# A MESSAGE FROM MAYOR DON WALTERS

The start of a new year is the perfect time to reflect on the opportunities ahead and the goals we aim to achieve together. A new year brings fresh energy and motivation to work on projects that will make our city an even better place to live, work, and play.

Among our top priorities is the construction of a new water softener building and a state-of-the-art Fire Station 4 and training center located at Northampton Road and West Bath Road in the northwest quadrant of our city.

We continue to focus on citywide infrastructure improvements, including an aggressive paving schedule and park enhancements.

As we advance these initiatives, I encourage everyone to get involved and stay informed. Follow the City of Cuyahoga Falls on social media, download the City app, and subscribe to E-Current, our monthly online newsletter. Whether you attend community events, volunteer your time, or support your neighbors, every effort contributes to the strong sense of community that defines Cuyahoga Falls.

Thank you for your continued support and engagement. Together, we can make 2026 a year of progress, pride, and achievement for our city.

Wishing you and your families a happy, healthy, and prosperous New Year.

Mayor Don Walters

[CITYOFCF.COM/DEPARTMENTS/FIRE](http://CITYOFCF.COM/DEPARTMENTS/FIRE)

The mission of the **Cuyahoga Falls Fire Department** is to provide the highest-quality professional emergency services, fire prevention, and life-safety education to our community. We resolve to do this within a framework of empathy, compassion, and dedication to the citizens we serve, as well as to each other.

We are proud of our past, excited about our future, and want to thank all that support us in every way. It truly is an honor to serve!

The Cuyahoga Falls Firefighter Memorial Foundation continues to seek donations to construct a memorial to honor the men and women of the department, specifically those who died in the line of duty. For more information, please visit [fallsfirememorial.org](http://fallsfirememorial.org) or Cuyahoga Falls Memorial Foundation on Facebook.

## POLICE DEPARTMENT

**FOR MORE INFORMATION:**  
**330-971-8333**  
[CITYOFCF.COM/DEPARTMENTS/POLICE](http://CITYOFCF.COM/DEPARTMENTS/POLICE)

With over 100 years of service to the City of Cuyahoga Falls, the mission of the **Cuyahoga Falls Police Department** continues to be:

- To provide the highest level of service to the public.
- To instill a sense of security and confidence in the public we serve.
- To protect the rights of the individual, as well as the rights of the public at large.
- To be fair and just in the enforcement of the law.
- To not just serve the community, but be a part of the community.

These acts are accomplished while maintaining a professional attitude and by treating all stakeholders of the community with the respect and dignity they deserve.

Members of the Cuyahoga Falls Police Department are true community servants. Beyond the day-to-day police work, officers raise money for the Falls Cancer Club, do annual toy drives instead of traffic warnings, participate in Shop with a Cop, provide Senior Watch services, partner with other local law enforcement agencies to offer Citizen's Police Academies, hold Drug Take Back Days, and host annual National Night Out community events.

### ADOPT-A-SPOT PROGRAM

The Adopt-A-Spot beautification program is one of the many ways our city, residents, and businesses work together to Keep Cuyahoga Falls Beautiful.

Every year, several hundred volunteers donate their time and talents to maintain various flower beds throughout the city that all residents and visitors may enjoy.

Businesses generously provide financial backing for the purchase of flowers and supplies so that the program remains free to all stewards.

## BUILDING & GROUNDS MAINTENANCE

**FOR MORE INFORMATION:**  
**330-971-8351**  
**CITYOFCF.COM/DEPARTMENTS/  
BUILDINGS-GROUNDS**

The **Buildings & Grounds Maintenance Department** oversees cemetery operations for the city's active cemeteries, Oakwood and Northampton, as well as Harrington and Botzum cemeteries. Our online records website allows easy access to look up a deceased loved one's location. A photo of the headstone (if there is one) and an interactive map will pinpoint the grave showing exactly where in the cemetery it is located. Oakwood Cemetery now has 3 new columbaria which contain 96 niches each. Pricing can be found on the city's website or call **330-971-8446** for more information.

To access burial records, please go to  
**cityofcf.discovereverafter.com**

Section signs are located throughout Oakwood Cemetery to help identify section names.

Buildings & Grounds Maintenance is also responsible for tree lawn/devilstrip trees (evaluating for trimming or removal as well as planting new trees). If you have a concern regarding your tree lawn tree, please call our **Tree Hotline at 330-971-8345** and leave a message for the City Arborist.

The City's Adopt-A-Spot program and the City Arboretum also fall under the jurisdiction of the Buildings & Grounds Maintenance Department.

**FOR MORE INFORMATION:**  
**330-971-8135**  
[CITYOFCF.COM/DEPARTMENTS/  
COMMUNITY-DEVELOPMENT](http://CITYOFCF.COM/DEPARTMENTS/COMMUNITY-DEVELOPMENT)

**Community Development (CD)** staff work with local businesses to expand their operations and with businesses from outside Cuyahoga Falls to relocate to the City by offering: relocation site analysis, permitting, zoning certificates, and grant/loan funding. In 2024, CD was able to secure more than \$72,000,000 in completed new investments that resulted in the creation of over 264 new jobs.

CD's Housing Dept. staff enforces code-specific ordinances to maintain the City's housing stock, thereby keeping housing values consistent and steady throughout the City.

Cuyahoga Falls is fortunate to be an entitlement city. Each year, the City receives HUD funds and CD's Entitlement Administrator uses those funds to rehabilitate older homes, acquire and demolish blighted structures, and provide seniors with free snow plow services.

In 2024, CD's Planning staff worked with Community stakeholders to develop corridor studies for the Bailey/Northmoreland Road and South State Road Business Corridors. These studies, along with a detailed traffic study conducted in 2025, will provide the City with the necessary tools to seek funding for new streetscape designs in these sections of the City.

**FOR MORE INFORMATION:**  
**330-971-8180**  
[CITYOFCF.COM/DEPARTMENTS/  
ENGINEERING](http://CITYOFCF.COM/DEPARTMENTS/ENGINEERING)

The **Engineering Department** is responsible for the design and construction of all public improvement projects, including street paving, sewers, and water lines. The department serves as the repository for all allotment plot plans, and underground utility maps, and has Summit County tax maps and federal government flood plain maps on file.

The Engineering Department assigns house numbers and issues permits for construction in the street or road right-of-way, such as street excavation, sidewalk and drive-approach construction, curb cutting, downspout openings, and sanitary sewer lateral and water-service connections.

The Engineering Department is proud to research and apply for grant dollars to help fund innovative infrastructure projects, and they utilize public goods funding to replace missing sidewalks to improve connectivity and accessibility for all people.

## WATER UTILITIES DEPARTMENT

### 10 Things You Can Do to Prevent Stormwater Runoff Pollution

- Use fertilizers sparingly and sweep up driveways, sidewalks, and roads
- Never dump anything down storm drains
- Vegetate bare spots in your yard
- Compost your yard waste
- Avoid pesticides; learn about Integrated Pest Management (IPM)
- Direct downspouts away from paved surfaces
- Take your car to the car wash instead of washing it in the driveway
- Check car for leaks, and recycle motor oil
- Pick up after your pet
- Inspect and pump your septic tank regularly

[CITYOFCF.COM/DEPARTMENTS/WATER](http://CITYOFCF.COM/DEPARTMENTS/WATER)

The City of Cuyahoga Falls **Water Utilities Department** houses three different divisions: the Water (Distribution and Treatment), Sewer (Sanitary and Storm Collection), and Stormwater Divisions.

The City's water supply comes from 18 wells located on the south bank of the Cuyahoga River. Raw water is pumped from the wellfield to the City's Water Treatment Plant. Minerals are removed, additives are incorporated, water is softened and disinfected, and finally tested in our lab prior to distribution to 55,000 people across Cuyahoga Falls, Munroe Falls, and Silver Lake. The Water Distribution Division maintains over 275 miles of water line, which includes over 2,500 hydrants and over 6,000 valves.

The City's sanitary and storm sewers are laid out in separate systems. The storm sewer system conducts storm runoff to the nearest natural watercourse. The 152 miles of sanitary sewers in the City collect all waste and transport it to either Akron Water Pollution Control Facility or the Summit County Metropolitan Sewer District for treatment. The Sewer Division maintains the City's sewers, manholes, catch basins, and inlets.

The Stormwater Division offers a stormwater inspection to homeowners, which can identify and eliminate stormwater from entering the sanitary sewers. Reducing this inflow and infiltration will help the sanitary sewers work more efficiently during heavy rain events. Residents can help keep stormwater out of the sanitary sewers by verifying that stormwater from their property is directed into the proper sewer.

## BUSINESS ENERGY EFFICIENCY REBATE PROGRAM

The City of Cuyahoga Falls is committed to reducing our energy consumption by providing and promoting energy efficiency tools & incentives.

All small, commercial, and industrial customers of the Cuyahoga Falls Electric System are invited to apply for rebates on energy efficiency projects.

Rebate incentive funds are limited and are awarded on a first-come, first-served basis each year. The rebate must be approved and the site inspected BEFORE the project begins. Projects include, but are not limited to, lighting, lighting control, & HVAC upgrades.

ELECTRIC](http://CITYOFCF.COM/DEPARTMENTS/ELECTRIC)

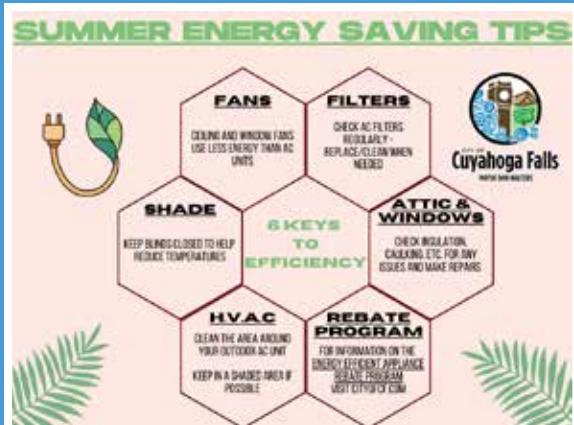

In 1888, City Council passed a resolution authorizing the **Falls Edison Electric Light & Power Co.** the right to erect pole lines to supply electric street lighting, which marked the formation of the Cuyahoga Falls Light Department.

Today, the electric division collaborates its power production with American Municipal Power (AMP) and utilizes hydroelectric, wind, and combustion sources to create enough energy to meet the city's residential and commercial amperage needs.

Additionally, the award-winning electric system and its various partnerships provide scholarships, free home energy audits, free home energy kits, and appliance rebate programs.

**In the event of outages, please call: 330.971.8050**

## YARD WASTE CART PROGRAM

Active recycling customers with accounts in good standing qualify for the program with a \$25 refundable deposit. A tan 96-gallon yard waste cart will be delivered upon enrollment.

**ACCEPTED**  
Leaves  
Grass Clippings  
Weeds & Brush  
Shrubbery  
Twigs & Small Branches  
(less than 4" in diameter)

**NOT ACCEPTED**  
Trash  
Food/Pet Waste  
Dirt/Rocks  
Plastic Bags  
Sod  
Root Balls  
Plastic Plant Pots  
Used Mulch  
Paper Compost Bags

Proper disposal of yard waste drastically reduces the amount of waste that is dumped in our landfills, & reduces harmful greenhouse gas emissions.

The Cuyahoga Falls **Sanitation Department** handles all residential trash and recycling pick-up for the city and provides a multitude of services to meet the customer's every need. The Sanitation Department features three varieties of carts to help residents properly dispose of waste, recyclable items, and yard waste.

The Sanitation Department has been at the forefront of effective recycling programs. The continued success is dependent on all citizens continuing to properly recycle as best they can. Please refer to the recycling guide on this page and on the City of Cuyahoga Falls website for details on how to recycle responsibly.

**Year-round, the city offers oversized or  
bulky item pick-up for our residents.**

Please use the QR  
code to request bulk or  
specialty pickups.

## STREET DEPARTMENT

### FOR MORE INFORMATION:

**330-971-8030**

[CITYOFCF.COM/DEPARTMENTS/STREET](http://CITYOFCF.COM/DEPARTMENTS/STREET)

The Cuyahoga Falls **Street Department** is responsible for clearing snow, capturing leaves, filling potholes, and resurfacing roads. Each fall, the city coordinates the removal of leaves from its many miles of streets and municipal properties, including 26 neighborhood parks.

Once the leaves have fallen, the city sends leaf crews armed with vacuum machines and rakes to condense the debris and keep our streets clean.

#### CLEAR STREETS FOR CLEAN STREETS WINTER TIPS

- In times of heavy snowfall, remove parked cars from city streets so they can be properly plowed.
- Avoid putting snow from driveways or sidewalks into already cleared streets.
- Keep sidewalks free of snow and ice for children, mail carriers, and neighbors.
