

Drivers: Share the Road

People on bicycles have the same rights and responsibilities as people behind the wheel of a vehicle.

- ✓ **Yield to bicyclists as you would motorists and do not underestimate their speed. This will help avoid turning in front of a bicyclist traveling on the road or sidewalk, often at an intersection or driveway.**
- ✓ **In parking lots, at stop signs, when backing up, or when parking, search your surroundings for other vehicles, including bicycles.**
- ✓ **Drivers turning right on red should look to the right and behind to avoid hitting a bicyclist approaching from the right rear. Stop completely and look left-right-left and behind before turning right on red.**
- ✓ **Obey the speed limit, reduce speed for road conditions and drive defensively to avoid a crash with a cyclist.**
- ✓ **Give cyclists room. Do not pass too closely. Pass bicyclists as you would any other vehicle—when it's safe to move over into an adjacent lane.**
