure that I present to you the Cuyahoga Falls Police Department Annual Report for 2014. It was a year that saw a lot of changes for the department. The supervisor ranks were brought to full staffing for the first time since the cutbacks from 2010 with the promotions of three sergeants. This allowed for the opportunity for testing for many of our patrol officers that had never taken a promotional test. We also updated the looks of the patrol vehicle in a new design that was picked by the officers.

In programming we entered back into the area of drug education for our fifth grade students with the Not Me, I'm Drug Free! program. This exciting new program that partners with Western Reserve Hospital, the schools, as well as local businesses has been greatly accepted by the students. We look forward to expanding the program even more in 2015. Also, in a joint effort with Munroe Falls, Tallmadge, and Stow Police Departments, we held our first Citizens Academy. This allowed for residents of our communities to get a firsthand look at what their police officers do on a daily basis. The feedback from this program was positive and we look forward to making it an annual event. Another successful program brought about with no additional cost to the tax payers was the Crime Fighter Tip Line. This anonymous phone line allows for us to receive tips from citizens and offer a reward. The rewards are all funded through donations and the account is handled through an agreement with the Fraternal Order of Police. In keeping with our attempts to keep drug abuse down in our community, we placed a drug collection box in our front lobby. This was obtained through a grant from CVS and allows for citizens to bring in unused and expired prescriptions for safe disposal. By doing this we lessen the chances for the drugs to be abused as well as keeping them out of our water supply.

Our number one task remains keeping the residents and visitors safe in Cuyahoga Falls. Through the efforts of our officers the statistics for 2014 show a reduction of 4.5% in Category One crimes reported to the department, as well as a 3.5% reduction in miscellaneous reported crimes reported. We also had officers recognized for their valor by the Ohio Attorney General for their response to an armed gun man entering a home after firing shots into it. The family was taken out of the home safely due to the actions of the responding officers. Our narcotics efforts also resulted in several search warrants being conducted for drug sales as well as resulting in the largest seizure of drug funds in the department history of \$611,500. This money will be used to help further our drug enforcement and education efforts.

In ensuring that we are budget minded, we continued to pursue available grants in 2014. Our largest was from Summit County Juvenile Court for \$22,000 to help continue our Juvenile Diversion Program. Additionally, we received a Homeland Security Grant through the county providing three new mobile data terminals valued at \$15,000 and a \$6,000 grant for SWAT equipment from the Ohio Criminal Justice Bureau. Through a contract with the City of Tallmadge we were able to house their prisoners in our unused jail cells bringing in \$21,266.91 to help offset our own jail costs.

The men and women of the Cuyahoga Falls Police Department remain committed to serving and protecting the people of Cuyahoga Falls. We will continue to strive toward even greater service in 2015. I am grateful for the opportunity to serve with these dedicated individuals.

Respectfully Submitted,

Chief Jack Davis

Operations Commander

Captain Steven Guldeman

After his promotion to Captain this year, 24-year veteran Steve Guldeman became the new Operations Commander. As the sole captain in the department, he is responsible for the supervision and direction of work performed by the Investigative Division, Patrol Division, Communications Division, Records Bureau, and civilians engaged in public safety and related services and activities.

Under the general direction of the Police Chief, the captain assists with the development and implementation of operational programs, provides administrative and budgetary support, responds to citizen complaints and

requests for information, and coordinates police activities with other city departments, divisions and outside agencies.

Captain Steve Guldeman was sworn in by Mayor Don Walters on June 4, 2014.

Patrol Division

The Patrol Division encompasses all three uniformed patrol shifts, Special Operations, S.W.A.T, the Reserve Officer Unit and the Police Explorer group.

The three uniformed patrol shifts are the public face of the police department and are the first responders to citizen requests for service, initial crime scene investigations, traffic enforcement and traffic accident investigations. Officers are required to have the knowledge necessary to handle the wide variety of complex calls they encounter, as well as be able to be counselors, mediators and information sources at times. The Patrol Division is dedicated to protecting and serving the citizens and visitors of this community with pride and professionalism.

First Shift

Lieutenant Dale Gramley

The First Shift in the Patrol Division is considered the day shift tour of duty, operating between the hours of 6:00 am through 3:00pm for the safety and wellbeing of our citizens and visitors.

The supervisory staff for First Shift was led by Lieutenant Dale P. Gramley, with 35 years as a policeman and the last remaining officer that came from the 1986 merger of Northampton Township. In addition to running the day shift patrol functions, Lieutenant Gramley is also the Cuyahoga Falls City Jail Administrator.

Our city jail operates under the regulations set forth by the Ohio Department of Corrections, and is a 12 day facility, with 2 women's cells, and 8 male cells. In 2014, our jail housed 629 inmates, an average of 7.4 inmates per day, and 66 days out of the year all 10 cells were full. We also housed 61 Tallmadge inmates with an average stay of 5 days.

There were three sergeants assigned to this shift: Sergeant Gary Blevins started his police career in 1985, giving him 29 years of experience; Sergeant Chad Johnson began his police career in 1990, giving him 24 years of experience; and Sergeant Marty Rogers became a police officer in 1989, giving him 25 years of experience.

In 2014, there were 13 Patrol Officers, one Court Officer, and a Community Service Officer assigned to dayshift. Combined, the Dayshift Patrol Officers have a combined 430 years of experience!

The "elder" in years of service with the Cuyahoga Falls Police Department is Community Service Officer Dave Allaman. CSO Allaman has been an intricate part of our operations since October, 1981, with his responsibilities encompassing a wide variety of duties. He is responsible for animal complaints and annual vicious dog registrations; he transports cruisers and equipment that are in need of repair, assists our Court Officer with all aspects of jail and court duties, and assists our Records Division with property. Dave is also a Captain in our Police Reserve Unit, the coordinator of our Boy Scout Explorer Program, and teaches intervention classes on Saturdays for our Youth Diversion Program. And if the above doesn't keep him busy enough, Dave and his wife are both part-time police officers with the Village of Peninsula.

Court Officer Greg Kenepp is responsible for the weekday transport of inmates to and from the Stow Municipal Court. In addition, Officer Kenepp transports inmates to and from the Summit County Jail, Oriana House, Glenwood Jail, and other alternative inmate housing locations in the area. He is also responsible for the daily and weekly inspection of our jail.

Second Shift

Lieutenant Rich Knotek

The Second Shift Patrol Officers worked between the hours of 2:00pm and Midnight.

The supervisory staff for the Second Shift was led by Lieutenant Rich Knotek. Three sergeants supported Lieutenant Knotek; Sergeant Ed Caswell, who has given 24 years of service, Sergeant Mark Hawley, with 25 years of service, and Sergeant Mark Enos, who has 25 years of service.

In addition to regular patrol duties, Second Shift has several specialized duties, including but not limited to; police department tours for various organizations, abandoned cars, court ordered impoundment and clubbing of vehicles, civilian and college intern ride-alongs, and jail inmate visitations.

Combined, Second Shift Officers have over 190 years of police experience, as several officers came from other police agencies to join the ranks of the second largest municipal police department in Summit County. Numerous officers of the Second Shift received commendations for exemplary performance in the line of duty from the citizens we serve, other police departments, and our police administration.

Officer Zachary Denton was sworn in by Mayor Don Walters on January 27, 2014.

Third Shift

Lieutenant Michael Heinl

The Patrol Division's Third Shift (10:00PM-7:00AM) is led by 26 year veteran Lieutenant Michael Heinl. Lieutenant Heinl is primarily responsible for overseeing the operation of the shift including all administrative duties. Assisting Lieutenant Heinl are Sergeant Todd Shafer, a 20 year veteran, Sergeant Chris Davies, a 13 year veteran, and Sergeant Dan Randall, a veteran of 17 years. Patrol sergeants generally supervise a squad of typically 6-10 patrol officers. They respond to a variety of crime scenes to ensure that all aspects of preliminary investigations are addressed and to assess the need for additional resources. They may also provide assistance to officers handling

calls, traffic stops and arrest situations.

Patrol Officers from Third Shift provide a wide variety of law enforcement services to the community. A large percentage of service calls that officers respond to are alarm drops, noise complaints, domestic disputes, and dealing with intoxicated persons. In addition to handling calls for service, officers are also responsible for self-initiated activity. Self-initiated activity includes traffic enforcement, business checks (open convenience stores, bars, etc.), building checks, occupied and unoccupied vehicle checks, pedestrian checks, park checks, motorist assists and surveillance of problem areas for criminal activity.

In 2014, officers made several arrests for a variety of criminal infractions. A few of those arrests were for breaking into cars, buildings and residences. Additionally, and a top priority, is that officers made over 148 arrests for driving under the influence of alcohol and/or drugs.

On Feb 16, 2014, several Third Shift officers responded to a 911 call on 23rd Street where an exboyfriend had shot his way into his ex-girlfriend's residence. Once the officers made sure the family was safe, they began searching for the suspect. The suspect was found shortly thereafter hiding in the family's basement. When confronted by officers the armed gunman chose to take his own life. The family was not injured thanks to the quick actions by these very brave officers. The Ohio Attorney General recognized the officers involved during the annual Attorney Generals Conference held in Columbus, Ohio.

Officer Ryan Alestock was sworn in on March 17, 2014.

Special Operations

In 2014, Lieutenant Perry Tabak, Officer Mike Anderson, Officer Dave Holzapfel, Officer Edwin Dennis and the Police Service Dogs comprised the Special Operations Unit of the Cuyahoga Falls Police Department. The unit is continually tasked with a vast array of miscellaneous duties. The primary responsibilities of Special Operations are:

Lieutenant Perry Tabak

Training Bureau:

- Training: In-service, recertification, firearms, outside school logistics, OPOTA-mandated Continuing Professional Education and insuring that all officers maintain required certifications and proficiency levels in all specialized law enforcement topics.
- Firearms and Equipment: maintenance, inventory, and purchasing
- School Crossing Guards: programming, scheduling, monitoring and payroll for the city's 21 crossing guards and 16 guard posts.
- Alarm Billing: applications, administration and reporting
- Civilian Programs: citizen ride-a-longs, college internships, bicycle licensing
- Grants: application, administration, reporting
- Internships and mentoring programs

School Resource Officer:

Cuyahoga Falls has approximately 19 schools in its jurisdiction. Officer Ed Dennis is assigned as the School Resource Officer. Officer Dennis spends most of his days in the school buildings maintaining relationships with both the students and faculty and acting as a liaison between all parties. Officer Dennis also assists in educating students and faculty in current safety topics and trends. This year Officer Dennis was part of a new program started in our elementary schools called "Not Me I'm Drug Free" teaching 5th grade students about the dangers of drugs.

Canine Unit:

The Canine Unit currently consists of two canines; Diesel and Kilo. The canines are certified by the Ohio Peace Officer Training Commission, which is the same agency that certifies police officers in Ohio. Both canines are certified in multiple areas of training, including narcotics detection, tracking, article search, building and area searching and criminal apprehension. Canine Diesel's partner is Officer David Holzapfel and Canine Kilo's partner is Lieutenant Perry Tabak. The Canine Unit responded to over 130 canine specific calls in 2014. The Canine Unit also participated in the 2014 Akron K9 Challenge. Approximately 20 teams from three counties competed in the event. Canine Kilo took 2nd place in the obedience trials, Canine Diesel took 1st place in the obedience trials and 2nd place in agility, and canine Lylou took 1st place in the apprehension trials.

Special Weapons and Tactics Team

The Cuyahoga Falls SWAT team is comprised of sixteen officers, four tactical paramedics, and four negotiators that are on call 24 hours a day, seven days a week. Because of the infrequency of callouts, all members are assigned to regular duties to include patrol, detectives, firefighters, and paramedics.

The 2014 SWAT team is under the command of Lieutenant Tabak and Sergeant Singleton. SWAT members are trained to perform operations that fall outside of the abilities of regular officers. These situations include high-risk arrest/search warrants, barricaded suspects, hostage rescue, or any other incident which would require a specialized approach.

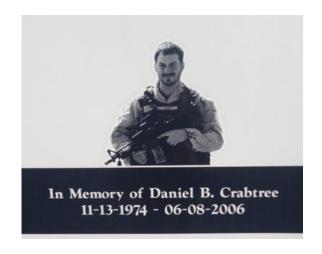

The SWAT team trains on a monthly basis in order to retain, refine, and evaluate individual and team skills. Areas of training include marksmanship, less lethal options, chemical munitions, breaching and ballistic shield tactics. Training also includes working with the use of other specialized equipment such as search cameras and hostage phones.

The SWAT team will continue to serve the department in its efforts to provide a safe environment for the citizens of Cuyahoga Falls.

In 2014 the SWAT team replaced one of its aging vehicles. The new vehicle was displayed at the First Responder Appreciation Day. It features graphics that were donated honoring Officer Daniel Crabtree; Crabtree was a member of the Cuyahoga Falls SWAT team who was killed while serving his country in Iraq.

Detective Bureau

Lieutenant Gary Merton

The Detective Bureau is comprised of two supervisors and eight detectives. The bureau is supervised by Lieutenant Gary Merton, Jr. (day shift) and Sergeant Jim Singleton (afternoon shift). Two of the eight detectives are currently assigned strictly to Narcotics/Vice crimes.

Detectives conduct the follow-up investigation of reported criminal activity which may range anywhere from petty thefts to homicide. All reports are reviewed by

the Detective Bureau supervisor and assigned to a detective for follow up based on several solvability factors with priority given to more serious offenses.

Detectives have the wide responsibility to collect and analyze evidence, interview witnesses, identify and arrest the offender(s), recover stolen property and prepare the evidence for presentation in court. In the event of a serious crime, detectives are called to the scene to perform these functions and provide assistance even after patrol officers have arrested the offender(s) during the commission of a crime.

The Detective Bureau is also responsible for collecting, analyzing and acting on intelligence information, which may expose unreported criminal activity or potential threats to the safety and well-being of the public.

Detectives are assigned to work cases according to the category and severity of the crime reported. Detectives work utilizing a team concept and are assigned primarily to one of three desks: Major Crimes (robbery/burglary/homicide), Persons Crimes (including child abuse, rape & domestic violence), and Theft (including credit card theft, identity theft, petty theft & bad checks).

In 2014, the Major Crimes detectives were Detectives Randy Tlumac and Chad Lengel. The Persons Desk was worked by Detectives Dominic Perella and Brett Reynolds. Detectives Bob Schmidt and Brandon Good were assigned to the Theft desk.

Notable cases solved in 2014 were the following:

- Homicide A 40 year old female was stabbed to death by her former boyfriend. The suspect was formally charged with Aggravated Murder within a few days of the incident.
- Felonious Assault A two month old baby suffered life changing injuries from a case of
 "shaken baby." CFPD was contacted by a Cleveland area hospital believing the incident
 could have happened at the mother's home in Cuyahoga Falls. Detectives discovered
 through investigation that the primary incident occurred in Twinsburg but a prior incident
 happened in Cuyahoga Falls. The child's father pled guilty to Felonious Assault and was
 sentenced to six years in prison.
- Making False Alarms Cuyahoga Falls High School was closed on three separate dates in 2013 due to bomb threats. In 2014, the police department received information on the Cuyahoga Falls Crime Fighter's Tip Line that helped lead detectives to a suspect. The suspect was a senior at the high school at the time of the bomb threats. This former

- student was charged with three counts of Making False Alarms and Inducing Panic. He pled guilty to the charges.
- Burglaries A man and woman that were boyfriend and girlfriend committed numerous burglaries and thefts in several communities. Detectives were able to charge them with several that were committed in Cuyahoga Falls. The male was sentenced to eight years in prison and the female was sentenced to four years in prison.
- Theft A Cuyahoga Falls resident was charged with stealing approximately \$20,000.00 from his employer by voiding out sales slips. He pled guilty to Grand Theft and was sentenced to 24 months of community control and ordered to pay restitution to the business.
- Theft from Elderly A home health aide and her husband were charged with using the credit card of her elderly, disabled client. The two bought items at local stores and then returned the items for cash or gift cards to be used later. The two pled guilty of Misuse of a Credit Card. The degree was enhanced due to the victim's age. The female was sentenced to a year in prison. The male was sentenced to two years community control. Restitution was ordered for both.

2014 Police Department "Shots" Basketball Team

Front Row, left to right: Lt. Mike Heinl, Officers Tony Palcisko, Joey Bitong, Trevor Ford, Ed Dennis and Det. Dan Quior. Back row, left to right: Officers Chris Norfolk, David Holzapfel, Mike Luggelle, Mayor Don Walters, Officers Bill Wilson, Brandon Good, Chief Jack Davis and Officer Joel Moledor.

Narcotics/Vice Unit

Two detectives are responsible for investigating Narcotics/Vice cases. One of the detectives is assigned to the Summit County Drug Unit as a full time member.

These detectives initiate their own cases and assist other agencies conducting narcotics-related investigations. Members of the unit work closely with other law enforcement agencies and become involved in multi-jurisdictional investigations, and therefore have developed an excellent working relationship with their counterparts in neighboring cities and counties, as well as with State and Federal Narcotic Agencies.

Narcotics detectives build cases and act on information obtained from other law enforcement sources, citizen complaints and through the use of informants. They receive specialized training and use specialized equipment.

The following are two notable case from 2014:

- The Cuyahoga Falls Police Department Detective Bureau served a drug related search warrant at a residence on 12th Street in Cuyahoga Falls. During the search, detectives discovered over \$762,000.00 cash, two guns, marihuana and prescription pills in the home. The suspect was charged with drug trafficking and the property was seized. He pled guilty to a Felony Drug Abuse charge and forfeited \$611,500.00, two guns and one vehicle.
- In July of 2014, the Cuyahoga Falls Police Department Narcotics Unit and the Summit County
 Drug Unit did a joint investigation that resulted in a search warrant being executed at an
 apartment on Winter Parkway. More than 2.5 ounces of heroin, over 1 pound of marihuana
 and \$3,360.00 in cash were seized. The adult male resident was charged with Trafficking in
 Heroin and Trafficking in Marihuana.

Youth Services Bureau

The Cuyahoga Falls Police Department Youth Services Bureau has been providing a Diversion Program since 1989 which affords juvenile misdemeanor and status offenders an alternative to Juvenile Court, as well as acts as a liaison between parents, schools and Juvenile Court. Juveniles who qualify for the program will be handled informally and will not have a record with the Juvenile Court. The program goal is to reduce the chances for future criminal involvement by improving the youth's social adjustment by strengthening family relationships, enhancing self-esteem and improving decision making. Parental cooperation is also essential for the youth's participation in the Diversion Program.

The Youth Services Bureau also offers a referral service for the community, schools, parents and juveniles to address problems, such as children who are "at-risk" for criminal involvement. Furthermore, it serves as a child advocate for dependent, neglected and abused children.

The Youth Services Bureau operates as part of the Detective Bureau and under the authority of the Summit County Juvenile Court. The Bureau is partially funded through a grant from the RECLAIM Ohio Funds from the State of Ohio. Laura Nusbaum is the Youth Services Coordinator who identifies cases where juveniles are eligible for the diversion program, schedules hearings, handles all of the hearings, follow up calls and visits with the juveniles and their parents, insures all necessary paperwork is delivered to Juvenile Court, collects and disperses all restitution monies and verifies juvenile participation in community service, programs and classes.

In 2014, 527 juvenile arrests were initially referred to the Youth Services Bureau, with 502 being referred from the City of Cuyahoga Falls and 25 cases forwarded to our department from other agencies. From those referrals, 128 cases were accepted into the Diversion Program, 345 were handled by the Juvenile Court, 28 were forwarded to other agencies, 1 was handled on a counsel and release level, and 1 involved a traffic offense.

The youth involved with the diversion program are required to complete various tasks, including community service, restitution and educational classes. School districts and police departments throughout our county utilize our intervention classes as well. A total of 135 juveniles were referred to the various educational classes. From those referrals, *Drug and Alcohol Education* had 39 students attend; *Conflict Resolution*, 47; *Theft*, 20; *Tobacco*, 17; *Summit County Juvenile Court's Gun Safety*, 10; and *Akron Children's Hospital Firestoppers*, 2. Community service is also assigned to many of the youth, and this year they completed a total 2,015 hours, with 1,396 hours completed through the Youth Services Bureau, and 619 hours that were completed privately. The Youth Services Bureau continually expands its programming to fit the varying needs of the youth in the community.

Records Bureau

The Records Bureau consists of two full-time employees and five part-time employees. The Records Bureau continues to be a busy, integral part of the Police Department. They handle all requests from the public, the Law Department, and other agencies for copies of reports. The Records Bureau is also responsible for making sure that court subpoenas are distributed to the officers and that they have the evidence they need for court. In 2014, the Records Bureau processed reports from 29,221 police incidents.

The Records Bureau is also responsible for the processing of all property including, but not limited to, evidence, found property, contraband and seized/forfeited items. In 2014, the Records Bureau conducted one property auction and processed a total of 3,767 pieces of property.

School Resource Officer Ed Dennis and Sergeant Gary Blevins sort through the toys collected through the Toy Waiver Program.

The Cuyahoga Falls Police Department proudly celebrated many promotions throughout 2014. Jack Davis started out the New Year by taking the reins of the department and becoming Chief of Police. Steve Guldeman was then promoted to Captain, sharing the promotional ceremony with Lieutenant Michael Heinl and Sergeant Mark Enos. Shortly after, Chris Davies and Dan Randall were also promoted to the rank of Sergeant.

Reserve Unit

The Cuyahoga Falls Police Reserve Unit is comprised of dedicated men and women who donate many hours to the police department while holding full time employment elsewhere. In 2014, the Reserve Unit worked nearly 1,500 hours.

Reserve Officers are citizens that volunteer their time to the police department. They receive training in police department procedures and operations, as well as training in defense tactics, first aid/CPR, and in use of various police department equipment.

In 2014, five new members were sworn into the Reserve Unit. In addition, Lieutenant Bruce Fischel was promoted to the rank of Captain. Also, Reserve Officers Ron Colando, Linda King and Reserve Captain Dave Allaman were recognized for over 30 years of service to the Cuyahoga Falls Police Department. Reserve Officer Brandon Fanady was selected as the Reserve Officer of the Year and Reserve Lieutenant Jonathan Anderson was awarded the Annual Ironman Award for the most hours served.

In 2014, the officers of the Reserve Unit were given the additional responsibility to help enforce the city's parking codes, primarily during periods of heavy snow fall, to ensure that the city's Street Department could safely maneuver through the streets. The Reserve Officers continued to carry out many duties assigned to them, including parks patrol, vacation home checks and the juvenile community service program. Reserve Officers also directed traffic at numerous crash scenes, the Memorial Day Parade, various other city sponsored events and numerous charity fund raising events. Reserve Officers also helped bolster security at local high school football games and rode with full time patrol officers working the street. Reserve Officers also assisted with security and public relations at the City's 2nd Annual First Responders Day event.

Court security was also enhanced this year at the city building by instituting a court officer position, manned by a reserve officer. Reserve Officers also assisted in annual training of full time police officers.

2014 was a very productive and busy year for the Cuyahoga Falls Police Reserve Unit and each member of this special unit has stepped up to meet the new challenges and prove themselves valuable assets to the police department.

Mayor Walters with Reserve Captain David Allaman and Reserve Officers Linda King and Ron Colando.

Explorer Program

The Cuyahoga Falls Police Department Explorer Program, which functions under the guidelines of the Boy Scouts of America, is a program for young men and women between the ages of 14 and 21 who have an interest in working in the area of municipal law enforcement. Exploring provides hands on learning through both classroom and practical training, as well as riding with patrol officers during their normal shifts. The Explorers contributed over 156 community service hours in 2014 for their various activities, including helping at the auction, the Easter Egg Hunt, Memorial Day parade and the various road races held in the city. The Explorer Post also proudly represented our department when they competed against over 200 other explorers in a regional law enforcement competition.

Retirees

Officer Eric Prange 1.6.86 – 7.25.14 Officer Eric Prange served the Cuyahoga Falls Police Department in many ways. He worked in both the Patrol Division and the Detective Bureau, and was also a hostage negotiator. Furthermore, one of his duties over the years included being a DARE instructor. Officer Prange excelled in this area and brought a sense of humor as well as dedication to the instruction of our students in the dangers of alcohol and drug abuse. His ability to make us laugh as well as his genuine passion for law enforcement will be missed by his coworkers and the citizens he came in contact with.

Officer James McGowan 4.18.88 – 8.27.14 Officer James McGowan retired after serving 26 years with the Cuyahoga Falls Police Department. Officer McGowan was an active patrol officer willing to follow up on investigations as well as helping out his fellow officers. Officer McGowan also was a member of the SWAT team, a defensive tactics instructor, and a detective for the department. His ability to connect with the younger members of the department will be missed as well as his dedication to serving the public.
